

**MESSAGE 11      MAY.7.2015**

A cloud of Power and Glory<sup>1</sup> will surround you, is the Son of Man who comes to judge the earth<sup>2</sup>.

Do not be afraid, everything has to be fulfilled, even to the last word will be fulfilled<sup>3</sup>, everything is about to be fulfilled, await My arrival with peace and joy, with singing and happiness because what the Son of Man has promised, He will fulfill; I will bring you with Me to the Kingdom of My Father, where I have prepared a place<sup>4</sup> of Love and Peace, of justice and freedom, which has been reserved for those that fulfill My Will.

I love you My dear children but you have closed your ears to My sweet and Holy Love, you follow all those who speak to you about love, about peace and freedom and believe them, but to Me, to your Good Shepherd<sup>5</sup>, you do not believe. Where will I find a well disposed soul that welcomes My Love? Where is that soul that opens itself to My grace? I look for it non-stop, day and night but I do not find it, all of you save yourselves a little for you, you all want a place of honor in My Glory. Where is this soul humble and abandoned to My Holy Spirit that does not want anything more than My Love and My Glory? I look for it without ceasing day and night so that it will console Me of My pain, of My immense pain for a world that has turned its back to Me, who has closed its ear to the voice of its Lord, to the voice of the One who died for him in the Cross, to the voice of that one who clamors in the desert<sup>6</sup>: prepare the ways of the Lord, make the paths straight because the Son of God is coming to the Earth and will implement

a kingdom of love and of justice, peace and freedom<sup>7</sup>. It is enough of so much oppression, of so much terror, of so much hate, of so much evil.

Why, children? Why do you not love each other? Why do you not forgive yourselves<sup>8</sup>? Why do you not look at Me on the Cross? How many divided families, how many friends become enemies, how much pain in your heart, why you do not forgive, why you do not stretch your hand to the brother, the one I put next to you so that you would find in him peace and goodness love and happiness. The brother turned against the brother, the father against the son, the son against the father, but not for My cause, but for your cause.

How much pain, how much fear among you, you are like vermin that like to hurt each other non-stop. Why do you not love each other? Why do you not prepare the way for the Lord, bringing peace with you to your families, to your neighbors and friends, companions and anyone who you meet along the way? In that, they will recognize that you are Mine, dear children! In that, you love one another as I have loved you<sup>9</sup>. You already knew it, you will say to Me, but then: Why you do not start doing it? Why you do not call today the one with which you do not speak to yourselves?, With the one whom you do not forgive, with the one who has made you suffer but that in My Name you can forgive because I can do anything<sup>10</sup>. Remember my words on the Cross: "Father, forgive them, for they know not what they do"<sup>11</sup>. Why do you not think that they did not know what they were doing to you? Open your hearts to love and forgiveness, today, children, today, do not leave it for tomorrow, so that when the Son of Man comes does not find hate nor resentment in your hearts. Be brave and strong to forgive, to take the first step, do not wait that others take it, do it

yourself. Who do you hate in your heart today? Who do you not want to see in your life today? You must love that one, forgive and pray<sup>12</sup> for him, call unto his door with a humble heart, with courage and if he does not open look at Me afterwards and say: "Lord, he does not open" I will embrace you, console and give you a love as you cannot imagine and will compensate you for all the love that you did not find, because My Father urges you today to forgive, to forgive in the heart, to forgive in your lives, to live through forgiveness, not in abstract, taking steps in your life to demonstrate the forgiveness today in your life, do not be satisfied with saying; "Yes, I have forgiven" Move your life in that direction, let it be evident, that it can be seen that you are forgiving, let it be an act of love, not only a thought. Do a favor to whom one day denied it to you, give a smile to who only looks at you with bitterness, give a hand to the one that denied it to you, in this, all will recognize that you are Mine, that you are a shoot in My Vine<sup>13</sup>, that you are united to Me, that the sap of My blood runs through you and gives you life, your good thoughts have not worth if there is no action that reaffirms them, give it a try, bring it to practice, in spite of thinking it is necessary to execute, you cannot forgive and not speak, not smile, not pray nor do favors afterwards to those that have hurt your heart!

To him that asks you for your tunic, give it to him<sup>14</sup>, do not deny it, do not live as if everything was yours and not of others, share with all those who need you<sup>15</sup>.

You must prepare yourselves for My arrival, you must prepare your heart, do not be just awaiting for spectacular things to happen, but tend to your heart, to your souls, since it is there where My first arrival will occur,

<sup>15</sup> Lk 3, 11

My returned to this world, there, is where you'll see Me, there is where I have an appointment with you and; what will I see? What will I find? Read these words in the silence of your heart and be sincere with yourself before Me. There will be great signs in the sky<sup>16</sup> that manifest My arrival, My return to you, but before this I await for you in your hearts, there I will reunite Myself with you and what will you show Me?

Do not worry for what they will say, make an effort children that I am asking you for it like a beggar at your door, it is time to prepare your lives for My arrival and: What will I find? Start today, pray, gather yourselves in the silence of your interior and see in it what you must prepare for My arrival, what you must change, what you must do. Children! the salvation of your souls is at a crucial moment, do not be alarmed but work and with your love warn others to prepare themselves, if it has been announced the arrival of someone you must appear before, what would you do? You would prepare yourselves in the same manner, since you must appear before My Mercy and My Justice, prepare yourselves, prepare your life that I Am coming to this world lost and without direction, where hatred and selfishness reign, but I come children and it will be the end of all oppression

It is late; the day draws near, the day of light and justice, the day of Glory, but before it, you must suffer all the evil that there is on this world of sin, where evil lives as never before, before the impassive gaze of all civil power, military, and also children, sometimes ecclesiastical, My shepherds do not help you in so many, many cases, they do not help you fight evil, they are insensible. No to brutal force, no to power without justice, but yes to the cry of peace and the work of your life plowing into hostile fields to find a place where there may be harvest, the harvest of love

<sup>16</sup> Lk 21, 11

which you sow in peace, that I put on this earth, will give fruit, but trust in Me. I will never abandon<sup>17</sup> you in your work.

