

**NINTH MESSAGE      MARCH.7.2015**

Let My cry come to you, people of Israel<sup>1</sup>.

Like a House that is threaten to fall into ruin, so is My people, its foundation melt like wax and threaten to collapse<sup>2</sup> because it has moved away from their God and Lord, who died for them on the Cross. He was their Foundation, their cornerstone<sup>3</sup>, but my people are stubborn and want to choose their foundations, and the materials they use are vain materials and of poor consistency, to the point that they will never be able to build without the help of their Lord.

Proud and happy they enjoy parties that provoke me, that provoke God's anger<sup>4</sup>, but they continue with their parties and their empty constructions without consistency. Until when, my people, will I have to wait for your return to Me? You go by roads and trails that lead nowhere but to hell<sup>5</sup>, since the one that separates himself from Me<sup>6</sup> has no life, the one that separates from Life remains in death, a death in life, since you think that you are alive but if the soul dies your whole being is dead<sup>7</sup>. They are celebrations of the dead, dead lives<sup>8</sup> and still you sing and dance and laugh, but you are dead since you have distanced Life from yourselves.

Let Me speak to you with rigor: the doctor must use the scalpel to heal, to save and you allow him because you want to save your lives, And to Me, your Redeemer, your Savior, do not allow Me to speak to you with rigor to save that which is much greater than your lives; your souls<sup>9</sup>!

Do not be rebellious children, everything is finishing, this world is passing away; it has already spilled too much suffering in your lives and in the lives of your brothers. Do not keep on believing that everything is going to continue with normality, since days of desolation are coming to this world as you have never known<sup>10</sup>, people of Mine, the prince of this world, the infernal serpent, the enemy of your soul is on the prowl looking for someone to devour<sup>11</sup>.

When everything seems to go according to your desires, you feel happy, but instead you should cry if your soul is not close to Me. If you saw a soul in mortal sin, you would feel such a horror that you would go quickly to confess all your sins, and would never want to sin again, since you cannot even imagine the rottenness, the stench, the infernal corruption in a soul who lives in mortal sin. The wonderful bodies that lodge stinking souls<sup>12</sup> laugh and amuse themselves. Children, have compassion, compassion that my suffering in the face of such a sad and terrible spectacle moves all my inmost being, and My Heart bleeds of pain and terror before the future of these souls: hell<sup>13</sup>. No children, no! Come to Me! Drink from the pure water<sup>14</sup> of My Holy Spirit; wash yourselves in My Precious Blood shed by your love<sup>15</sup>.

We are in the end times<sup>16</sup>; this world is finishing and your souls are destined for eternity<sup>17</sup>, an eternity of Love and Happiness with the Son of Man. Do not waste time; make use of the time in preparing your soul for My arrival<sup>18</sup> to this corrupt world. Do not leave your conversion<sup>19</sup> for

tomorrow; it is of the up most urgency. Warn your brothers of the imminence of My arrival, of My return to this world. Be happy in My Love, but warn your brothers.

They already thought of Me to be a madman<sup>20</sup> and you, whom do you follow? You must walk in My ways<sup>21</sup>, nobody is more than his Master<sup>22</sup> Follow My steps and walk behind Me: I will attend to you in moments of fury. Do not be scared of the wolf of this world since I am your Good Shepherd<sup>23</sup>, I know My sheep and take care of them and keep an eye on them. Children, I love you, I love you with an infinite, eternal and unfathomable Love. Trust in Me that loves you.

You always go after those who speak and promise you happiness in this world, but you neither look for eternal happiness nor think about it, you are fixed in this world, you do not have solid foundations and your houses will fall at minimal shaking<sup>24</sup>. Hold on to Me, hold on to My Cross! Love your cross<sup>25</sup>, since it is for your sanctification and that of your brothers. Do not flee from it! Do not be afraid of the pain, since I am with you<sup>26</sup>. My wounds have healed you<sup>27</sup> and yours will heal your brothers and bring the help I Need for them<sup>28</sup>, so that they do not distant themselves from Me. Offer all your sacrifices to the Eternal Father, offer all your life to God and your reward<sup>29</sup> will be great one day.

How much more do want Me to say to you? I am at the door and I knock, be prepare for the Son of Man comes to judge the earth<sup>30</sup>.

