

**MESSAGE 52      OCTOBER.2.2018**

Dear children, dear ones of your Father God, peace be in your hearts<sup>1</sup>. Love one another<sup>2</sup>; it is time for love, for understanding, for forgiveness.

Blessed children of My Father God<sup>3</sup>.

An arrow surrounds the Heart of your God. Children, cry out to Him for your sins.

It is a convulsive time in which you live, full of the terror of satan, who lurks in each place, in each life. It is time to gather, to live in peace and in prayer, because, children, the time is near and evil surrounds you everywhere.

Do not be fooled by the infernal<sup>4</sup> dragon, who stalks you everyday, every night, at every moment. Do not separate yourselves from the Sacraments, from the Bible, from the daily bread<sup>5</sup>; because, children, this is not time to live away from the grace of God; to assist you at every instant, in every moment of your day. Evil is close to you stalking<sup>6</sup> your souls and does not stop looking at you to make you fall into temptation, but if great is the danger, greater and most powerful is the Grace of God<sup>7</sup>. Children, put yourselves to work in your own conversion and help others to find<sup>8</sup> the Grace of God in their lives.

It is not a time of hesitation, not of opinions but of certainty and truth. The false opinions of the deceiver of souls will convince<sup>9</sup> you and make you fall into his traps, but if you cling to certainty and to the truth you will

never be deceived. The only certainty and the only truth is the Gospel<sup>10</sup>, there you must resort again and again without stopping, in each event, in each news, turn to the Gospel, there is your certainty and your truth that will lead you on the path of Good and of the Truth.

Stay far from the deception of satan<sup>11</sup> and far from the lie<sup>12</sup>, you must be away from those who confuse with the opinions of the century, of what it is said, whispered, commented, away from them because they will make you fall into temptation, they will take you away from the truth and they will confuse you in the hope of those who joyfully wait for the coming of the Savior<sup>13</sup>.

Get away, children, from all the evil that surrounds you, each time evil will get closer to the Church, of each of its children because, children, it is the time of the test, of suffering, of the cross, of following your Savior.

Read the Gospel and you will see clearly the path that the Church must follow in the coming times, which have already begun, times of tribulation and suffering, pain and anguish, terrible darkness that will blind the eyes of the men closest to God. The path that the Church must follow is in the Gospel; the way of the Savior; the mockery and the martyrdom of those who want the truth over the lie. Children, let yourselves be humiliated but never succumb to error and lies.

These are hard times for My children because they will be confused<sup>14</sup> by the infernal dragon who only wants the bewilderment, the error, the lie and the irreparable damage to My Holy Church<sup>15</sup> because I, Jesus, am in it. But fear not, accept Me strongly, in My sacraments I am, in the Cross I am<sup>16</sup>, in

the lap of My Mother I am. Seek Me, children, in My Word<sup>17</sup>, that I speak to you and I put Light<sup>18</sup> in your walk.

The followers of evil have the mission to destroy, to corrupt the Church from within; Keep your eyes open, children, alert, attentive you must be because they are at your side.

Woe to those who confuse a single soul that belongs to the Savior, because their condemnation is certain and sure<sup>19</sup>!

The cruelest torments of hell, where satan dwells, are preserved for those who, being Mine, have perverted My children and infiltrated My Holy Church with the appearance of lambs, they are wolves<sup>20</sup> for My little ones, for My children; it would have been better for them not to have been born<sup>21</sup> than to pervert, deceive and seduce with the weapons of evil only one of My children<sup>22</sup>.

O Jerusalem that lies in your own vomit<sup>23</sup> and the blood of the innocent poured out by your children<sup>24</sup> who have supported the harangues of evil and serve you, for you will pay for your crime, for your betrayal, with the cruelest torments of hell for an eternity.

O Jerusalem, you weep for the things of this world and do not weep for the destruction of souls, you will go down into the abyss<sup>25</sup> and dwell in it for an eternity, far from the Light and Love.

O Jerusalem of My entrails, that the Savior<sup>26</sup> was born of you and you live as a prostitute, an orphan, away from the warmth of your home and the

joyful family that the Savior gave you, I will pay your crime with loneliness and orphanhood for an eternity.

You do not see your Savior who is in the Tabernacle, in the Holy Eucharist, who speaks to you in His Word and by My prophets<sup>27</sup>, chosen out of love for a lost world.

You do not see your King and that day you will cry and you will not have consolation because you wasted the Grace and the love, the light and the conversion that I place in your mortal lives.

