

**TWELFTH MESSAGE      JUNE.7.2015**

Glory to God in the Highest and on Earth peace, peace, peace to the men<sup>1</sup> that work for peace among all men of the Earth. Peace to your hearts<sup>2</sup>.

I bring you peace, dear children, in this message of love that I bring to you through My beloved daughter Isabel. Let not your heart<sup>3</sup> be frightened, let your fortitude not tremble because I am with you<sup>4</sup>.

Don't ever be disheartened to follow your Master, even if things become difficult. Did I not say that I would always<sup>5</sup> be with you? Then? Why are you afraid? If you trust in Me, My Words should give you the security in your life to know that you are not alone, that I am present in your life.

Why does your heart tremble before the news of every day? You do not trust that I love your brothers? That I am with them, that I will never leave them, that their pain and suffering is gathered by My angels and as a beautiful offering it arrives before the Throne of my Father. They give Glory to God for their faith, strong and unwavering, they prefer to die than to complain to their God, to their Love, to their Friend, to Whom they loved so much in life and that they will adore in communion with all the angels and saints in Heaven. Let not your heart be scared for the Grace of the martyrdom; it is sweet and soft for the soul although bloody for the body, but the soul vivifies, encourages, and has all the power when they receive the Grace of martyrdom, to give life among the sweet singing of love of My angels.

<sup>2</sup> Jn 20, 19.26

<sup>3</sup> Jn 14, 1.27

<sup>4</sup> Mt 28, 20

<sup>5</sup> Mt 28, 20

I have conquered death<sup>6</sup> and My death has saved you of the despair and anguish in these times if you "abandoned yourself in My love". This is the key, as you cannot deal with it, but with My Grace they received while singing, the Christian martyrs, death by the jaws of the lions, singing and offering their children to martyrdom for love to your God.

For what do you tremble? Why are you scared so much? If I lived through everything in My Cross<sup>7</sup>, so that now you can live the same as I, but relieved, encouraged and calmed by My Cross.

How many tears poured and how much blood shed for you and you do not realize all this, since His death is for you the Seed of conversion and of encouragement in your Christian life. If you knew this, you would thank God for the martyrdom of your brothers. since they are redeeming the world united to the Cross of Christ.

Do not be alarmed by the news that you will hear from now on, do not be alarmed, since I worry for you; I am always with you, I will never leave you alone<sup>8</sup> but prepared yourselves to live the same martyrdom that your brothers did, because evil will advance until there is no place on Earth without bloodshed<sup>9</sup>. It is the end of time and you must prepare children, to give witness to your faith in Me, your Savior.

Tell your brothers of the need to change your lives because time has come to an end and you can no longer live as if nothing will happen. If they do not listen to your words do not worry you have fulfilled your mission<sup>10</sup>; and if they listen to you, help them and direct them to their process of conversion and of change in their lives. It is not easy to return to

the path, it is not easy to leave so much sin in your life, but with the help of Grace<sup>11</sup> you can do everything.

Do not be frightened, because fear paralyses your lives and leads to nothing. Start to work gently for the Kingdom of God<sup>12</sup>, trust in My Love.

I warn you, children, through My dear child of My Soul. She suffers for you, because you do not believe her; but a day will come that you will want to find this message and will not be able to. I choose My servants so that they help me, since I need their help to come to you, I need their voice and their dedicated heart, but: what do I gain if you do not listen to them, if you do not believe them? One day you will be asked to account for not having the heart open to listen to the messengers of My Mercy, of having thwarted My Grace in you. No, children, no, that is not the way. Open your hearts to my words that the Holy Spirit never ceases to pour out His Charisma<sup>13</sup> on this world, to make the light come to all the hearts.

Before The Father I take you every day in My Heart and pray for you<sup>14</sup> incessantly, because this world is walking towards the perdition and the end of its days.

It is late, the afternoon is falling, the sky darkens, a light shines on the horizon: is faith; it is the only light that will stay.

Open your hearts to My messages, messages of love, light and peace, although the enemy wants to dress them of fear. That is a trap that you must save in your life with the help of my grace, poor and small children that tremble before My messages and do not tremble before sin! What has happened in your interior? Who governs it? What has happened in your life that you do not recognize Me? Open your eyes to these Words, because one day you will be asked to account for not believing in them.

<sup>12</sup> Mt 6, 33

<sup>13</sup> Lk 24, 49 ; 1Cor 12, 4-11

<sup>14</sup> Jn 17, 1-26

How much pain in My Heart by your rejection of my prophets, men chosen by My Love for your good and your salvation!

How much pain in Heaven for a single word that comes out of My mouth and is wasted!

