

MESSAGE 26 AUGUST.7.2016

When the stars of the sky¹ fall down and the sun is darkened you will know that I am God, and that My Word² is more stable than the sky. You will know that there is no God besides Me and My Word lasts forever and ever³, that there is no other god under heaven or another god in the entire universe, nor into the abyss nor the recesses that your nature can reach and know.

Why you, My people, do not believe in My words? If you believed in Me your heart would beat full of exhilaration before the events that come, but you are in your things, My people, hard and obstinate⁴ heart, you do not repent of the evil that exists in you and continue your ways, ways of perdition.

You do not read the Sacred Scriptures; you do not read My Words where your salvation and the way to follow are. And when my envoys come to you, to say what already is disclosed in them, you do not believe them, My people.

What can I do with your hard and obstinate heart? Where will I go to look for you to save you from the hard and terrible events that are going to ravage the Earth? You do not want My hand, and when you finally take it you let go right away because you go your ways. O My people, hard and stubborn is your heart, but only in Me you will find the peace and comfort, Light and Salvation that your soul longs for.

Where will your Good Shepherd⁵ go to seek you, My people, if you hide from Me and flee from your Savior? Play with the salvation of your soul no

more, for hell opens its doors every day to swallow the souls that are not in the hand of the Savior, who do not accept His Mercy and, loaded with their own strength, run down paths of perdition and pain of their souls. Your strength is Me, My people; do not seek your salvation in yourself or in men⁶ like you who cry out to Me in hiding from their bed because their lives are as fragile as yours.

O my people, where do shall I go with a people that moves away from Me and leave Me at every moment of their life? You have not other guarantor than your Savior, the Christ, who had come⁷ to save all men of the infernal enemy with the price of His Blood⁸.

Do not seek your salvation in idols of clay⁹ that will never come to your call for help, to aid you.

This world is lost; it is lost and wonders aimlessly without direction on paths of darkness and sin. What will I do with you My people? I send My messengers to the doors of your home and you do not open them, you do not pay attention to them, you do not listen to their words that they bring on behalf of your Savior and laugh at them, insult them and curse them, What will I do with you My people? Where will I go to look for you? To your filth, I go; to your house; your business, I go; the squares and streets, I go. But you do not see Me. You fake an encounter with Me. Your life claims love, I give it to you. Your life claims peace, I have come to give you Peace¹⁰, the Peace that never leaves in spite of the inclemency of the events that your life pass through. You long for love and My Heart is a fire burning day and night of Love¹¹ for you. But what do you want from your Savior, My people?

The Year of Mercy that I announced¹² to you through My dear child Isabel, My favorite daughter has arrived, and you are wasting it, you do not amend, you do not listen to Me, you continue and continue in your sins and I wait for you, I wait for you every day and every night, I wait for you in the priest that you see in the confessional, I wait for you without tiring, because there is no time. Time is running out and you do not seem to realize the importance of My words, because there will be no more time of salvation as you have now.

Oh Corazin¹³, oh Jerusalem¹⁴, there will come days when you will seek Me and I will not be, I will no longer be in the Tabernacle for you because the Churches will be close and you will not be able to come to be with Me. Now is the time of Salvation, the time to come to your Savior, but now, My people, I am alone, you do not come to be with Me, you do not make use of the time that heaven gives you to save your soul with the peace and the safety that I am waiting and the priest for you, put by Me for you, also he waits for you every day.

Tell my priests that I expect a response of courage and of delivery in these times where My sheep are scattered¹⁵ by the fear and terror of the coming events.

Oh Corazín, if I had put My treasures of Salvation in other souls I would now have an army of salvation by My side, but you are stubborn and waste My Grace every day without mattering that the Master of the harvest will come and ask you for account for each of My Graces that by My Mercy I put in you.

This is no time for hesitation or thinking that there will be time, no children, there will be none because the roaring lion¹⁶ seeks and is finding

who to devour, people whom you hold as holy will fall on you and will devour you because the deceiver will want to deceive even the elect with bitter and deceitful lights that will lose your soul if you do not accept the Only Light that you know: My Gospel¹⁷. Don't be fooled by those who say that they come in My Name and do not fulfill My Holy Gospel; they only want to lose your soul.