A people alienated full of vices and evils, confused by the lies and the strategies of the devil, satan, that people is My people for who I shed My Blood on the Cross<sup>28</sup>.

O children, be compassionate of the pain<sup>29</sup> of your Savior, of the cry of My Holy Heart.

O children, return to the path<sup>30</sup> of God, to the way of the Gospel, of the Light, of Grace.

O My children, do not separate yourselves from My staff<sup>31</sup> and from My crook.

O children, you make the Heart of your God suffer so much with your sins of abandonment of faith and distrust in your God.

You move away from good and you allow yourself to be seduced by evil. O children, listen to My words; listen children, out of compassion, I want to save your souls from the infernal dragon.

A world awaits you, awaits you full of love and peace, but you must fight in this final time; fight with the weapons of faith<sup>32</sup>, preserve your ears

from lies, from those who want to deceive you<sup>33</sup>. Light and truth you have in My Holy Gospel, go there to look for it.

Get away from those who corrupt My children with filth and evil, with perverse lies that seem good but that instead lead you to hell.

Get away from those who corrupt My children with words or deeds. Go away and live in small groups of love and light, with My holy priests, listen to the truth, the truth is My Word<sup>34</sup> and it is in the Holy Gospel.

Get away from he who corrects, amends and delete a single word of My Holy Gospel<sup>35</sup> for he is corrupt and a heretic, that will not enter the Kingdom of your God<sup>36</sup> and Lord, will be outside and be thrown into the eternal flames.

How many lose their soul and drag My little souls to confusion, sin, anguish and error, it would have been better for them no to have been born.

Live away from the news that only pursue scandal and slander, whoever hears and discloses is guilty of death and his sin is before My sight.

Repent of evil, repent of the evil that is in you and return to Me, sheep of My flock.

Follow the holy pastors, who do not skip a single tittle of My Word<sup>37</sup> and take care and adore and preserve My Holy Body of all evil, those who lead you with the peace of My staff and keep you away from evil and of the perversion of these times. Do not separate yourselves from My holy priests and live in communion with your brothers<sup>38</sup>, with those that by your side seek Good and Grace.

Do not turn away from Me<sup>39</sup>, out of compassion, children, I want to save you from the clutches of the evil one.

It is a time of trial, take care of your children, shelter yourselves that you are not so strong that you can live in the open in these times of evil and perversion of those who, calling themselves Mine are executioners of My people.

Go to confession frequently. Never receive communion in grave sin. Recite the prayers<sup>40</sup>, psalms and give each other<sup>41</sup> an example of righteousness on the path that will take you to heaven.

It is never too late to look back to your Savior<sup>42</sup>, hurry children that time is pressing, hasten souls of My Father, that I, Jesus, am at your side and accompany you and I will not stop looking at you.

Your Savior suffers the ignominy of this people and crucifies Me in every child, in every soul subjected to the most terrible humiliations and outrages that is before My sight and My Heart bleeds with pain day and night.

Fast and do penance for those who are already condemned by their actions, so they repent and go to wash their souls at the source of Grace and forgiveness and wash and purify their souls with the Blood of the Lamb, so that they may one day be in heaven. Do not believe that any soul is lost, but stay away from her if at this moment she is a minion of satan; pray, fast and offer sacrifices for her, but far from her side.

Do not listen to news, children, do not listen to them, close your ears to the communications of satan who wants to deceive you and pervert your souls.

Seek the light, seek the truth, seek the only light, the only truth that is only in My Word.

Flee the fashions, children, flee from them, which lead the souls to the gates of hell. Dress with prudence, decorum; look at My Mother who cries for you.

Satan has entered into this world<sup>43</sup> to lose My souls and deceives them day and night, he distances them from Me and when they are weak he deceives them with all kinds of lies and seduces them with the pleasures of this world.

Do not turn away from Me, do not turn away from the sacraments or you will be easy prey to the deceiver, the perverter of souls, who seeks them day and night out of hatred for your Savior.

It is time to fix your gaze on a single light, on a single truth and close your ears to the lies that are constantly spreading throughout the world. The only light, the only truth is in My Holy Gospel<sup>44</sup>, lead through it, and let it be your light.

Arm yourself with the Sanctifying<sup>45</sup> Grace that I have left for you and that is in each of My sacraments, that will make you strong, robust in the faith. Live My Holy Sacraments with purity and neatness of conscience or you will become prisoners of death; anyone that receives or makes others receive one of My Sacrament wrongly stores his own condemnation in his soul<sup>46</sup>.

Children, listen to these words that I address to you today through My child of the Soul, listen to these words in the silence of your heart, in the
