

**MESSAGE 24      JUNE.7.2016**

Oh Israel, how long I have waited to be among you as I was at the beginning when I first came down from Heaven<sup>1</sup> for you, for your love. Oh My people, love of My innards, rebellious and uncontrollable people, but the love of My Heart.

How much My Heart has loved My people, how much it loves each one of my children because for you Heaven dressed itself of gala so that I would be born of you, My people, incarnated in a Virgin<sup>2</sup>, daughter of you, Israel. The chosen one of God the Father, whose beauty exceeds everything that your mind and your mortal eyes could and can see.

My mother is the flower of paradise, the Queen of the stars and the angels, of the saints and the martyrs, of all creation. She was before you, she was with you, of the hand of her husband Joseph, with her Child in her arms she presented<sup>3</sup> herself before you, Oh My people, with the Son of God, the Son of her womb. But you, My people, did not see the greatness, the treasure, the jewel of paradise which the Holy Father put before you by His infinite Mercy to a rebellious and uncontrollable, hard and obstinate people that having their Savior with them, did not recognize Him.

Now comes the time of My Second Coming<sup>4</sup> to you. You will see Me coming down from Heaven with Glory and Power<sup>5</sup>; and the Queen of the Universe crowned with stars<sup>6</sup> with all the splendor of the jewel and the flower most precious of Paradise, will be before you.

Oh Israel, having it all before you, you remained poor and gloomy, walking, wandering looking for your Savior and did not recognize him when He was walking next to you, when the Mother of the Savior was among you with her purity and sweetness that would have radiated rays more powerful and stronger than the sun that shone in between you and your lives.

Oh Israel: do not your insides shake before such a loss of your heart? You are not worthy of having been chosen people of God, but My heart is moved before your children<sup>7</sup>, children that followed my ways and loved the Only God, children happy and strong in Grace that renounced their lives for love of the Only God; because of them, children of the lineage of Abraham, of Jacob, of David<sup>8</sup>, My Heart is moved and searches for you again.

There will be no more time for hesitation, there will be no more time for confusion, it is time to make the light in your hearts and in your souls because a Child has been born<sup>9</sup> of you, a Savior<sup>10</sup> has redeemed you. God the Most High takes his scepter of power<sup>11</sup>, He will come gloriously<sup>12</sup> to the Earth to end all wickedness, all disbelief, all unrighteousness.

Oh children, the bells of Heaven ring in Glory because the world waits for its Redeemer. How many hearts yearn for My coming, waiting for the time of the encounter with the Savior! The entire Creation wails with childbearing<sup>13</sup> pains because the Day of the Illumination nears. I will be before you, the Lord of Lords, King of Kings, the Son of the living God.

Oh how many faces will smile joyfully when I arrive! Because they expect the glorious resurrection in the Lord. Oh children, how clumsy you

are: you do not read the Sacred Scriptures, you do not meditate in the silence of your room, only speak and speak but you neglect the preparation of the heart and of the soul; and the Lord will come suddenly<sup>14</sup> as lightning in the storm and will find you unprepared thinking and speaking about your things and: what will you do? How will you prepare, in a minute, your heart and your soul of all the filth and the sin that there is in it?

Arm yourself with courage to face your own life, do not speak so much about the brother<sup>15</sup>, remember that a whole world of work and determination awaits you for the salvation of your soul with Me. Do not neglect your examination<sup>16</sup> of conscience every night, let your sins and errors be before you day and night so commending them to your Holy Guardian Angels and with the protection and the help of My grace, your heart is see free of all evil for My Arrival.

There is no time, you will say that you have already heard me say this many times, but it is because you do not pay attention to Me, you continue in your things; although there are children who are thinking and living with the rigor of the last days of this world that is walking inexorably to the end of its days.

Life has a time<sup>17</sup> and then ends, but eternal life is forever<sup>18</sup> and you do not think about this; you allow yourselves to be carried by what is feeble and ephemeral without thinking about the serious consequences that this has for your salvation.

A day will dawn with something new in your lives, and signs will begin to happen very quickly, I have already warned you so in other messages; the events will happen so fast in succession that you will have not time. Now, children, now take your backpack and your staff and walk

to the exile of this world and to the desert of your heart<sup>19</sup>, so that in there, in a serious and rigorous examination of conscience put all your sins in My sight so that My Divine Mercy destroy all evil that there is and has been in your lives. This requires a step forward, to leave this world. Caught in the things of this world you will not be able. Do not believe yourselves so strong and brave that you will be able<sup>20</sup> to deal with the evil of the world and the silence and the detachment of everything in your hearts to put your life in order. No, children, you cannot. Give your back to the infernal traps of this world inclined to failure and the ending of its days. Children, do not ignore Me, stop living as if nothing happened and would happen. Is time of reflection and of silence in your heart and in your everyday life. Do not forget to live very united to my sacraments, that they are the force and the engine of your change. Live a rigorous and austere life<sup>21</sup>; put on sackcloth<sup>22</sup> and ashes and weep because the time of rigor in your lives is approaching, has already approached.