Do not pay attention of those who point out the day and the hour of My arrival, they do not know and believe that a man can amend the Word of God with his tiny and small wisdom. Not children, the day and date only the Father¹⁸ who is in heaven knows but the signs of the times¹⁹ do bring you closer to that Hour set for your Salvation and thus you will know that the clouds indicate a downpour.

Do not waste time in your things because the Son of Man will come suddenly²⁰ like the thunder in the storm and nothing will remain without knowing that it is the Moment, it is the the Hour that has come. It will catch you suddenly and you will mourn your negligence for not having listened to My words.

Oh souls of My Father, who were delivered to Me by Love to give My Precious Blood²¹ for your Salvation, listen to the plea of your Savior: Set out in this Year of Mercy to save your souls and help Me to save the souls of your brothers.

Do not get impatient with the events that occur, all is set for the good²² of those who love Me, nothing will happen without the permission of Him

who governs²³ all things and causes the world to tremble with only His glance: My Father who is in heaven.

Get down from your pedestals, turn to Sacred Scripture, put on sackcloth and announce My return to this world, with humility and tenacity.

I am coming back, children, I return with a severe judgment, full of Mercy for all souls. No one will enter My Kingdom without the particular encounter in My Heart and the purification that your soul will need. Your soul will be purified like gold²⁴ in the crucible. The Great Tribulation²⁵ will be the lye that your soul needs to enter My Kingdom, a Kingdom of Peace, Justice and Love where joy will reign day and night.

Don't be alarmed, let nothing make you tremble if you hold on to My hand nothing will happen to you.

Your Mother is watching over you with a maternal love, defend her from the insults of the infernal wolf who spreads errors and dislike against the Queen of Heaven. The Queen of the Creation is his biggest enemy since she is the Mother of the Savior²⁶, the favorite Daughter of the Father, the beloved Spouse of My Holy Spirit. Defend her from those who do not love her because I gave her to you as a Mother²⁷, and one loves a mother and defends her with the whole heart. Be good children of the Mother who gave you the Savior who in heaven waits for you to give you all her love, when you arrive with your souls washed in the Great Tribulation. Forget fear and when the infernal enemy harasses and chases you say: "I am a son of the Mother of the Redeemer. Ave Maria" and he will flee from you full of terror.

Farewell children, I leave you with the task to bring to My Holy Heart all the lost souls who move away from My Love. Go to tell them that I die for their love, and to approach Me in the sacrament of confession. I will forgive all their sins if with sincere repentance they approach forgiveness. Go, children, go after My lost souls, that one day I will repay you in heaven with all My Love.

Pray for the one who brings you My Words of comfort, of love, of Light and of peace and for her director since in their path there are and will be thorns that they would be only able to live through with prayer. I do not leave them out of My hand and My eyes follow their footsteps with love, one day in heaven I will pay them their determination with My Love.

Farewell children, go to work²⁸ in My field that the harvest²⁹ is approaching and there is still much work in the field of Salvation.

Leave My Words in your heart that the Holy Spirit will remind you that your work should come to fruition in the good of Salvation.

Silence

My chariots of fire³⁰ will come and will end up with evil but until then there will be calamities in this land of sin that has not wanted its God.

Hold on to the Cross³¹, it is your only salvation in convulsive times where there will be no other light than My Holy Gospel because it will be difficult for you to access My sacraments. Come now when there is time and My holy priests are with you, with all of you. There will come a day that finding a priest will be a treasure that you can not even imagine, because they must live hidden to save their lives and take care of My

people in hiding, hidden from the forces of evil. Protect them with your prayer and your sacrifices, as the roaring lion will give them the most cruel final battle that has existed and will exist, he wants to put an end to them to cut, to break the channels of My Grace that come to you through them: My Sacraments.

Do not be disheartened, fight by My side as strong soldiers³².

Bring souls to the source of My Grace. Amen, Amen.

No one is more than his Master³³, you must follow My ways, you must go through My passion but I will be with you³⁴, at your side, I will not leave you.

My Church must pass through the Passion of His Lord³⁵, must live My Passion. It will be the definitive union between the Church and the Savior³⁶. My Church will be fused with Me; it will not be distinguishable from Me when it lives the mysteries of My Passion. It will be purified with love and with rigor. It will be nailed to the Cross of the Savior, and when it expires, will rise as its Savior.
