

**MESSAGE 16      OCTOBER.7.2015**

Oh beloved children, children of My soul, How long have I waited for this moment in My Holy Heart and it has finally arrived!.

The day has come for our encounter; prepare children to receive the God of Heaven. He comes into this world with love and compassion. One day I will be in you as you had never imagined, it will be a day of rigor and of love. Who will be able to endure it? Stand before the Son of Man and watch your lives pass before Me, your whole life, every moment of your life, since when you were born up to that moment in which you stand before Me. It will be a day of Love and Justice, Mercy and Peace and an immense pain in your hearts for each of the offences of your life to your God and Lord.

Prepare children, that one day you will be glad to live through these words in your life. Let it not find you unprepared.

You will contemplate the Love of the Father in the affectionate plan<sup>1</sup> of your life, and a response of sin in your hearts for so much love, to a plan of the most beautiful love that exists. But have courage children, that I will support you with My Mercy.

Heaven awaits expectantly this moment: the moment of glory of the souls who, are remorseful of so much pain caused to the Heart of God by their sins, they will weep and in a sea of tears wash away all your sins with the baptismal water of the grace of the gift of tears<sup>2</sup>.

If you knew in your hearts the pain that, because of your sins, you caused to your brothers and to your souls because, children, sin wounds<sup>3</sup> all

that is holy and everything created by Love of your Father who is in Heaven.

How much pain you caused in the heart of my Holy Father with your sins! How much pain you caused in the lives of your brothers and sisters! And how much pain for your soul, created for love<sup>4</sup> from all eternity!

Prepare yourselves with frequent confession and that day will be more bearable. Each confession that you do decreases the pain of that day on which your soul will appear before the Tribunal of God. Be ready. It will be a day of glory for the Son of Man, since your tears and repentance will give Him the Glory deserved for His sacrifice in the Cross.

Prepare yourselves with frequent communion, because the grace of the Sacrament resets you baptismal innocence.

How much pain for the souls that shall not be prepared by the disbelief that has placed in their souls the roaring lion<sup>5</sup> who only wants your doom! Come to My holy priests and ask them for the advices that you need to prepare yourselves for the particular judgment of your souls. They will take you to My Holy Heart with their wise<sup>6</sup> instructions received from my Holy Spirit for you, and will be a channel of My grace for your souls and the day that you appear before Me, a day that is approaching, will be more bearable to you and you will even find the comfort of living in your souls the infinite Mercy of My Holy Heart.

The judgment corresponds to the Son of Man by the Will of My Holy Father<sup>7</sup>, and the Holy Spirit, who dwells in you<sup>8</sup>, He will illuminate your consciences, and in this way you will see everything in the same moment that you lived through it in your lives.

Do not worry about this moment, if you prepare yourselves with rigor and with sweetness, since to be before the the Son of God will be the biggest and most beautiful moment of your lives. To be before the One that so much loved you, who gave his life<sup>9</sup> for you. Your eyes will be filled with the light of God and His infinite love for you. It will be that infinite Love which will make you live a repentance and a pain in your hearts for your sins as you never thought that there could exist so much pain.

I warn you, dear children of the soul, by my dear daughter of the soul, listen to her because she takes My Salvation message to a world that does not want to listen to the soft voice of its God<sup>10</sup>, that warns him with rigor and with love of the end of a few days that they will sow the terror and the panic in this world and in your lives, because of the evil of Satan that is already in this world like he has never been before. But children, do not be afraid, for I Am with you<sup>11</sup> and will not let go of your hand<sup>12</sup>.

Do not be afraid of who can do harm to your body and give you the Crown of glory that does not wither<sup>13</sup> for your witness of faith and love for your Redeemer<sup>14</sup>. But be afraid of the one that can lose the soul<sup>15</sup> and take it to the eternal damnation.

I warn you, My dear ones, listen to My words and put them into practice. Listen to my words, let them reach your hearts and take root and become a leafy tree in which nest the birds lost and tired of this world of horror and injustice, and will find in you the light and love they need to get back to Me and find the same way that you live through My Mercy.

