**MESSAGE 110      JULY.1.2023**

«Rest in Me, My dear girl Isabel. It is late and the time is drawing near. The time of My Justice<sup>1</sup> is drawing near. The world will comprehend and know why I have chosen you, why you are My envoy.

Nothing will be in question<sup>2</sup>, because the Truth will shine forever and ever. It is a time of lies and falsehoods, of imprints and not of sincere and deep reflection. The world is not moved by the spirit, but by the flesh<sup>3</sup>. Everything is so human and so little spiritual; that is why the time has come to find out what is the motive of a whole God who lowers<sup>4</sup> himself to this world and chooses a poor sick and weak woman to be his defender, the defender of God in a disbelieving world.

They have already forgotten the motives of God in the history of Holy Scripture. Man, easily forgets and returns to his carnal roots over and over

again<sup>5</sup>, and from separating from the Source so much he loses the Gift of Knowledge of God.

God does not move in the human way by his criteria and opinions<sup>6</sup>. God sees the heart and probes the entrails<sup>7</sup>. He forms in the maternal womb whom he has already chosen<sup>8</sup>. There is no impression, but eternal choice. He judges the heart<sup>9</sup> that he has before him and sees his intentions<sup>10</sup>. He forms the candidate and leads him down tortuous and demeaning paths. He makes him taste the harshness of suffering and abandonment<sup>11</sup> "and sees how he responds." He insinuates His Love over and over again, and then sensibly disappears from his life "and sees how he responds." He tests him and loves him and shapes him in his eternal<sup>12</sup> choice. After a while he entrusts his works to him "and sees how he responds". He takes him to His Heart and loves him, to later take him to the cross and leave him sensibly forgotten, "and sees how he responds". The work follows one another, "and sees how he responds." He loves him and consoles him and tests him with hard work and suffering, "and sees how he responds". The work increases in confidence in his Lord, "and he sees how he responds", until reaching the toughest and most crucial test: the cutting and detachment of his family ties<sup>13</sup> and emotions, submerged in the test of the cross<sup>14</sup>, of illnesses and contempt, to be forgotten and mistreatment by this world<sup>15</sup>, "and sees how he responds". Only in this way is he prepared for the entrusted mission by dedication and absolute trust in his God and Lord<sup>16</sup>. Then and only then does his God and

Lord appear, entrusting him with the work that he has achieved due to the deserved trust of his Lord for having responded in the little, which successively increased in trust and dedication amid the vicissitudes of the cross in which he the chosen one must have been nailed to resemble his Lord<sup>17</sup>. Well now, My dear girl of the Soul, My dear girl, My girl Isabel, you have reached that moment in which your Lord tells you: for having been faithful in the little<sup>18</sup>, I will give you My Love and My forgiveness, and I will make you a defender of your Lord; I give you the keys of the Kingdom<sup>19</sup>, so that with your hand you can open the doors that lead to it. I give you the domain of time to come so that you consume it in My Love and carry My people in it, at the gates of the Eucharistic Kingdom of Christ.

It is time My dear girl of the Soul. It is the time. The signs<sup>20</sup> will not take long in coming. They are already in this world and they will begin to happen without stopping. In them My hand will be seen upon you, and your mission clearly in this world. You will go from being unknown and separated to being a person who will bear the sign of the defender of God. You will be in charge of Heaven to open this time. To take a step forward in a world that is lost. How will this happen? A heavenly courier will knock at your door and deliver My orders for you.

Be brave<sup>21</sup> and determined and obey your Lord. Carry out all My orders and never delay in fulfilling them. I will be with you and I will always accompany you on your missions<sup>22</sup>. I will never leave<sup>23</sup> you and I will accompany you with the signs and wonders<sup>24</sup> that Heaven will do through

you, My dear girl of the Soul. Your desert<sup>25</sup> time is over; of penance and rigor, loneliness and calamities. You are ready to start your public life. My Most Holy Mother will accompany you and she will never leave you; she will go with you and by her hand she will lead you. Always counts on her comfort and her advice, that as a Good Mother She will assist you at all times.