How much pain in the heart of My Holy Mother for your deaf ears to the voice of My children!

Listen Israel<sup>15</sup> that your God and your Lord speaks to you, who warns you about the imminence of the liberation of this world, which admonishes you for your sins and calls you in the light of the conversion by My Mercy.

Do not lament after not having listened to Me; there will be no time to do all that I urge you today: to the confession of your sins in a deep repentance, to guard and love My Most Holy Body as the greatest treasure of your life; then you will not have it and will weep so much for the time lost in your life that you did not have Me, being so close to you.

O Jerusalem<sup>16</sup>, you stoned and kill the prophets<sup>17</sup> sent by My Love and My Mercy! Why? Why you do not open your Heart to My arrival to your life through the voice of your brothers, that I have chosen in My Love for you, to bring you the truth and Mercy of a God that reduced himself in the womb of Mary<sup>18</sup> to come to this world and to die for you in a Cross<sup>19</sup>?

Oh, Jerusalem of My Heart, of My Soul, you do not listen to your God and Lord! The destruction will come and you will lament of not having prepared yourself to face your enemies who will surround you and will throw you to the abyss of pain; but I will be with you in these moments and will remind you the Words that you did not listen to, because I am here for you, for your salvation, so that you live eternally with your God in Heaven.

Listen to me<sup>20</sup>, out of compassion, that I don't want you to get lost forever, that I shed My Blood for you<sup>21</sup>!

Listen to me dear son, you that read these Words, do you not sympathize with My Love that I would need a poor brother of yours to get to you, that I have lowered and reduced myself, to reach you and even then you do not pay attention to Me?

Even if I perform surprising miracles before you, you would not believe Me<sup>22</sup>, because your heart is closed to Me and I cry for you, because I love you, because everything is being done and fulfilled to be able to save you, but now you must choose: it is the moment of the Grace in you and of your freedom. Choose<sup>23</sup>, decide which is your path and start walking it with boldness, if you have chosen the path of the faith in your God and Savior. Cover it every day with happiness and steadfastness. There is no longer time for hesitation; there is no longer time, time is running out, it should give way to My Glory, to the time of My Glory. We have already suffered enough you and Me. But be careful! If you do not choose life, your suffering will be eternal and will never end, and don't tell me that you're afraid, because you have before you the path to life, of happiness and Joy, the path of your Lord, choose Him. No one forces you to follow the path of death, unless the devil and his agents do, who want to lose your soul forever.

I am here to take you with Me to the Eternal Kingdom of My Father and to free you from the claws of the evil one, but he listens to My voice that shouts and begs your conversion.

It is late; the moment of your liberation approaches, but before this you must pass through Calvary. No one is greater than his Master<sup>24</sup>. Your Calvary will be proportional to your strength. Your cross is weighed and measured. It will never be greater than what your strength can withstand.

I speak to you with rigor, as to strong and brave soldiers<sup>25</sup>, because in battle there cannot be another language when the enemy is about and surrounds you. Truth is necessary otherwise he will end up with you, and your Captain wants the liberation and salvation of his army. The risk never diminishes when you go to fight the enemy, but it is assessed with absolute clarity and truth.

Truth will take you to victory. Lie to defeat.

I Am the Way, the Truth and the Life<sup>26</sup>. Choose your path in your freedom. Your ways are not my ways. Children follow me! Walk on My ways, Let Me save you from the enemy and take you to the Kingdom of My Father. Alleluia.

Glory to God in the highest, and on earth peace to men who the Lord loves<sup>27</sup>.

Children, I love you, help me to save your brothers, to saved them all, and to take them with Me forever to the Kingdom of God.

Oh children, how much I love you, out of compassion listen to Me, listen to these words as they come out of the mouth of your God! Do not look at your poor brother who brings them: only hear his voice, his voice is Mine.

One day you will be asked to account for all your contempt towards My prophets. listen to my voice, listen to this message that comes to you by My compassion! And warn, warn your brothers.

"Your word is a lamp for my steps<sup>28</sup>". Repeat it day and night and it will light your darkness.

Oh children, if you knew how much I love you! Love your Savior. Amen.

Never get tire of looking at my Cross. I Am on it for you, Lamb of my flock<sup>29</sup>. Do not get tired of contemplating My Love and listen to My lips: I Love You son of My Soul, son of My Passion. I love you and I return for you, to take you with Me to Paradise. One day you will feel happy to have read these words and had put them into practice in your life, and have taken them with your love to your brothers, My beloved children.

I love you My children, I take you all into My Heart, do not leave me alone in the Tabernacle, do not forget Me.

Goodbye children, I love you. I, Jesus, Am always with you.
