

«She will receive one message a month for the rest of her life," but it'll happen differently.” The Lord will dictate and she'll write, but she'll never know when it's going to happen. The messages “they will be notices and news of what the Lord has said in the messages of day seven," and from now on we will see "the fulfillment of visions". They will be published, when their content oblige it, in this webpage or on the new editions of the book. » *(From the letter of the Spiritual Director of Isabel: “The messages of the Day Seven have ended. Their compliance arrives”)*

## **MESSAGE            SEPTEMBER.2.2017**

Here I am<sup>1</sup>, O Jerusalem, city of My entrails<sup>2</sup>. You do not expect My arrival, but I come, I am already here. Prepare yourself<sup>3</sup> and fasten your belt, for I am at the door and knock<sup>4</sup>. You do not wait for the day of My coming instead you are entertained in the things of this world, but here I am, here comes the King of kings and the Lord of lords<sup>5</sup>: To confuse the proud and conceited of this world. I will give you the light, My people, so that you may see the Day of My arrival and I will blind the eyes of the unbelievers so that they do not see, because they can see, but did not want to.

It is not easy, My people, to live among those who do not expect and do not believe in My coming, in My second coming to this world brought<sup>6</sup> to the doors of hell. They do not wait for their Savior, who gave them life on the Cross<sup>7</sup>; but they will see Me, they will see Me descending among the clouds<sup>8</sup> and they will see Me in the silence and in the solitude<sup>9</sup> of their souls.

Prepare yourselves, My people, and tighten your flank; put on the sandals and take the staff; walk in the desert<sup>10</sup> of your heart, for I am at your door and I am about to call. Open your door to Me and I will dine with you and we will talk<sup>11</sup> and you will tell Me your pain and suffering. You will not regret listening to My words<sup>12</sup>, the words of your Savior.

The world waits expectantly for signs in the sky, but they do not look equally to their heart<sup>13</sup>: and that is where they will see Me.

O My people! That as a thief in the night you will receive the visit of your Lord<sup>14</sup>.

Where is the justice of this world that is lost and without direction<sup>15</sup>? No one believes in the justice of a world doomed to perdition. Who will do you justice, My people, who suffers the ignominy of this people?
