

MESSAGE 22 APRIL.7.2016

Days of love and calamity will come upon the earth. Days of sweet songs and the sound of loud trumpets will fill the globe, because the Lord has sworn by it and He has no regrets. Before the wrath of My justice reaches you, it'll come to you the opportunity of love. Love which converts the heart and open the innards to the Only Salvation¹.

I am here for you, My people, and I do not rest. I carry you in My heart, on My shoulders², and I do not complain of you, nor of your dead weight on me so many times. But the hour to wake up has arrived³, Awaken to the Only Light, to the Only Salvation. No, you can't hide yourself anymore because before Me you are completely exposed⁴, day and night, and your sins are not hidden from Me and your intrigues, are before Me day and night. It is you who hides from Me⁵ but you can't make Me not to have you stand before Me⁶. I see you, My child, I see you with compassion and tenderness and want to grab you by your hand, take you upon My shoulders and to give you the biggest Gift that exists on Earth: My Salvation.

Let yourself be help by Me, your God and Savior. Let yourself be lead by the Only Master⁷; Who will take you to green pastures⁸,), I will make you rest on My breast and will speak to you about the Only Love that exists, which you run away from without stopping, because you cannot say NO to the sin that is in your heart. You persist in continuing in it, without

getting out of the evil⁹ that lives in you. Take the determination to leave behind everything that brings you to sin and separates you from Me.

Do never forget My Words of forgiveness and of love, keep them in your heart, let them be your sustenance day and night, meditate on them in silence¹⁰ and you will always rejoice because you listened to the Only Master. Do not listen to the ringing of the bells that bring falsehood, lies and to sin. Listen to My Words that carry the price that was pay with My Blood¹¹ for your sin, the truth is in them, the real truth.

You will never regret to have listened to Love, repent from following sin. Love is to serve, to the giving up of yourself and to the abandonment of yourself¹²; let yourself be guided by it.

A Cross is seen in the horizon¹³, is the Cross of the Son of Man that comes to call His children to a new heaven and a new earth. Glory bells are heard on the horizon: It is the call to all men to prepare your souls to receive the Savior, the Savior of the world that presents Himself to all peoples as the Only King¹⁴ and Savior¹⁵.

Everyone will hate sin once they come to know the light, all those that are called and chosen for the New Jerusalem, it is there were all of them will live and will rejoice in a new life where pain and evil are no more. But before that day comes, prepare yourselves with My Grace because evil is at the door and in some places it has already entered.

It is time to inform your brothers that the roaring lion¹⁶ is very close and his evil plans are already taking place to disunite the great and blessed family of God. Do not let yourselves be deceive when your hear that they

come in My Name, it is not true they are liars¹⁷, because they are guided by the prince of lies, they come in satan's name that wants to bring my children to the perdition of their souls eternally in hell by the hatred. No children do not follow those who will go against My Commandments, those aren't Mine, though one day they were and followed My Words of love and choice, but their souls have been corrupted by the false smoke and the lie of satan. Who has spoken to their souls, so that they leave aside the Son Man. What has he proposed them, offered them, so that they leave the way of Grace and continue that of mortal sin and renouncement of their Savior? Offering to take my children to leave my ways and offer them to satan as loot? Only the soul that is in Grace, which belongs to Me, recognizes the voice of its Shepherd¹⁸; that is why this world is destined to perdition. How will they recognize my voice if mortal sin is their path day and night? How will they recognize their Shepherd who with sweet whistles calls them without stopping to snatch them of the hand of the devil? They¹⁹ know this because once they were Mine and because of it he leads them to sin so in that way they would not have a possibility of salvation, since they will never hear Me and the soul that does not hear his Savior hears the voice of the enemy of God, the enemy of the Cross of the Lord²⁰, the enemy of the Redemption, because one day he rebelled before Me and arrogance and pride led him to the abyss and he wants to take all souls with him; souls that were created by love and eternal happiness by My Father²¹ who is in Heaven.

Help me, children of Mine, amid so much confusion and so much darkness to be the light in the lives of so many men as they hate Me in their heart, fruit of living mortal sin and deeply rooted in their hearts. Mortal sin

removes and leads to the negligence of the Savior, it is a weapon that satan has to make the soul hate its Savior. Only by renouncing and leaving it, soon there is salvation, but staying in it is condemnation²². Since the soul will be blinded to such an extent that it'll hate, reject and despise its own life, the Lord and the Savior of its existence. It will reject My Cross and Salvation, and this will be its condemnation. It will reject, hate and despise the Cross of Christ. It will reject hate and despise My Blood pour out for love of all souls. Only the soul that clings to My Holy Cross will have life everlasting²³.

Glory to God, Glory to the Cross of Christ, Glory to My Blood pour out for love, but, whom do you give the Glory to? Leave the world and its contamination since its losing and perverting your souls.

It is time to work My children, so that souls will come to Me and accept My Salvation. One day I will recompose your sacrifices and courage for having gone in search of My loved and lost souls, prey of the infernal enemy of your salvation. Take courage my children, I wait for you in them, prisoners in their souls full of sins and anxiety because sin²⁴ produces neither happiness nor peace, nor order nor love but disorder and decomposition, terror and horror, anger and annoyance, arrogance and pride; blindness not to recognize the way back home.

