

**MESSAGE 17 NOVEMBER.7.2015**

I call you today my people to hear My Holy voice<sup>1</sup>. I have been waiting for the moment to be with you, for sometime, My people, come and listen to My voice. Now and forever you will listen to your only God and Savior<sup>2</sup>. You will respect what is written here for you. Today is the day of fury of the only real God, because I speak to a rebellious people who have not wanted to listen to the voice of their God<sup>3</sup>.

Oh My people, I have been always looking for you but you do not recognize me. How long I have wished this moment to be next to you! Today is the day, that day expected by my Holy Heart. Come; come closer to Me, that I am going to talk to you.

The time of Justice has arrived. The time of love is here, because you moved away from Me, you preferred to continue your ways to the ways that I had prepared for you in My infinite love for you.

Listen, sit by My side I'm going to talk to you. Son of My Soul, listen to My voice<sup>4</sup> in the silence of your heart: repent<sup>5</sup> of all your sins, make a serious examination of conscience of your life. Put your life in order, and come, come to Me in Holy Mass and approach Me in the Eucharist<sup>6</sup> to receive Me in grace and full of love, because this is the path of your salvation.

Today I speak with seriousness and rigour because, you do not pay attention to Me, My people, you keep on banqueting and amusing yourself

to your content and have forgotten to what today I urged you to: to put in order your soul, heart your life for My Arrival<sup>7</sup>.

Come, sit by My side, let's talk, as friends, as brothers, sit with your God and Lord, with your King and Savior and look at Me. Look at Me and listen to My words: Oh son, if you only knew what suffered for you<sup>8</sup> in My Calvary, in My agony, in My cross! If you knew the pain not only morally, but also physical and distressing that I endured, joined to the pain of My Spirit and to the pain of seeing My Mother at My feet, plunged in the deepest and profound pain that exists! I saw; saw her pain, her helplessness, her agony next to Mine<sup>9</sup>. Oh My people: What have I done to you, in what did I offend<sup>10</sup> you so that you treat us this way? Today this pain can be consoled by you, by your love. Join in My pain, the pain of My Mother for you, and repair, repair this pain with your obedience to My words.

A new world is coming but now, but now, still, it is necessary for you to suffer a little. Prepare son, prepare with love, because I am at the door and I am calling<sup>11</sup>. Will you open it to me? The door will be opened by your diligence in the obedience to My words.

Come son, come that I wait for you in the confession of your sins. I am the one that is waiting for you, I hear your sins, I embrace you in the moment of the absolution, I wash your stains, I wipe your tears and heal your wounds; I give you the strength to continue the path and I prepare you with My grace to greet Me in communion.

The priest is My minister but he can do nothing without Me; the gift is given by Me for your salvation. He is a man and a sinner like you, who must also approach the sacrament to ask for forgiveness for his sins.

Oh children, what little time you have left and how clueless you are! You do not advance as I hope for to do my work in you because, children this not is only for you, is for all the lost sheep of the chosen people of Israel<sup>12</sup>.

Put yourselves to work, there is no time, the time is ending. Put your life in order to be available for work in my harvest<sup>13</sup>.

The things of this world dull your mind and occupy all your time and you hardly leave any to My service. Not children, no, I already said to you that you must be ready to be docile<sup>14</sup> to My voice, free and light of the baggage of the things of this life that occupy everything. As a feather in the wind, free to work and obey the holy inspirations of My Holy Spirit<sup>15</sup>. Do not be fooled by the great trickster who ties you to this world so that you cannot release yourselves from him.

Be prepared to listen to the voice of your Captain as faithful and strong soldiers since the battle has begun.

Days of rigor will come to this world as you have not known and you children, elected of My soul, you will have to fulfill My orders. Orders of love and strength to fight against the infernal enemy that seeks to take over all the powers of this world: civil, ecclesiastical and military; and thus give battle to the people of God to exterminate them from the face of the earth.

But My army led by My Holiest Mother will present him a hard and fierce battle, which he will never be able to win, and he knows it, that's why these days of battle he will try to do all the damage that he can to My holy people, because he knows that his defeat is sure and certain; his anger is uncontrollable and his power of destruction limited, will give the great

battle to the world in which two-thirds of humanity<sup>16</sup> will die. Do not be frightened because life must begin after this world is cleaned with laundrer's lye of everything dirty and corrupt, of so much cruelty and evil as it has extended by the forces of evil and has reached all corners of this world that lies agonizing waiting for its resurrection<sup>17</sup>.

