

MESSAGE 99 AUGUST.1.2022

«“Get up and walk¹”, today I address you, My dear girl of the Soul; today I speak to you, to your heart. Listen to Me and pay attention: a dry world and abandoned from the hand of the shepherd² lies in darkness and pain. My Heart bleeds with pain for the pains of My people³, for their suffering, for their darkness. The shepherd does not hear My voice, he has closed his ear to My pleas for My people; he does not recognize Me, he does not hear My voice. He is lost and wandering. I cannot find the way to reach his heart, to wake him from his blindness⁴.

My people are confused and plagued by error and confusion. His heart⁵ groans with pain at the abandonment of the shepherd. The Jackals and foxes prowl around My flock, and the Shepherd shouts, begs his sheep for attention and obedience to His words⁶, but the flock scatters confused in the midst of confusion and error and is fed by evil and its henchmen. What shall I do, My little girl of the soul? Today I address you in the silence of your heart. Go and tell them, go and say that your Lord calls for justice, calls for obedience and ardor in the fulfillment of the Commandments⁷. But they do not listen, daughter. They are confused and want to be confused, because their conscience no longer wants to follow the Shepherd, the one who redeemed them on the Cross⁸. They don't want to anymore, daughter, they just want to be freed from their obligations, like the driver who would like to be freed

from following the rules imposed by the road signs for his own good, and only wants to drive his vehicle according to his desire and debauchery.

Daughter, it is time, time is running out, it is time to put a stop to so much confusion and pain in My people. Some, because they do not want to obey the Pastor⁹, and others, because of their suffering seeing how the Holy Church of God disintegrates and headed towards the precipice of its path of error and confusion and lack of obedience.

Conscience is being killed, and little by little nothing will remain of it, and thus the minions of evil will be able to manipulate souls at will. A strong and upright conscience is their greatest enemy, because it is the path of listening to the Shepherd who loves them and defends them from them, but without that path, the people are deaf and wandering, easily deceived. It is like leading the sheep away from the Shepherd¹⁰. To kill their conscience is to distance them from the One who loves them and gave His life for them.

It is a time of error and confusion within My Church. Go and tell everyone that the Lord warns: the time has come, there will be no more contemplations, there is only one path: that of obedience to My Commandments, in them is written the Law of Love for My children and good; outside of them is confusion and error. Do not let your conscience¹¹ be killed, do not allow it, or you will be food for vermin on the road and you will lie far from your Shepherd.

Time is running out and My voice will thunder¹² in this world of sin. I will Come and do Justice¹³, and I will save from the claws of the evil one he who cries out in secret¹⁴ to his God and Lord.

It is time, I will no longer tolerate unruly and disobedient people, some shepherds who have disregarded My people and only seek their ideas and conformism with each other and have stopped looking and listening to their God and Lord¹⁵, to the one who put them at the head of My people so that they would guide them with love and righteousness.

Time is running out, it's over, tell them daughter of My Soul, tell them, I can no longer bear the pain that My people inflict on Me day and night with their disobedience and transgressions of the Law of the Lord. They laugh at their God and feast together, feeling satisfied with their transgressions. The arm of the Justice of God¹⁶ is going to fall on them, and they will mourn their betrayal¹⁷, and they will be afraid of the way they have gone without looking at their God and Lord. The Heart of God can no longer bear more pain, the pain caused by His children, those whom one day He called My little ones, My children of the Soul, and loved to the extreme¹⁸ on the Cross.

Go, daughter, and tell them that time is up, if they do not change their attitude and convert to their God¹⁹ in their heart and soul with obedience and righteousness, they will be abandoned on their deathbeds and in filth, and when they cry out drowning in their own vomit²⁰ I will not hear their cries until I hear a word of true repentance from them, because they want to be heard by God on their way of transgressing the Law of Love²¹ that God imposed on His children for their good and salvation. God has had a lot of patience²² with them, and has patiently waited for them to convert and move away from the henchmen of evil, but since they have not and they still

fraternize more and more with them, time is over and My Father will send a just punishment²³ to this world, they will have to suffer their disobedience to the Son of God and His abandonment, transgression continuous in the Law of God. They have allowed themselves to be confused more and more by the prince of this world and that will attract a punishment to this world so that in He they will be converted and save their souls.

Go and tell them daughter, I have made you a prophet in their midst²⁴. If they do not listen to you, one day they will have to give an account before Me, but you will have saved your life²⁵. Do not be afraid, I will go with you and assist you, I will put My Words in your mouth²⁶ and My Holy Spirit will defend you from their sharp swords, for He will give you wisdom and strength. I will point out your path and you will walk in it. Learn to always trust²⁷ in your God and Lord and present yourself²⁸ before them in My name, that I will assist you that day. I name you My prophet, prophet of the Lord in an unbelieving and evil world. Whoever listens to you and respects you, does it with Me²⁹. Whoever doesn't listen to you and doesn't respect you, does it with Me. It is not time to doubt My Words but to obey them. Go daughter, I will tell you what you should do³⁰ at each moment.

The last of times has already begun, I am close.

Come to Me, cling to My Cross, all of you who are tired and overwhelmed by the horror that surrounds you in this world.

Tighten your sandals to walk the path marked out by the Lord. Leave, abandon this world now, it is no longer time for it, but to leave it.
