

MESSAGE 46 APRIL.2.2018

The world laughs while you cry¹, O house of Israel. Nothing will happen without My permission, children of My Soul. I am here to reign², to judge³, to save⁴ this lost world that lies in the shadows of evil and perdition.

One day I told you that I would come for you and take you to the Kingdom of My Father⁵, then, children, the time has come; the time has come for the fulfillment of the promises. But before this, I will have an encounter with you in your soul⁶, there I will judge you for your crimes and your iniquities, but do not be afraid, children of My Soul, because I told you that I will sustain you with My Mercy and My Love for you.

Do not desire to scrutinize the times because that only belongs to My Father⁷, but I do warn you to put your soul and your life in order and doing this cost you and does not excite you much. The curiosity and pride of knowing is in you, children and you must end it, how? By obeying My words as small and docile children to My Love.

Days will come, O Jerusalem, that the world will end as you know it and conceive now, because the prince of darkness will finish everything created by My Father for the good and happiness of My Children; but a new order will be established in this world, the Kingdom of God will come to you and will cover you with His Love and His joy for ever and ever, for the Kingdom of your God will never end in you.

Prepare yourselves with the weapons of faith⁸ for the time that approaches and do not worry about your life because it is in My hands, dear children of My Soul.

The time of rigor is at your doors, it is getting closer and closer to your lives, because the infernal enemy is already at the door of this world and will enter and trample and end all that is holy⁹, with all that is of God.

Hail Mary, She will deliver you from the infernal enemy, under her mantel as long as you do not let go of her hand; invoke her, call her in moments of danger that She will come as a solicitous Mother at the request of her beloved children. Never let go of her hand and she will help you to fight against the powers of satan in this world. She has de dominion, because she has received it from the Eternal Father, to help her children in these times of the reign of satan, She will deliver her children from his infernal claws and will take you to Me.

“Mary, Mother of God, pray for your children and bring us to Jesus”, be your prayer of supplication and praise.

The time is approaching, My little children of the Soul, prepare to fight with the infernal powers, which are not of this world and which you are already used to, but this is a new time because you will fight with the infernal powers and the weapons you use now will no longer serve you, no.

The power of evil will spread over the whole Earth and you will need the Mother of Heaven to walk in this valley of darkness and tears in which this world will turn. She will be the light that illuminates you, the hand of tenderness that will relieve you of your sufferings and pain, the safe harbor to rest in your tribulation. Hold tightly to Her because nobody or anything like Her will take you to Me in these times of perdition. It is God’s plan for Her: to care for, protect and save her children from the clutches of evil,

⁸ Eph 6, 16

⁹ Dan 11, 36; Ezq 28, 2; 2 Tes 2, 4

from the evil of satan; She will step on its head¹⁰ and you will be saved by My Blood¹¹, from her hand. She joined Me in the Redemption of the world as in a single Cross¹² of Salvation, She was nailed to My Cross with My pain and suffering and is united to Me in the Redemption of this world, in the Salvation of My children. Only through Her will you reach Me, as only through Her I came to this world. It is the design of Love of a God who sent His son, born of a woman¹³ by the power of the Holy Spirit¹⁴. It is the work of Love of My Holy Spirit. It is the work of Redemption.

Arm yourselves with the weapons of My Holy Spirit, with the weapons of faith¹⁵ and hope for they will be dark days, full of darkness and shadows; no one who is not filled with the Holy Spirit will be able to walk in this world without the danger of losing his soul forever, because error and confusion will fill your souls, you will no longer know which is the right and the left, you will no longer distinguish one path from the other, you will not know where you must walk, you will not distinguish the error from the truth, it will be the darkness of your soul, the darkness of your eyes, they will deceive you and will make walk on roads of perdition; only he who is of Me and hears My voice¹⁶ will be able to distinguish the paths that will appear before him from confusion between good and evil.

The light is in your God¹⁷ and assists you in every moment in you, children. It is My Holy Spirit in you¹⁸, listen to Him and follow His ways, always living faithful to My Commandments and to My Holy Gospel, with the radicality that will require this time of error and confusion, only then

you will be able to hear the voice of the Holy Spirit in you, because if you miss the path, it will be harder and harder for you to hear My voice.

Children, learn these words that I address to you through My dear child of the Soul, otherwise you will succumb to error in the times to come.

Days of darkness and ill-fated in which evil will rise up as the prince of this world and will reign it, it will sit of the throne of Peter¹⁹ and on the thorne of this world and reign with his henchmen, deceive you and sow hatred and terror in this world as you have never known.

In a world of terror and darkness, a blind man will guide another blind man²⁰; children, how sad will this world be left, a lost world that will knock at the gates of hell, because it will be doomed and without remedy to the eternal flames²¹.

Children, listen to these words that I address to you today, seek the Light in radical obedience to My Mandates and to My Holy Gospel, that the perverts of this world will not deceive you.

You believe it will be easy to recognize the truth, but I tell you: do not trust yourselves, never, for they will deceive you, only in My Light of fidelity and radicality in My following you will be safe from their deceit²² and perdition and always by the hand of My Mother; remember Her always.

I do not leave you alone, children, I am with you but you must listen to My voice. Time is running out and there will come days of error and darkness in which you will be easy prey of satan because he will deceive you with his tricks. Be careful, children, I warn you.

Take care of your soul from the infernal enemy, deposit it in My hands, in My Holy Heart and listen to My Voice in the silence of your room. Read My Mandates and love them, not only learn them, love the will of God²³

that is in them. Listen to My Holy Gospel with love and with the desire to follow your Master and hold on strongly from the hand of My Mother, She intercedes for you.

Open your heart to the Grace of My Holy Spirit and He will guide you²⁴ in the midst of the error and confusion of this world, never turn away from My Holy Spirit, do not cast Him away from you because of mortal sin, for you will be blinded, without Light and lost, doomed to the gates of hell.

Let nothing disturb you but listen to My Words, learn them in your heart and obey your Master who speaks to you by a design of Love and Mercy of My Father to this world.

Open the doors of your heart to the Son of God, open your soul to the Spirit of God, children, there is no time, evil approaches inexorably to your lives.

It is time to pray, to cleanse your soul in the sacrament of confession and to wait in peace for My Salvation. Do not enter into this world²⁵, for they will contaminate you with the poison of evil.

Where will you go, My people, outside your Lord²⁶ and your Savior? Where will you go?

Do not let the bonds of evil catch you, do not allow it, listen to My voice, obey My Words.

A new world awaits you, a new life, prepare yourselves for the purification of this world, it is the foretaste of My Kingdom in this world, no one can live in it without going through it²⁷.

Courage, children, I am with you and I do not turn away from you, that if the darkness will be deep and dense, the more the Light of My Holy Spirit will illuminate.

²⁴ Jn 16, 13

²⁵ 1 Jn 2, 15-17

²⁶ Jn 6, 68

²⁷ Rev 7, 14

Put on courage for these coming times and be prepared with frequent communion; your souls purified in the sacrament of confession.

Pray to My Mother and hold on strongly from her hand.

Do not listen to the voice of evil, do not listen to their harangues or: they will confuse you and deceive you.

Live apart from this world even though you live in it²⁸ and await My Salvation. Alleluia, alleluia.

I speak to you for My dear child of the Soul, listen to her because she brings My voice to you. Amen, amen.

One God, one faith²⁹, arm yourselves with the weapons of My Holy Spirit and you will conquer in this final war.

I must say nothing more to you, listen to My voice, children, for compassion to a God who speaks to you for your love and your salvation.

Goodbye children, look at the Light, the only Light, the Light that breaks the darkness of this world and you will be saved.