Do not be alarmed by the news that you are going to hear but be attentive since it is time to choose a way; a path of salvation and forgiveness but of courage and steadfastness²⁵ to what is approaching you. Suffer in peace the miseries of your Church²⁶, loss and without course as many times as the enemy attacks it and tries to destroy it but it will be always assisted by My Holy Spirit that will not allow the Church founded

on My Cross of Love and Salvation to be pasture of the enemy of your salvation and your souls²⁷. Many will allow My Church to be confused by the sin and the evil of satan but not all will see My Light and not all will be ready to continue to follow the Only Light²⁸ and the Only Truth²⁹. Have courage children, I am with you and will never leave you³⁰.

Is time for courage and of prayer, intense prayer³¹ since in it I unit Myself with you and make the light and truth reach you.

Be firm in proclaiming My Gospel³² and in remembering My Commandments since there will not be Salvation outside of the Law of Love³³. Do not let yourselves be deceived by those that speak about love, they do not know it and have never known it, they are those that are pretending to take My Children to their eternal damnation. The soul that knows My Love always responds to it, even if is late, to My whistling of Love³⁴.

I speak to you through My loved daughter Isabel, she is serving to the Sheppard of your souls; pray for her so that she be always faithful to My Mandates despite the drawbacks of the road that she will have to travel. Pray for her spiritual director, since it is not easy to sail alone, but the force of My Holy Spirit attends to him since I never leave My children in the middle of the swell and the thunderstorm. They are Mine, they belong to me and I will defend them as My Glory because one thing is pleasing to the Lord: the obedience and fidelity to My Orders; the one that fulfills them is in Me and I in him and I will never allow them to be snatched of My Hand³⁵.

The day begins to lighten up in your lives; come out of the lethargy of the night.

A single road is before you: that of your Teacher³⁶. Do not look sideways; do not look at other ways since they take you to perdition.

Urge everyone to fulfill My Commandments until the ends of your lives. Do not pay attention; and look the other way when they tell you to abandon and to leave My Holy Commandments. They are not from God, since their words are from the devil. Open your eyes to the Light and your ears to the Only Voice that longs and needs your soul: The voice of God³⁷.

Be present in the Eucharist with your souls in the state of Grace, washed in the Sacrament of Penance. Never receive Me if you have not fulfilled My Holy Commandments, and you are in mortal sin, because you shall cast upon your souls eternal damnation³⁸. And never pay heed to those who tell you that in My Name you can receive the Sacrament of the Eucharist with your souls in grave sin because it is he, the prince of lies, who speaks to you in them. Do not. Instead come to the Sacrament of Forgiveness and wash with the rain of tears your souls, and later receive Me with happiness and peace. The Commandments must always be fulfilled; they are the light of your road to the eternal kingdom of My Father. Anyone who does not fulfill them will be guilty of death, and he who insists to flee away from them will be guilty of eternal damnation. The time of my mercy is for those who with humility, simplicity and deep remorse come to ask forgiveness of all their sins in the Sacrament of Penance³⁹.

There is no other way. There is no other Salvation. Do not let My Father suffer by your confusions, since The Light is in front of your eyes and

marks the road you need to take without doubt and confusion: My Commandments⁴⁰.

Listen to Me children and you will save your souls and you will help save the souls of your brothers⁴¹.

Pray for those who persecute you⁴² and for those who, like roaring lions, will persecute you for defending My Commandments. The Gospel is one and has no amendment, because the Lord has spoken once and He has no regrets nor retracts a single word written in the Holy Gospel. Everything must be fulfilled till the end of the World, where all sin and all wickedness will end, and you won't need the light and guidance of My Commandments to live in the Love and Grace in your souls. So beware of rabid dogs, with their sharp teeth that want to make you prey of the demon, of satan.

Children, look at Me on the Cross⁴³, and be faithful to My love to My Blood pour out for your salvation and accepted by My Father in an Eternal Holocaust of Salvation for all the souls that, even though they offend My Father and separating from Him due to their sin, they take refuge in the Salvation that the Son of the man came to bring to this world. Have compassion on Me, children, have compassion of the One who dying on the Cross for you came to you to bring the only pardon that restores your debt⁴⁴ to My Father. Be brave in defending My Commandments⁴⁵, before those, that forgetting they were chosen by My Mercy, they abandon Me and wound Me with sharp nails that drilled My Body And fill my heart with bitterness since they dragged My poor children to sin and their eternal damnation. Pray, pray for them, and offer sacrifices of praise so that they return to Me; I am waiting for them in My Cross to cover them with My

Allow yourself to be embrace by My Pardon. Receive in peace My absolution. I love you and do not want to lose you. Come to me, you are precious⁴⁸ to Me. I came⁴⁹ to this world for you. I die don the Cross⁵⁰ for you. Alive and Risen⁵¹ I wait for you in your way to take you with Me to the Eternal Kingdom of My Father.

Come to Me, son of My Soul. I wait for you in My Cross. Let yourself be wash with my Blood, shed for your love, and your sins will be erased forever with My love and your repentance and sorrow in the Sacrament of Confession.

I wait for you, My son, come to Me. it is the time of forgiveness. It is the time of My Cross. It's time to be on My Cross⁵².
