Apoc. 7,17

"These are the Messages of Mercy of My Holy Heart, wounded and broken by the spear of the centurion, so that in Him and through Him all men may be saved."

(M 24, 244)

Since the annulment of canons 1399 and 2318 of the ancient Code of Canon Law, St. Paul VI facilitated the publication of writings concerning revelations or new apparitions, provided that they do not contain anything contrary to the faith or morals, as recorded in the official publication of the *Apostolic See Acta Apostolicae Sedis* [58, No. 16 (1966)].

Therefore, and also in accordance with previous Decrees of Urban VIII and the Sacred Congregation of Rites, everything that is affirmed in these writings does not go beyond the faith that is granted to human judgment, and is not intended to condition the definitive judgment of the Holy See.

**MESSAGES OF MERCY  
OF THE HOLY HEART OF JESUS**

**THE SUPREME PASTOR**

***"STORY OF A FAREWELL"***

***In honor of Christ Jesus, Our God and Lord.  
In Honor of the Greatest Love.  
Thank you, Love of loves.***

This is what Isabel received about the book on December 13 and 14, 2022:

"You have to put something very important in the book because the Holy Spirit has breathed it into me: It is a birthday present for Jesus of Nazareth, Our God and Lord. With our infinite thanksgiving and love to Christ, Our Lord. It's a birthday present for Jesus."

When I was searching in a book of the Virgin Mary where the dedication is placed, I found a small piece of paper with a Word from the Gospel: "**I bring you the good news: a Savior has been born to us: the Messiah, the Lord**" (Lk 2:10-11).

I have been filled with joy because I have seen that this book is truly to the liking of God and the Virgin Mary.

## ***Te Deum***

*To you, O God, we praise,  
to you, Lord, we recognize you.  
To You, eternal Father,  
are venerated by all creation.  
All angels,  
heavens and all powers honor you.  
The cherubim and seraphim's  
sing to you without ceasing:  
Holy, Holy, Holy is the Lord,  
God of the universe.  
The heavens and the earth  
are filled with the majesty of your glory.  
You are extolled  
by the glorious choirs of the Apostles,  
the admirable multitude of the Prophets,  
the white army of martyrs.  
To you the holy Church,  
spread throughout the earth, proclaim:  
Father of immense majesty,  
Only and true Son, worthy of adoration,  
Holy Spirit, Defender.  
You are the King of glory, Christ.  
You are the only Son of the Father.  
You, to liberate man,  
you accepted the human condition  
you did not spurn the womb of the Virgin.  
You, you break the chains of death,  
You opened the kingdom of heaven to believers.*

*You sit at the right hand of God  
in the glory of the Father.  
We believe that one day  
You will come as a judge.  
We beg you, therefore,  
to come to the aid of your servants,  
whom you redeemed with your precious blood.  
Grant that in eternal glory  
we associate ourselves with your saints.  
Save your people, Lord,  
and bless your inheritance.  
Be your shepherd  
and praise him eternally.  
Day by day we bless you  
and praise your name forever,  
for eternity of eternities.  
Deign yourself, Lord, on this day  
to guard us against sin.  
Have mercy on us, Lord,  
have mercy on us.  
May your mercy, Lord,  
come upon us,  
as we await it from you.  
In you, Lord, I trusted,  
I will not be discouraged forever.*

Isabel was in Eucharistic Adoration, and received communion; after a few hours she received this communication:

**"This is a time of deep recollection.**

**The world would have to dress in sackcloth and ash.**

**Jonah.**

**We are not taking the warnings of the Lord seriously.**

**We are not living it with depth and pain.**

**The world has separated itself from God.**

**Warning, children, take care of My Holy Gospel.**

**We are in a very serious moment, but no one seems to realize this extreme gravity, with depth and conviction, from the Church.**

**You go, daughter, and tell them, announce the time to come, put My book before your eyes and announce the time of rigor. I will send it to you. I send you, go and fulfill it. I will protect you, do not be afraid. The time of My prophet has begun."**

## PRESENTATION

---

Being always listening to the Lord brings pleasant surprises even in the midst of the announcement of a farewell, which in itself, when there is much love involved, is a discomfort and even a deep tear.

When the introduction to the second volume of the Messages of Mercy of the Holy Heart of Jesus was written at the end of November, there was no idea what the Lord was going to communicate to us in Message 103. Now we see, not because of our perception but because the Lord has made it clear to his instrument, Isabel, that these five last Messages published here are a farewell to all of them and not only that of December. It was necessary to prepare ourselves properly.