Invite your brothers to your prayer. It is delightful to see you gathered in My Name, around My Blessed Body and in the presence and with the

assistance of my Holy priests, who do not skip nor one tittle of My Gospel and care with infinite love and gentleness My Most Holy Body. I am glad to see you go to confess your sins with repentance and joy. I am with you.

Courage, children, do not be scared at the bad news that want to prevent you from living through My words. I support you and take you in My hand<sup>16</sup> and I will not leave you, not matter how bad things become. Or do you think that I will urge you to do what I will later not protect you from so that you can live through it? Have faith and trust in your God. Do everything that is in your hands and later leave everything in Mine<sup>17</sup>, that I take care of you and everything that is written here for you.

Fear not little ones of My soul, and smile for the love and the grace that you are living, do not be sad My dear children of the soul.

Take care of the Pope with your prayers and hold your criticism of My Holy Church; you not do any good to My plan of salvation by wounding the head. The whole body<sup>18</sup> is Holy because I vivify it and My Grace is in her. Forgive and leave everything in My Hands. Pray for those who blaspheme and commit heresy<sup>19</sup> with their words and deeds and are at the forefront of My church. Pray and do not scandalize yourself<sup>20</sup>, think that all this had to happen because sin is in all men and even more attacked are the ones with more weight of responsibility in my Holy Church, but never follow what you know, that does not belong to Me<sup>21</sup> by My Commandments, by the Gospel and by the Light of my Grace. Never, never follow it since the Church must be purify with rigour, with launderer's soap, and the hearts of all My children should be tested<sup>22</sup>. So that in this

world justice is done, the injustices and the cruelties that exist inside men<sup>23</sup> have to be seen.

Do not be alarmed, remain always united around the Pope and pray for him, since all that I told you will happen, but My Holy Spirit<sup>24</sup> will never leave My Saint Church, He will always be with her until the end of the world.

You will suffer the disunion in the family of God's children. You will suffer the disgrace of My friends. You will suffer the rupture among God's children but I Am with you and the one that continues My Way will always walk in the Light of My Grace. They will not confuse you if you do not want to be confused, you will not be dragged by evil if you do not want to be dragged, but for this you must not separate of the Sacraments and of the Light of the Gospel<sup>25</sup>. Never make a single concession, because after one comes another and so on until you end up separating from Me without you noticing. No children, no, that days of rigor and confusion are coming to this world.

The Gospel and the sacraments. Be steadfast in the faith<sup>26</sup> that you have received.

Your Mother in Heaven watches over you at every moment. Do not be afraid, She has the control since She has received it from the Father to lead this final combat, provided that you obey Her words: "Do whatever he tells you"<sup>27</sup>. Only in this way you can firmly hold on to her hand. The one that does His will and separates from My Words releases himself from Her hand and inevitably falls into the precipice of shadows and darkness and there he is pray of the fallen angels who are looking for those souls who are wandering in the midst of the darkness of their sins. And what sin is in man

when he rejects My Holy Will, My Words! It is the sin that leads to eternal damnation, because when My words are not in your lives then words of the world are in its place, those of your passions, those of satan. There is no middle term: you can not live the Gospel and your will which is inclined to sin and concupiscence.

Courage children, that all of this is for your good<sup>28</sup> and one day you will be happy with Me in Heaven. Still a little more time, but after, you will see how everything has been for the good of souls who love and will love God. Since this is your work in My harvest, not only to worry about your salvation, but also about the salvation of your brothers. Souls that still do not love Me, will love Me. Blessed the work and effort of him, who leads to My Grace a single soul<sup>29</sup> that snatch from the claws of Satan will live in Paradise, because of the effort, prayer, sacrifice and penitence of he who Works tirelessly in My harvest.

Courage children that the day when you will be happy with Me is approaching. Courage children, that I take you in My Heart and do not leave you. I will always be with you<sup>30</sup>.