You cannot live as if everything was going to continue; as though there was a long time still for the events announced in the Sacred Scripture were to be delayed and even to occur in other generations. No children, prepare your heart because the time of rigor is already here.

How long I have waited to be with you again, my people, and walk through your streets in a return to your heart. I will walk along your streets, will enter your houses because I come to every heart be where it be, in the place that is. The day least expected will find itself in front of Me and everything will change<sup>23</sup> in this world that has given the back to its God, and day to day make the Heart of My Holy Father suffer with their sins and terrible abominations.

The Cup has been filled and is the time of Justice, Divine Justice, to dry the tears<sup>24</sup> of those who weep and to catch in my arms so many children who walk wandering and aching, prey of Satan that has inflicted terrible damage on their lives and without remedy or healing in this life.

I speak to you, dear children, through My dear child of My soul: listen to her words; they do not come from her, she is poor and weak, but a dear instrument of My Heart, chosen for the good of your souls from eternity. So are My prophets: poor, weak instruments, and sinners, but elected to bring My Mercy to this world in so needy of My Word; for children, your heart do not retained it in spite of knowing it<sup>25</sup> and it is convenient for you that men and women chosen by Me announce it to you in occurring of the history.

Now the time for the calamity has come, which will give way to the time of My Glory and the defeat of Satan<sup>26</sup> that so much hate and evil, misery and torture and all the evil that is in hell has poured into this world created by my Holy Father for the happiness and joy<sup>27</sup> of His children.

Sinners, children, you are, but beloved until the end by your God, who awaits you in an embrace of Mercy. I wait for you in the sacrament of penitence<sup>28</sup>. Go to it. Wash your stains<sup>29</sup>. Do not leave it for when you could not find My holy priests.

You start working; it is time to give that joy to your Savior: Urge My holy priests to fill all the confessional of the Earth with their presence. To be time and time waiting for the penitents that I will bring them. Tell the world the good news of My forgiveness. Let the sacrament of forgiveness and peace be a time of joy and celebration in your church, that your faces

be cheerfully waiting for the moment to reach the confessional and on your knees say all your sins so that I can embrace you in the greatest love and the infinite Mercy of My Heart.

These are the messages of the Mercy of My Holy Heart, wounded and pierced<sup>30</sup> by the spear of the centurion, so that in him and by him all men be saved.

This is the Year of Mercy, the doors of Heaven spill on this world the dew of the compassion and the salvation. But; who is living through it like that? Say to your shepherds that they should read this message, to meditate it in their heart because they will be called to account for the time they have spent, for love to Me and to the salvation of the souls, waiting in their confessional so that this year all the souls should come to wash their stains in My Holy Heart. Help me children, help Me by compassion!, since, even in souls that receive Me in grave sin by ignorance, My suffering is so great that the entire universe could not contain it. Listen, listen to these words and relieve My suffering! I will repay you one day in heaven where I will love you forever, little children of My Soul.

Take this message to your shepherds and say to them that I speak to them, that I correct them, that I announce to them that they are before the Son of Man and they will have to answer for this Year of Mercy. Because, children, the confessionals are empty, they are not waiting for my children, are in a hurry, have much to do but are not doing what the Lamb of God<sup>31</sup> expects of them; to help remove the sins of the world. Amen, Amen.

Do not be afraid to bring them this message on my behalf, and speak with them.

<sup>30</sup> Jn 19, 34

<sup>31</sup> Jn 1, 29

I want all confessionals of the Earth with the light on warning My people that Jesus is there waiting for everyone to forgive them<sup>32</sup> their sins and open the gates of heaven for their eternal salvation.

This is your mission, do not be afraid, do not be afraid of what they would say, because I, the Lord, will ask you for account of this order that I give you.

“Alleluia. Glory to God”, be in your hearts when you take this message to a pastor of My Flock and then to another to accomplish the order that I gave you through My instrument.

Keep going forward children that this Year of Mercy is the last hope of salvation for the world before it reaches the time of rigor and suffering for a world that, even though seeing that it has already come in places and corners of this world, does not pay attention and does not begin reflecting of the seriousness of this time of the history of the salvation.

I give you My blessing, and bless, every step that you take children to help Me free so many souls of the claws of Satan.

Light up the Confessionals in this world, that there I want to be with the priest and in the priest, to bring the pardon and the compassion to all the souls. Amen. Amen.

I urge you, children, to fulfill my mandate. Do not fear, I am with you and I accompany you always with My Grace and My Power. May the Holy Spirit be with you. May your heart be temples of My Holy Spirit<sup>33</sup> for the Grace that lives in them. Never cast out of your life My Holy Spirit<sup>34</sup> due to sin, do not allow it!

Work in My army of salvation of the souls, My beloved souls for whom I shed all My Blood<sup>35</sup> on the Cross.

I love you, children, and farewell. Fulfill My mandate and one day all your efforts and sacrifices will pay to you in Heaven.

Work for the Crown of Glory that does not wither<sup>36</sup>. Amen. Amen.
