

**MESSAGE 34      APRIL.7.2017**

The Earth and the Sun I founded will pass away, but My Words shall not pass away<sup>1</sup>.

Oh Jerusalem, love of My entrails, how long I have hoped to be before you. The time has been fulfilled. The fixed time comes to its end.

Oh My people, love of My entrails, how long I have longed to be before you. You are an unruly people but the Lord arrives, comes to rule<sup>2</sup> the Earth.

Oh My people, how long My Holy Heart has been wanting to return to you. Now, now is the time, tighten your waist, clamp your sandals and do the fast commanded by Moses<sup>3</sup> and the holy fathers who preceded you and wait, wait at the door for your Deliverer, your Savior, the Holy One of Israel who comes, that returns back to you and brings you the justice and peace that you longed for.

Oh My people, love of My entrails, it did not help you to see Me on the Cross<sup>4</sup>, but now you will see me descend from heaven with Glory<sup>5</sup> and Majesty and you will believe, you will believe that I came to you, that I was before you, that I ate<sup>6</sup> with you and walked<sup>7</sup> in your streets, that I placed My hand upon your children<sup>8</sup> and your sick<sup>9</sup> to give them the Salvation and the health of their bodies and their souls and you will know that it is I who was with you and before you. Now is the time of Salvation,

the Salvation that your prophets announced, that you hoped in your heart, that the world waits in birth pains<sup>10</sup>. Now is the time of Salvation.

Surrender to your stubborn heart that you do not want to see. Surrender to the evidence of those who see, of those who are with Me and before Me and announced to you that one day He would come in Glory<sup>11</sup> and Majesty.

It is late, the night of the times looms over you.

Oh Jerusalem, My people, now is the time to lift up your eyes to remove your blindfold and see, to see your Savior coming to deliver you from the evil and injustice, the oppression and terror of the children of Satan.

Oh My people, look at Me on the Cross, nailed by you<sup>12</sup> and think that it is the time of the last Salvation, listen to My plea to your heart and do not be obstinate.

There is no worse blind than he who does not want to see, you say, for thus it is, children, how many blind are full of light and how many who believe they see are in the sea of darkness and shadows and absolute blindness. You, children, are children of the Light and you must not walk in the sea of darkness, let yourselves be shone by Who is the Light, by the Son of Man who came to bring you Salvation<sup>13</sup>.

A light shines on the horizon; the clarity of the new day is coming to enlighten those who live in darkness and the shadow of death. Oh children, you do not have your lamp on<sup>14</sup>, run and buy the oil you need so that your light shines in the darkness that reigns in this world of sin. Run and buy the oil of your salvation, run children, go to the sacrament of confession and light the light in your soul purified and perfumed by the sacrament and the embrace of the Eternal Father, Run, children, that time is running out, it is over.

A light shines on the horizon and bells of Glory are heard in Israel, it is the Son of Man who comes to rule the Earth accompanied by His angeles and saints that will flood with His presence the streets and squares of this rotten and smelley world, they will bring the perfume and the light of Grace.

Do not remain so low, children, do not stay in the low and rotten things in this world. Aspire<sup>15</sup> to the goods of heaven, aspire to the heavenly treasures and aspire to the Eternal Glory. Stop looking down and look to heaven, do not be satisfied with leading a spiritual and religious life, no children, live the Glory in your life, that your life be the Light that shines. Do not be satisfied with looking at the light, be light for this aimless and lost world headed to the gates of hell forver and ever.

A cry is heard in Ramah<sup>16</sup>, it is Rachel who cries for her children. Yes, My children of the soul, you will weep for your children and you will not have comfort because if they do this with the green wood, what will they do with the dry one? I told you<sup>17</sup> when I was carrying My Cross on the way to Calvary. They will capture you and kill you and you will see your children imprisoned by evil and sin that will end this world leading it to total destruction. But there is a light, a light that is never extinguished: the Light of Grace, of Good and of Love that will last forever and ever. Hold tight to My Cross and let your eyes do not stop looking at the Light. The eyes seek and pursue what your heart longs for, that your heart yearns for Grace and your eyes will not separate from the Light.

