

MESSAGE 103 DECEMBER.1.2022

« “My Father, let this Chalice pass from Me, but not My Will be done, but Yours¹”. This is how I say goodbye to you, My dear little sheep; so I leave you in the loving hands of My Holy Father who is in heaven; this is how I leave you the example to follow² in the hard and terrible moments of the purification of this world.

I once told you that I would go away and drink no more wine in this world³. This is how I tell you My dear children of My Soul, that I will be with you again, that I will not leave forever, that I am leaving and that I will be with you again, by your side, but for a while I will not be there⁴.

I live by your side: in the tabernacle and in Holy Communion I come to you and I am in you, but My Word will be lacking for you to feel the hunger for Me⁵, for My presence next to you that encourages you and urges you to walk on the straight path. Now will be a time of silence and openness to what is to come.

Do not remain bewildered, but you must retrace your steps⁶ to that July 7, 2014⁷ and on that day, remember with reading lovingly each one of My Messages until today. There you have everything that is to come⁸ and everything that you need to do.

⁸ Jn 16,13

It's not a farewell, it is: I am leaving and I will be back, I will return. Until then, do not separate yourselves from My Holy Gospel⁹ and remember at each mass¹⁰ My bloody sacrifice for each one of you.

It is a difficult and different time that will begin and you must be attentive to My teachings. This is one of them: My children must want and wait for My Word¹¹, My Light that guides you, you must not get used to having Me close because you must separate yourself from Me. You will also do it from the Blessed Sacrament when I am not present in the tabernacles, when My rebellious priests do not consecrate because of their sin and idolatry.

It is time for silence and to cry in the depths of the heart My silences¹². A loving and necessary¹³ silence.

My dear child will continue to receive the Messages from My Holy Heart, but you will never know when you will receive them. I will tell her when it will be for everyone and when not. Those that are not communicated will come one day when they are known, but not yet.

It is difficult for your Savior to leave you bewildered, but it is the Love the one that drives your boat¹⁴ and will never stop doing so.

It is a time of waiting, a time of rigor, of waiting for what is to come and it will take you back once again to My Holy Heart that beats for you full of the Fire of Love that does not go out nor will it go out.

It is a time without equal, you must put on your sandals¹⁵ and wait for the voice of the Master who will guide you to new horizons of peace and love.

¹⁵ Eph 6,15

My dear girl is with Me, she lives in Me and I in her. Trust in my Love that will never leave you¹⁶, she will tell you what you should do when I let her know so, and she will communicate My Messages of Love and Salvation to you when the time has come.

You were not expecting this change in the path, but the path narrows¹⁷ and will narrow even more.

You must wait for the changes in the path because it leads you to a Kingdom of Love and on the path, there will be hurdles and difficulties, but I will be with you and I will never be separated from you¹⁸. I walk by your side¹⁹ and I will always be by your side.

Do not fear and do not be afraid because you will never lack My Holy²⁰ Spirit, who blows your boat and will take you to a safe port.

Always trust in My Love, which will never be lacking.

It is a new time, a time of difficulty and rigor, but the Lord loves you and will never leave you.

I am here for you, oh Israel, and you do not listen to Me, but you will listen to Me because days will come that you will hunger for My Word and My Light to guide you. You will hunger for My shelter and My Food, and you will not have Me, but after that time of rigor you will have it and those of you who wait for Me will be satisfied and not faint in the test.

Difficulty is not synonymous with impossible because you sail with the Master and He makes the wind subside and be silent, and the waves of the sea become imperceptible and disappear, they become a gentle rocking that would make an infant sleep.

¹⁹ Jn 14,25.28

²⁰ Ps 51,13; Wis 9,17; Is 63,10s;

Never forget that I am with you and do not be afraid that I will help you to overcome the difficult moments.

You will always have me by your side, never give up because I am with you and I will never leave your side, but learn, children, the necessary lesson from the silence of your God and Lord; it is for your good, the time that is coming demands it for your good and salvation.

How will this new time be in My Messages of Love in which I have sent you each month by a Grace poured out from heaven? It will be easy to live if you pay attention to everything, I already told you in them and, from now on, you wait with the rigor of soldiers for your Captain to send you the new orders for your good.

Wait children, wait I am leaving but I will be back.

It is a time of love; silence will become love blossomed in your hearts if you wait for the Master with joy and confidence.

Pay attention to My girl of the Soul, she will send you everything that I must say at all times and until that moment she will keep silent about everything I will be telling her; only those who must collaborate with her in this Work of redemption will know it, her spiritual director will know everything at all times and those who will help her put it in writing will keep it in their hearts as a precious treasure, and their lips will be sealed forever until your Savior opens them to be communicated to the world.

It is not a farewell, my dear children, my loving children²¹, I am leaving but I am coming back.

Stay in My Peace²² and I carry you in My Holy Heart.

I, the Lord Jesus²³, am with you and do not depart from you.

²³ Mk 16,19; Lk 24,2; Acts 1,21; 4,33; 19,13-17

Look at the sky and wait for My arrival each day²⁴, I wait for you and I long to be with you each day when you receive Me in grace and purity.

Goodbye My little children of the Soul, I will return to you: I carry you in My Holy Heart.

I, Jesus, await you in every event that you are going to experience.

Do not forget the words of your Savior²⁵: I do not turn away from you; I will always be with you.

Goodbye My little children, I keep you and protect you with My Holy Love²⁶; He encourages and carries you in His Breath of Love²⁷ towards Me.

My Father, keep them in My Love as You and I are One²⁸ in the Love.»
