

MESSAGE 89 OCTOBER.1.2021

«I wait for you¹, in the sacrament of confession, I wait for you² in communion hidden under the species of bread and wine, waiting for the moment to reach you, your soul to love you and forgive you, to console me with your love, as many contempt infidelities as I receive in so many souls; I am here for you, accept My Love.

Oh Jerusalem of My entrails, if you knew of My Love for you, of My wait in the tabernacle to be with you, to fill myself with your love, to comfort myself with you, but you are wayward and do not come to the love appointment, you enunciate a whole God who burns with love to be with you³ and to be filled with your poor love, to cleanse you of your sins, to embrace you in your misery, to repair your damages, your wounds opened by your sins and the sins of those who hurt you. Do not regret after so much heartbreak as you find in this world, because your soul is the one that renounces the greatest Love, to be consoled and loved.

In a world of perdition I came to you, in a world of resentment I extend My hand to you, in a world of loneliness My Heart burns with desires for your love and company. Why do you flee from true Love and take refuge in all the substitutes that you find in this world?

You are wayward and disobedient to the command of My love and you will lose yourself in the heart, Israel of My loves, because I was before you and you rejected me⁴.

There is no greater love than that of a God who died for you, no,

⁴ Mt 27,20-23; Mk 15,11-15; Jn 19,14-16

there is no greater love than that which gives its life for love⁵, and your God dying on the Cross for you and you looking the other way⁶, taking care of other things⁷ other than loving: the only occupation⁸ that your heart wants, that it seeks your soul, but you do not give it to him, you do not want to occupy yourself with your God, your hours, your days, give them to the One who gave everything for you.

One day it will dawn in your life and everything will change and then you will turn to Me, you will cry your sin, your disbelief, when I was at your door waiting for you to open your heart to enter it and be satisfied with your love, but you did not want, you do not want the Love that calls your life, you are in other things of the world, those that the world offers you with its noises and bustles, you do pay attention to that.

I have one thing against you, son of My Soul: that you do not love your Savior, that you have forgotten all the benefits of His Love⁹, that you have received in your life and in the lives of all those you love, that you look away while My tears fall for your love for loving you and forgiving you.

I have one thing against you: that you have forgotten your first love¹⁰, the one you received one day, when you were little, in Holy Communion. That day you have erased him from your life and you no longer live of him, from his memory of love, which you update every day when you receive me in holy communion, that you have forgotten your love as an innocent and joyful child when, even without knowing well what you were doing you, received me and I came to your small and clean soul, full of candor and purity, even

But after my resurrection, I will go ahead of you to Galilee, (Mk 14,27s) some interpret it as an urging to return to the first love, to relive that first captivating encounter in Galilee.

with so many deficiencies already because of the life you led, even at such a tender age, of unconscious sins and some evils that were already in your heart. Renew that first love every day that you approach Me and let me delight in a poor love, but Mine.

In moments of difficulty as you had not known before, I come to you, I love you as you are, I delight in your love and I call you by name¹¹.

Come, come¹² to Me, stay with Me and let us talk; Let your heart listen to the sound of My sweet voice, the whistle of the Good Shepherd, and like a docile little sheep, go to the call of her shepherd. I will take you with Me and teach you the path of life, I will walk alongside you and when you can no longer walk, I will carry you on My shoulders and we will continue walking together, I will never leave you and I will always be with you. Why you do not want My love? Why do you run away from the greatest Love? Come, come to Me.

In moments of so much difficulty I come to you, oh Israel of My entrails. I come to you and tell you: Listen, listen to My words of love and when you are before Me¹³, those words will be your condemnation or your salvation. Condemnation if they are ignored and rejected, salvation if they are accepted and lived. The Lord does not condemn you, it is your life that is exposed with a condemnation or a salvation. It is your works, little child of Mine that will give you away or help you. They are your works of love, it is your love for Me, for your Savior who will be before Me that day, a day of perdition and blackness for the souls who do not want My Love, who reject My salvation, who do not want the Heaven Promised. Day of salvation for the souls who welcome My love, My salvation on the Cross. God comes

to collect what you have for Him, and that will lead you to the path of damnation or salvation.

Do not ignore My words, the ones that I address to you today through My beloved girl of My Soul. Listen to Me in the silence of your heart, close the door of your room and stay with Me¹⁴ and tell Me about yourself and listen to My Love for you.

In moments of great uncertainty in your life I come to you, I speak to you in this Message of love; meditate on each word because each word carries the light of the path, it tells you where you should walk, what you should do and what you should not. You will not regret that day of paying attention to Me, of being docile to My voice. You will regret having turned your back on My words¹⁵ when you could still follow a path that will later become blurred and will no longer be possible.

It is the countdown of love, of waiting, of meeting and when there is little left for the kiss of love and not of betrayal, you should not look the other way and occupy yourself with other things. I warn you: occupy yourself in loving, in coming to Me in the sacraments that there is little left for our encounter of love in the silence of your heart.

My words are light for your walk: I illuminate your path so that you can walk through it without difficulty. Do not extinguish the light that your Savior lights in your life today, walk in his Light¹⁶.

In moments of agony and loneliness for the world I am here, in your life and I come to you. Receive Me in the sacraments of love, walk to My Light, do not let go of My hand, we are going to walk together and come, come to meet Me in holy communion, with your soul clean, small and happy as when you received Me for the first time; now be more aware of the Gift that you

¹⁴ Rev 3,20; Jn 3,2

¹⁵ Mt 19, 21-23

¹⁶ Ps 27,1; Jn 8,12; Jn 14,5s

received that day and complete what you lacked that day, but beg the God of heaven to make you small¹⁷, happy and trusting in his Love like that day.

It is not a time to lament, but for action; It is not the time to cry impassively, but to dry your tears and walk with the light that your Savior lights for you¹⁸ today.

Listen to My voice and you will not regret that day; encourage others to read My words and find in them the light they need to walk in their lives.

Today son, today is the time of salvation¹⁹.

Open My Word in the Holy Book of God: the Holy Scriptures, and delight yourselves with its reading, which is life and teaching for a disbelieving world that has forgotten God, His Love. In it you will learn and rejoice and it will remain in your heart²⁰ because it is a living Word.

Now I leave you in your silence, what you must do after listening to My Voice and let me feed you and love you.

I wait for an instant of love in your heart. Love your Savior, for by an instant of love the good thief²¹ obtained salvation. It conquered My Heart troubled by the pains of My Passion and it was relief and comfort for My aching Heart. Do the same and give your Savior that instant of love.

Goodbye, goodbye children of My Heart, I carry you in My Holy Heart and I love you with a love like the one that saved the good thief.

Pay attention to me children out of compassion, out of compassion to the one who is Love and take My message of love to all souls, out of compassion for a God who descends from Heaven²² and sends you these words of love.