It is time to work, fight and love My Salvation above all that the world offers you. Do not pay attention to those who speak to you about fears<sup>31</sup>, they still have not opened their hearts to My Mercy in these words that I send you through My instrument. Sympathize with their unbelief and of the grace that they are not taking advantage of in their lives, and pray for them with love, with mercy.

The house will remain empty, the luggage will be in the door, the heart will fill with happiness because a new world is still to come and you are

<sup>30</sup> Mt 28, 21

<sup>31</sup> Jer 1, 17

called to live in it. Set off with happiness although at the moment you have to suffer a little<sup>32</sup>.

Do not open the door to the enemy, to the enemy of your salvation, he does not want that you set off towards Me, he wants you to stay in this world caught up to him.

“Set off towards Me” means to detach yourself from everything around you to prepare yourselves and to live waiting for the day in which I, Jesus, will come. Let the words “Come Lord Jesus”<sup>33</sup> stay in your heart.

Hold on to Me firmly, to My Cross, in it is the salvation<sup>34</sup> of your souls.

Do not be afraid of the roaring lion because I, Jesus, have overcome him in My Cross<sup>35</sup> and by My Blood you have been saved<sup>36</sup>.

It is a time of penance, of preparation for all that is to come, that is already coming to your lives.

Do not get alarmed, think that everything had to happen and you must live through it with peace, with the peace of the child who suffers, but is caught by the hand of his father and that confidence in his love consoles him and gives him peace of mind knowing that he is there and nothing bad will happen.

There is only one evil that you should fear: the loss of souls<sup>37</sup>. Fear it, children, as the worst evil, the eternal evil. Everything else: the pain, the suffering of a troubled and lost world, suffer it with patience in your lives because even though it will do you harm, but what about the pain of the cross compared to an eternity of love beside the Son of Man?.

One day you will know the Eternal Love, Bottomless Love that exists in My Heart for each one of you. That day you will be supported by My Mercy so that your weak human condition could see, know, the Love of God for you, dear children of My Soul.

What is happening in your hearts that you are not expecting with joy my arrival but with fear? Why do you not wait for the big day that is to come with hope, with love and with happiness as one waits for the one he loves.

Desired to be with Me because your liberation<sup>39</sup> is coming. Bear in mind My Love in every moment of your life and your life will be fill with happiness even in the middle of the test.

Children wait for Me, wait for Me, that I come to you soon, beloved people of Mine, Israel, love of My entrails.

I never said that it would be easy, but I will always be with you.

Peace, peace to you<sup>40</sup> dear people of Mine, I carry you tattooed on the palms of my hand<sup>41</sup>. Although a mother forget thee, I will never forget thee<sup>42</sup>.

and Majesty<sup>47</sup>. His is the power and the judgment of this world. The judgment has been given to Him by the Eternal Father because He surrendered to the Will Of the One that governs the Heaven and the Earth and the Abyss, and died on the Cross<sup>48</sup> in the Perfect and Sacred act from obedience to the One that gives the Life and the Death. And dying gave us life, redeemed us from sin and opened the doors of Paradise<sup>49</sup> for the children of God. He is the Alpha and the Omega, the Beginning and the End<sup>50</sup>. He was insulted, slapped<sup>51</sup>, abused and crucified<sup>52</sup> by men who did not recognize the son of God<sup>53</sup>. But now He comes, comes to judge<sup>54</sup> the world by the blood He shed, shed to atone for our sins<sup>55</sup>.

He comes with power, among clouds<sup>56</sup>, with the Glory and Majesty that is due to Him. There will be no more death, nor tears<sup>57</sup> because all sin and evil have been defeated by the Blood of the Lamb<sup>58</sup> and behold He cometh to redeem man from his captivity and establish the Kingdom of God<sup>59</sup> in the world. You saw Him crucified, you will see Him Glorious with the Scepter of Control to judge all the nations<sup>60</sup>. You saw him bloodied, disfigured, you will see him in a Beauty and Handsomeness that will radiate the Good and the Light to the whole Universe.
