

MESSAGE 60 JUNE.2.2019

"I have announced it to you in the past, but you do not believe Me; you do not believe the Lord of History, Who formed and wove your life in the womb of your mother¹. But yes, children, yes, there is a God in heaven², a Unique and True God³ that scrutinizes everything⁴, He sees everything⁵, knows everything⁶, looks at you from the heaven and awaits your response of love; Yes, children, I look at you from the heaven, from the tabernacle and I will not stop looking at you.

One God, one History of Salvation, one Cross⁷. Look, children, look at the tree of the cross where the Savior of the world was nailed. His Wounds have healed you⁸, His Blood has cleansed you⁹ from all the evil that dirties your life, your soul.

Today I address you, dear child of My Soul, listen to Me, pay attention, open your heart to My Words of love, let them enter your life and do not close yourself to them because there is only one God, only one Savior¹⁰ and you, son, you are small in His arms, let yourself be guided, let yourself be loved, and one day you will be glad of this day¹¹ in which you open your life to My Salvation. There is no Salvation outside the Son of man¹².

Get used to listening to My Words, read the Sacred Scripture, meditate what is written in it for you, for your salvation.

One day I told you I would leave but I would come back for you¹³; today is that day¹⁴, take advantage of the Grace that today is calling your life, open the door to the Lord of lords¹⁵.

At one time I looked at you, I loved you, I died for you¹⁶, dear child of Mine; Today I look at you, I love you, and I tell you: 'Follow me'¹⁷, follow My footsteps, die¹⁸ on My Cross, live the martyrdom of incomprehension, mockery, ridicule¹⁹, and everything dragged for the Son of man²⁰, for His Love. Look at your steps, see if they look like Mine and, if not, retrace the steps and begin again to walk. My steps bear the mark of the Cross²¹, do your people wear it?; My footsteps carry the Will of God²², do yours carry it?; My steps lead to the love to My Mother²³, do you love her?; My steps and My way lead to the death of yourself, to the surrendering without limits, without conditions, without opinions, to the Will of My Father.

What is the Will of God in your life? Son, look at My steps²⁴, they are yours, I did not take a step before I knew that this step brought me ever closer to My Father²⁵. Does each step you take bring you closer to Me? Does it lead you to Me? Does each thought, each task take you to Me or take you to what you want, or to what you desire or wish? Son, that I put before you My Will, that I took it to your life, that I put it in your hands, do not look the other way, do not want something else, no, son, no, look at what God has put in your life, what he has given you, what I have asked

you, why do you look the other way looking for what you yourself do not know what it is? Son, be simple²⁶, God looks at the simple ones and takes pleasure in them, because his gaze is that of a child²⁷ and his heart is grateful and clean. Today when you have risen to a new day, look son what I put in your life, what I put every day, what I have entrusted to you, I have given you so that in it you can serve me and give me Glory, give Glory to the God of heaven²⁸ that formed you and wove your life into your mother's womb²⁹. Do not look for the unknown, God does not ask you for the unknown, He asks you of what you know, what is next to you challenging, for what My Mercy He gave you, entrusting it³⁰ into your hands and your heart: Serve Me in it and give Glory to Him that gave everything for you³¹, for your love.

It is late and there is no time, get to work in My harvest³² and one day you will be happy and you will enjoy it. Do not become lazy, nor waste time in trying to figure out what God's will want from me, that I, Jesus, put in your life what I want from you so that in it you may be sanctified and give Glory to the God of heaven³³.

One way, one love, one heart: that is your luggage. Courage, children, go ahead, the Will of God is simple, because you are small, very small, what did I give you? Make it grow³⁴, do not keep it, do not look for something else, do not waste your time, work on what I gave you today, work in the Lord's harvest with what I am commanding you today and do not look to tomorrow³⁵, the future, no, in God there is only present and be

happy in your present. Go singing³⁶ to the harvest of the Lord and begin to work with determination and willingness to please God and serve the brothers: Let go of so many thoughts that hinder and confuse.

It is time to act, not of thinking empty thoughts when the Lord, your God, put in your hands the instrument of work, and the Work of God awaits your work and your tenacity. Sing in the work of the Lord, look to the brother who also works in the harvest of the Lord and cross your smiles, because your hearts must be filled with joy³⁷, the joy of those who serve the Lord.