Heaven opens its doors on you and pours out its Mercy on you, to relieve and save this world from the clutches of the evil one<sup>26</sup>.

Be attentive to the signs that will begin to happen without stopping, you will be in them as the defender of God. You, defense of God, you, will love God<sup>27</sup>, you, will go for God<sup>28</sup>, you, will always rest in God, because your life will be the Will of God<sup>29</sup>, day and night”.

It is time and your time begins, the time of My prophet; he speaks for God, loves for God and suffers for God, that's how I want you, that you only live for your God and Lord.

Learn to obey My Commands<sup>30</sup> diligently and without delay, to never question My Words and to always close your eyes to My Will. Move to the voice of your God and you will learn what it is to be the defender of God, the prophet of God. It is a time in which you will feel the hand of God upon you and all who are with you will be protected in My Love and helped by Him through you in their needs.

The world has not believed in you, but it will<sup>31</sup> because I will surround you with signs and the Truth of Heaven that will shine in you. The path of being excluded by yours has ended. They will know that you are Mine, and the Church will learn to recognize My signs in you.

Is time, it is the time. Hurry to do your homework of knowledge of your path. I will instruct<sup>32</sup> you; I will accompany you and I will love you, My dear child, child of My Love<sup>33</sup>. I have seen you suffer, I will see you laugh in My Love, and your inner happiness will go beyond human levels of joy and happiness, because My Holy Spirit will pour out all His Love in you<sup>34</sup>.

Learn to listen to your Lord, day and night. This Message will be revealed to the world when My Holy Spirit inspires you to do so. It will not be long, but the date will be chosen by Heaven. It will be a significant date in your life and you will understand why Heaven chooses it: for your love, My dear girl of the Soul. For love of you, and to make the mission of Heaven more special.

It is time to round up the cattle, close the sheepfold, and get ready to standby, because I am here for you, My darling girl. The world will know why I have chosen you, My little sheep<sup>35</sup> of My flock<sup>36</sup>.

You endured the blows of life, and from the hand of your God, which fell on you. I will exalt you because you were faithful to Me and you did not stray from My Love<sup>37</sup>.

Goodbye My dear child, I give you into the hands of Heaven. We are all going to protect you, because your Lord loves you for being a servant who knew how to be on the cross, crying over his weakness and with his heart delivered to God<sup>38</sup>.

I will speak to you again and I will tell you the date on which this Message will be known to the world.

I surrender you to My Merciful Love and I leave you by the hand of My Mother<sup>39</sup>, who will take care of you.

My dear little sheep of My fold, you will be preserved<sup>40</sup> from the torments of the world and I will take you out and save you from the snares of the world, because you go with Me<sup>41</sup> and My powerful hand guides<sup>42</sup> you.

Hold on to the days that remain until your total liberation from the sorrows that afflict you. Now is the time and everything will begin to happen.

I leave you in the Love of God, in His Holy Heart. “You are in Me and I in you”<sup>43</sup>, always remember that.

Record this Message in your heart. It is written in Heaven and it comes down for you this afternoon. The world will know that God chose you for the good of a lost humanity, and through you I will lead My people to the gates of the New Jerusalem<sup>44</sup>.

It is time, My dear girl, girl of My Love. Isabel is your name. She is my choice for you. Isabel is My supporter, the supporter of God, the prophet of God for this world, at this time in the history of salvation. Isabel de Dios is your name, and that is what they will call you. They will learn to recognize the prophet of God.

I have chosen<sup>45</sup> you among the flowers of My garden<sup>46</sup>, your tree fell and was cut, beaten, but now it will flourish and never be desolate<sup>47</sup> again.

Word of the Lord. Oracle of the Lord.

At the end of your days I will collect your soul in My hands and I will kiss your cheeks with the kiss of Love. Faithful and trustworthy servant,