Accompany My Mother<sup>31</sup> in her pain of seeing how her children move away from Me, those that one day she received at the foot of My Cross<sup>32</sup> and who she loves with a Mother's Heart like no earthly mother can love, no matter how good she is; accompany her in her pain and in her maternal quest of gathering all her children around Me.

I warn you: time is running out and conversion is urgent, days of sorrow are coming to Earth, days of rigor are coming to Earth, because this world will pass and there will be a new heaven and a new earth<sup>33</sup>. Have courage children! That you will be happy one day with Me in that new heaven and the new earth. Have courage! I assist you with My Holy Spirit<sup>34</sup> at all times. Do not get discouraged and do not be afraid, instead like a courageous person<sup>35</sup> he raised to save his family from destruction and save all his loved ones<sup>36</sup>, you also be strong and set free all the men of the roaring lion that prowls looking for someone to devour<sup>37</sup>.

Speak about the confession<sup>38</sup>; one day you will look for them and will not find My servants, since the roaring lion will go after them to make them disappear from the face of the Earth, since they take you to Me and give you My Body and My Blood. He hates them with a hate that you cannot even imagine, since they are the channels of My Salvation for you. Protect them with your prayer: it is the only way you have to take care of them, since the satanic hate towards them, My holy priests<sup>39</sup>, is so strong that not even the human mind can imagine what he wants to do with them.

But now you still have them among you: love them, respect them, pray intensely for them, encourage them to be holy priests, to give their lives up

for My sheep, encourage them to the martyrdom of mockery and misunderstanding as long as they are My friends. Encourage them not to misdirect their way because of fear, by being agreeable to the world, or by lack of strength. Encourage them, children!, that in them is My grace, that you need for your salvation.

Days are coming that you will seek for them and you will not find them as you do now, because they will have to flee to the mountains, hiding his priesthood to stay alive so as to take care of my people, but now you have them. Go to confession<sup>40</sup>! Say to them that they should spend extra time in the confessional! Ready to hear confessions, because when a soul sees a priest in the confessional I encourage it to come to him and to wash their stains in My Mercy. But some souls move away for lack of ease to find this river of Grace: they are not well grounded and need help. Encourage them to surrender themselves into their Ministry as their Master has, to pray for you and to be joyful as their Master doing the Will of the Father<sup>41</sup>! Urge them to treat My Most Holy Body with reverence, with neatness, watching every particle of the Host, since in it I Am entirely: all My Body, all My Blood, all My Soul<sup>42</sup>! No, children! Do not think that everything is acceptable. No! Goodness is diluting in your consciences. Do not allow it! Since you will be judge with rigor because of it<sup>43</sup> that now urges you to do the same as one day in your judgment day you will be ask for the account of it. His plans to deceive souls are diabolical<sup>44</sup> and then accuse them of that same thing that he offers them as agreeable and pushes them so that they fall down in it. Beware children! Beware, I warn you!

Cheer up your shepherds! They need your encouragement and your affection, but above all, need to get close to benefit from the Love of My

Mother, Speak to them about the Love of My Mother for them! They are Her beloved sons! Because they are like Her Son: have followed in His footsteps and She guards them with a special maternal care.

I warn you, children, through my dear child Isabel, listen to her, since she brings you My Words. Pray for her, since difficult days are coming that none of you know where they will end, but the Son of the man will come to this world and will implant a Kingdom<sup>45</sup> of Love and Justice, of peace and joy, as you cannot even imagine. Until then resist with the weapons of the Holy Spirit<sup>46</sup>; with faith and fortitude, charity and peace, happiness and joy in adversity, hope, always and in every place, in which you will be saved by the Blood of the Lamb<sup>47</sup>. Amen! Amen!

Do never lose heart, for I am with you, and I will never leave you<sup>48</sup>. This is your mission: help me to save as many souls as they need you.

I plead to you for My Mother; love her because she suffers much for your pastors; pray for her intentions, because the world will be saved through Her Immaculate Heart, the Heart that only loved God.

I plead to you for the Pope, for My Vicar on Earth; help him with your prayers, since he will suffer very much for you, his children.

“Glory to God in the highest and on earth peace to those on whom his favor rests<sup>49</sup>.” it is the canticle of Glory that one day you will sing with joy at the dawn of the New Jerusalem<sup>50</sup>, Look at the glory of God and the road will be easier.

I love you My dear children, children of My soul, children of My Passion, I love in an eternal love which you cannot understand, but one day