How many sad and melancholy faces looking for the Will of God, children, be simple as children, be little³⁸, let yourselves be loved and lead by the Lord, He will do everything in you³⁹ if you are like children: confident and risky, knowing that you are in the Lord's hands and you are safe⁴⁰.

One day the solar storm will make the road easy for you, because the child is simple in his thinking and the absence of news and communications will return you to that simplicity of thought and will lead you more easily to God..

The weather of the solar storm, of the earthquake, and the inclemency, the desolation, will knock on your doors and, are you ready? You only care to know, but not to prepare yourself to be before the Son of man.

Did you think to stay forever in this land of sin in which you have made yourselves so comfortable? Lift the anchor, children, you, who are pilgrims⁴¹ and go on your way to Heaven, detach from everything in this

world and live in Grace of God, help others to live in Grace that will take them to heaven. Do not think so much about tomorrow, if today you can give your life to the Father⁴²; worry if today you are prepared for the Father to call you to leave this world and prepare to live in the Grace of the sacraments and prayer.

This world moves away from God more and more, careful because you are in it, that it do not confuse and deceive you, separate yourself from the environments that go against God, separate yourself from them⁴³.

Pray for your children, do not want them to be brave and famous for the world, but brave and simple for God, that their souls be clean by the Grace of the sacraments. You will be asked to account for your children, because they were entrusted to you so that their lives were of God and you did not do everything you could do to make them so.

The night of time is falling, the sun will darken and the moon will not shine⁴⁴, your faces will turn pale because you will know what is coming upon you, prepare for that day.

The rain of fire⁴⁵ will fall from the sky to cauterize and cleanse this world of sin and horror that bleeds from all its wounds, and is full of them, it is dying, a dead body, a corpse full of wounds and putrefaction. Do not want, son, to stay in that world, son, look at heaven and extend your arms to the Father, call him⁴⁶, that He will help you.

The world has been sodomized by Satan and his army, it is lost but help me to save souls, children, how? With your simplicity in fulfilling and living My Will, in loving one another⁴⁷, in living with your eyes in heaven

and your souls purified and cleansed by the Grace of the sacraments, working as laborers in My field of love and salvation.

It is late, children, and the night of time falls, prepare yourselves for times of convulsion and of perdition, of blood and martyrdom, of the cross.

The cross in your lives will come, be prepared: the cross of the schism in the Holy Church of God, the pain and suffering of the children of God from the separation to which this grave rupture will take you within the Church. Be prepared because it is coming, you already suffered the previous times, and you are already suffering it, but it will be even more serious, because the devil, Satan, has entered the throne of Peter, and will not rest until he sits on it⁴⁸, children, That day!, day of mourning and desolation for my poor children. Go to My Holy Heart and take refuge in it⁴⁹, do not leave it, it will be your only refuge, amen, amen.

Find shelter under the mantle of My Mother, She will protect you from the evil that will flood this earth.

Courage, children, fight, work, and be happy in My Love, because I, Jesus, love you in an Eternal Love, amen, amen. Salvation of souls: task and mission for which you were chosen by My Mercy.

He will come and announce it to you, all that is to come⁵⁰: the Paraclete, the Defender, will be sent to you by My Father⁵¹ so that He will defend you and enlighten your way to heaven, He will arm you with the weapons of faith⁵², of love and charity, enrich you with gifts⁵³ and charismas⁵⁴ and make you powerful with the power of God. Only the simple ones, those who sincerely seek God, as little children, will be filled with Him.

The Paraclete, the Spirit of God, resists the proud, the conceited, the self-sufficient, those who trust in their strength and overwhelms the humble of heart⁵⁵. 'Come Holy Spirit of God, come⁵⁶', say in your heart and desire His Presence⁵⁷ in you as life is desired by the one who already lacks the air to breathe. The desire for His Presence, which fills within and fills everything, without wishing nothing else, it attracts the Giver of Life to you. Wish for Him with all of your strength and you will be filled with Him. The Holy Spirit will be poured out in your hearts, Abba, Father⁵⁸, Papa, Daddy! I'm asking you⁵⁹."