Do not be scandalized by the evil around you, but do not conformed to it, do not get accustomed to it, is the danger of this blind and lost world, it has become accustomed to it, to live in it comfortably, to laugh in it, to eat in it, to celebrate in it. No children, do not get accustomed to live in evil. You are called to live in plenitude through Goodness and Grace, not to live comfortably among so much evil, fight against it, with the weapons of the Holy Spirit<sup>18</sup>, He has power over the earth, an infinite power and you do not utilize it, it is asleep in you.

It is the hour of Peace because I come, it is the hour of love because I come, how much do you speak about My arrival but, Who prepares his heart seriously and with rigor? Not children, No, speak less and work more seriously, again, in your own conversion. What good is it if you speak about the day of My arrival if you leave, if you abandon your life in the hands of the enemy doing your holy will in everything and living as if My arrival was something spectacular. NO! it is in your heart where you must wait for Me, I do not scold you children, I love you and I am looking out for you, do not neglect your conversion, do not live as if My arrival was only depending on the stars<sup>19</sup>, prepare your hearts to the Lord of your life, that arrives, prepare<sup>20</sup> your life, take it seriously, listen<sup>20</sup> to this warning: My arrival to this world is imminent. The stars will stagger, the moon will redden and the sun will go out<sup>21</sup>, all this will happen with persecution<sup>22</sup> and murders, pain and terror, horror and cruelty; but do not worry much about this, instead focus on preparing your heart. If your heart is prepared, as I

have told you to do it, you will live through everything I mentioned in peace and even with happiness, I will be with you in what you will not be able to resist and it will not worry you so much if you would have to die. Be afraid of the one that can lose your soul<sup>23</sup>. Nothing will happen without My permission and everything will be done for the good. Let nothing preoccupy you, I am with you. My Father looks at you from Heaven like an affectionate father worried for his children.

Listen to My Voice and you will save yourselves, hold on firmly to the hand of My Mother, the angels will help you.

It is time to live the grace that I spill in your hearts, with bravery and courage. Help Me to save your brothers, pray for one another.

This life is coming to an end and a new<sup>24</sup> life awaits you in Me.

How to say to you how much I love you<sup>25</sup>? How to say to you that My tears are for you? Do as I say pay attention, listen to these words, pray for the one who writes them with infinite love since I am in her.

Do not forget to pray for the Pope, he needs your prayers much since his Calvary begins.

Pray for the places of apparitions of My Mother because they will be especially attacked, satan desires to finish with everything holy to leave you without hope and to get you lost.

Reject the spirit of unbelief every day in your hearts, in My Holy name, do not permit it to dwell in you as it will not let you believe in my signs, signs that I will send you to prepare yourselves.

It is the time to live not to die.

Everything is finishing, light your lamps<sup>26</sup>, watch that they do not go out, as you will not have time to prepare<sup>27</sup> them when the events happen

quickly. Confess your sins and repent whole heartedly, one day you will be glad you obey My orders.

How much is left for the imminence of My arrival? How much is left so that all this happens? It is in the Hands of My Holy Father<sup>28</sup>, He that sees everything, scrutinizes everything, everything is in Him. You prepare your life for the day that it will be before Me, this day will be a glorious day for this world.

Everything will end, evil will be exterminated from the face of the Earth, but first it must be exterminated from your hearts by the efforts of your work and by My grace in you.

It is not time to laugh, but of penance, a happy and joyful penance with the Son of Man, your tears will be wiped<sup>29</sup> by My Hands and your eyes will get lost in Mine when I, Jesus, Am before you, prepare yourselves for this day, it is coming, it is already here.

Do not forget Me in the Tabernacle, say the prayer<sup>30</sup> that I left you with My servant Isabel, pray day and night, it comforts Me and joins Me to you I find consolation and happiness and company.

I love you, I love you children, I love you children, I love you my dear children, be poor and small, look at my Holy Heart, desire to unite with Me; everything is finishing, forgive each other so that My Father can forgive all your sins<sup>31</sup>. Make forgiveness real, do not forget, with concrete acts. Children, children of My Soul, I need you for the final struggle, it is time for forgiveness. Alleluia.

<sup>31</sup> Mk 11, 25

Make a Supreme effort to love each other<sup>32</sup>, to love all the men on the face of the Earth, only love can change the fate of this world. But where will I find a soul willing to love without measure, without limit for love of Me?

“Farewell<sup>33</sup> children, I go away now but I will return”, return to you Jerusalem, city of My heart, where you stone prophets and kill them, but I will make of you a new city full of glory<sup>34</sup>.

Wait children, wait, work for there is no longer time, the time is ending.

Hail Mary full of grace.....

Pray, pray and remain united to Me<sup>35</sup>, do not let go of My Hand. I won't let you go<sup>36</sup>.

<sup>32</sup> Jn 13, 34-35

<sup>33</sup> The Lord bids farewell. But I noticed much more about His Presence when I started writing down this message. During the dictation it had not been difficult for me to write many pages. But because of my illness and my effort to write clearly so that the person that puts it together will be able to understand it, I was exhausted after two pages. I had to write down in between breaks I took to rest.