Yes children, listen to My words because I am forming My army, the army of Christ, of Good and Kindness, of the suffering and the poor that follow My Holy Gospel to the point of giving up their lives for it if necessary.

How long I have waited for this moment in which heaven and earth come together in the way of salvation like never has happened children! My holy angels will come down as a huge army led by my Holy angel Michael and will help you in the battle. You will feel his protection and help, his company and his assistance as you never have. They have never been sent to the world as they will be sent now, because you need the help of heaven for this final battle.

It is time to gather the cattle, close the fold, looking at the sky, sit in a quiet place and put in order your life, your soul. You are everything, soul and body, also your life you must attend and put in order for My arrival, your soul needs the peace of a life in order.

It is late, the night is coming and the powers of evil will take possession of this world. Be prepared, come along with Me. I need you to save so many souls, as they walk lost, wandering for ways of sin and condemnation.

Do not be alarmed by bad news but live alert. Do not be afraid, but stay united to Me<sup>18</sup>, since outside of Me you have no salvation and Your suffering will be so dreadful that you can not suffer it. What father loves

his son and does not warn him of the evil and of the dangers? It is My duty to warn you of the evil that the Earth is going to suffer, because I love you and carry you in My Holy Heart. You are Mine and for you I gave My life on the Cross<sup>19</sup>. Do not forget My warnings, My reminders and put yourselves to work in the way that awaits you in the fight, since this world has already begun to be swallowed up by the infernal enemy. Do not let yourselves be seduced by his errors and lies, be strong and always use My Holy Gospel as answer to his errors and heresies. In My Words is the Light<sup>20</sup>; out of them are the darkness and evil.

Have pity for those that have abandoned My Holy Words and are on the path of evil, some of them knew My grace and were called by My Holy Heart to serve Me but they have left Me and have allowed themselves to be fooled, cheat, seduce, by the infernal viper and, like children of evil, they help all his plans of fighting against My people. Those who were your ministers of God, have become your executioners, have pity of My Holy Heart, because it is the scourge that hurts the most and makes My Holy Heart bleed, is the kiss of betrayal that I receive so many times.

Console Me with your respect and obedience to My Orders and My Holy Gospel written by the Holy Spirit through My holy prophets<sup>21</sup> and My own friends, who lived in this world next to Me. They are My Words! And they will never be erased<sup>22</sup> by those who seek the destruction of my people, whom I love day and night with an infinite love, without measure, and I will defend for My honor. Those who ruined the life of My children will be judged, with severity and justice, there will be not place where they can hide, I will find them and they will receive the blows that gave to My holy people, all the damage that they did to My Holy people will turn against them! Oh, that day will be a dark and black day for those who knocked down and misdirected My Holy people! Oh, what a day of sadness and darkness they will live! It would have been better for them if they had not been born, they are promise happiness now while destroying My people,

but the day will come when their eyes will not see the light for the evil that they did by having joined Satan's ranks.

I will defend My people as to My Glory and I will give him a Kingdom of Love, of Peace and of Justice<sup>23</sup>. He will live along with Me in a world clean and full of love.

I will do Justice to My holy people, to the people that continues following My ways, that suffers and weeps for the injustices and the cruelty of this world, but who does not let go of My hand, because his heart is next to Me, he loves Me and gives glory to God with his life. Amen. Amen.

Prepare My people to be led by your King and Lord. Do not let go of My hand. I love you and you will defend you. I will seal your forehead<sup>24</sup> and you will be respected when I send the calamity to this world, because I you know: I know of your sufferings, I know of your firmness to follow next to Me, for belonging to Me, and I will reward your loyalty. You are in my hand and no one can snatch<sup>25</sup> you out of it, evil will not reach you, neither the disastrous plague because my angels will recognize you and protect you<sup>26</sup>.

Oh glorious day in which My children will be sealed<sup>27</sup> to be freed from all evil and protected from all evil! Oh glorious day in which they will see their God, in their robes washed in the blood of the Lamb<sup>28</sup>! Oh glorious day in which your ears will hear My Angels choir! Children, the glory that awaits you is infinitely greater than the evil that you are going to suffer<sup>29</sup>. Courage! There is worth in the suffering that you must pass to reach the eternal glory<sup>30</sup>. Alleluia.

Oh glorious day on which you, my people Israel, will recognize the coming of your Messiah! Because I was in your streets, in your homes, I prayed in your temple, I came across you and you did not see Me, you did not recognize Me<sup>31</sup>; the time now comes that you look at the sky and your