I never told you that My way was easy but it is the way of Salvation. Since the infernal dragon corrupted your souls is the path of pain and suffering for which you must walk until you reach Eternal Life. Life for those who have lived in the good of their souls and the Grace and

everlasting condemnation for those who even at the last moment of their life do not embrace My Salvation. Yes, children, who to the last breathe of your life I am begging the soul to hold fast to My Cross that I came to bring you the Salvation and Redemption of your souls. My Blood<sup>18</sup> cleanses you and cleanses you from all sin. Wash with the Blood of the Lamb and you will be clean.

There is not an instant when My Heart does not long to be with you but you are ungrateful to My Heart and you only give me the times fixed by your mind and your reason. No children, give me your life, all your time, during work, as you rest, as you are sharing joyful moments of leisure with your brothers or in solitude, be united to Me and in Me. Do not separate from Me when your moments of being with Me end or the roaring lion<sup>19</sup> will take advantage of all those cracks in which you are not with Me to lose your souls.

Oh Israel, how long I longed to be with you, to dine<sup>20</sup> with you, now I come clothed with Glory and Power among the clouds<sup>21</sup> and you will see Me. The radiant moon will be blinded before the splendor of the Son of Man and there will be no sun that can illuminate those days because only My Light will illuminate the Earth. My angels and saints will come down and fill the Earth with their splendor. Oh children, you have the best in your lives to live, do not remain with the evil you suffer, no children, think of the Glory that I came to bring you, in the Glory that I come to bring you.

It is not a time of hesitation but of a firm and steady decision to remain at My side in the moments of anguish and combat that hang over this Land of sin. Children, it is in this way that I want you to live, united to your Redeemer all the time of your life. No cracks or moments apart from your

spiritual life: thus you will be prey of the demon that seeks and knows your weaknesses; by been with Me day and night you will not leave him open any door.

Israel, start walking, for your Savior is near. Days of righteousness will come; days of trouble will cling to the Earth. Listen Israel<sup>22</sup> to your God and Savior, hear Me out of compassion that I want to save your soul and spend an eternity with you. Come, son, come, come to Me, do not reject your Salvation, do not reject your Savior.

Bells of Glory are heard, heaven is dressed in gala. The angeles and saints will come down, children, they will come down to your side and you will see them, you will see them walking at your side. Embrace, strongly embrace your salvation, it is starting, it is here now. It is a time of Love. It is time to wait for the coming of the Son of God.

Never be discouraged, never children, that the cross is for the brave who embraces it.

Keep the Commandments<sup>23</sup>, they have been placed for your Salvation and are the way of Love.

Go to Holy Mass with your party dress<sup>24</sup> purified your souls in the sacrament of confession.

Encourage your holy ministers to also receive the sacrament of penance before you. No one is more than His Master<sup>25</sup>.

Love<sup>26</sup> each other to the extreme, do not quarrel<sup>27</sup> and let there be no conflict among you but peace and love be always on your lips and conduct.

Ask for forgiveness and do not tire of forgiving<sup>28</sup> so that your Father who is in heaven may forgive<sup>29</sup> you as well.

It is time to walk, put on your sandals and walk the road. Do not let go of My hand. Bells of Glory are ringing in heaven and it is dress for a gala: the Son of Man comes to rule the Earth. Aleluia!

### *Silence*

The fields will be stained with blood, the blood of the martyrs and the innocent, but the harvest of the farmer will arrive and the reaper will come.

Everything then will be accomplished and the last harvest will come and this world will end with the evil that led to the condemnation and the infernal dragon will be thrown into the lake of fire<sup>30</sup> and the gates of the abyss will be closed and there will be no more cry or tears in your eyes and he who perverted your souls will be judged and condemned and his condemnation will be eternity in the lake of fire and in the abyss of hell and the righteous shall shine as lights and inherit the promised Kingdom, their dwelling<sup>31</sup> place is ready for them and there will be no more day or night<sup>32</sup> because the Eternal Light will shine forever on them and this world will pass into oblivion and there will be no memory of it; the accuser who accused you day and night will not come out of the abyss and will not longer pervert the souls or see a soul other than those who, through their evil, lust and pride of man have with him for all eternity in the lake of fire.

Earth will pass away and there will be no memory of it, because this time will pass and will be forgotten. The righteous will live eternally in the Glory of God for ever and ever. Amen. Alleluhia.