The surprise consists in the light that Isabel has received about the last five Messages and that come to recapitulate a profound teaching of which we had not realized and was at the bottom of those Messages. In itself it is difficult to assimilate what in the last Message is already clear news for anyone. What was hidden was the preparation that anticipated a painful moment, pain that the Apostles also

went through when the Master said goodbye at the Last Supper.

When the Lord began to speak to Isabel of a mission in Message 99, the most common thing was to think that the Lord would be encouraging her continuously, in a task unattainable with human strength, through Messages in which the insatiable curiosity of human vanity was answered point by point. The mission was certain despite the fragility of her limited health, but the Mission is very different: "Go and tell them, go and say that your Lord cries out for justice, cries out for obedience and ardor in the fulfillment of the Commandments."

For this Mission you need an endorsement that accredits the one who is sent: "Go and tell them, daughter, I have made you a prophet in their midst."

The current problem is that "consciousness is being killed and little by little nothing will remain of it, and thus the minions of evil will be able to manipulate souls as they please: A strong and upright conscience is their greatest enemy." "To kill conscience is to take them away from the One who loves them and gave His life for them."

We are going to suffer the consequences of this estrangement, but they are not simply catastrophic, let us not forget the healing function of punishments, a purpose that the current culture of the death of conscience wants to make disappear and that, nothing less, belongs to the very being of the designs of God: "They have allowed themselves to be confused more and more by the prince of this world, and that will attract a punishment, so that they may be converted and their souls saved."

And it is also necessary to abandon sin to the point that it can suppose in some cases a physical change of place: «Tighten your sandals, to walk the path marked by the Lord. Leave, abandon this world now, it is no longer the time for it, but to get out of it».

The steps to follow are given to us in the following Messages. From the beginning of Message 100 he again puts the fulfillment of the Commandments not only as norms to be fulfilled, but as the design of God. God said at the beginning, «Let us make man in our image and likeness». In this Message he adds something sublime: «Dear little children of My Soul, today I urge you to fulfill My Holy Law kept and guarded in the Commandments of the Law of God. My holy people have ruled since ancient times, and

their plan of love among you, faithful to the Lord, has no end». It is as if God told us: To preserve that image and likeness, not to lose that divine imprint, it is necessary to fulfill the Commandments of the Law of God as a guarantee of not losing the sign of identity with your Creator and Lord.

And after emphasizing the basic principle comes the Mandate for this particular time in the history of salvation: «It is time to keep My Words present, which I address to you today and have been bringing to you, in a plan of love, month after month. It is time to study and review My Words, because in them is the continuity of what I tell you today with infinite love for My souls. »

And he insists again on that very important Mandate, because now we realize that he will preserve us from total helplessness in his absence, of which he had not spoken to us before: «Do not make yourselves the whirlwinds in fulfilling My Mandate and put yourselves to the fulfillment of My Words with diligence and love: study and review My Words of love, that I brought to you on this path of revelation through My instrument for your good and salvation. » (M 100)

Again, in the last Message to this Mandate with words that recall the charge transmitted by the angels after the

Resurrection to the Apostles: «return to Galilee». Now it is to lovingly review the Messages from the first: «You must retrace your steps to that July 7, 2014, and on that day, remember with your lovingly reading each one of My Messages until today. There you have all that is to come and all that you must do. » (M 103)

At this time the power of darkness will be allowed to do damage controlled by the Will of God: «The door to Satan opens and he will enter with his henchmen, with his guerrilla for evil; They are willing and eager for this moment to come. » (M 100)

The Lord makes very clear the life we must lead in this time: «Gather in your homes, in prayer, do not walk here and there, it is no longer the time to leave, everything is contaminated, it is everywhere, and you can be reached by the forces of evil. » «Return to recollection and the keeping of the senses. »

The tenderness of the Lord will be our consolation: «Come to Me, My dear children, come I embrace you and kiss you as a helpless and small child, with a Heart full of Love for My children. » (M 100)

It is incredibly disconcerting that when the pressure of time is so besieged by the events that are thrown upon us, the Lord gives us, precisely after so many Messages, a most revealing key, for the acceptance of his Will, aimed at dismantling human pride and its apparent justification: «In love there is only docility, meekness and peace, trust in the one who gives you the word received from God. Some call it submission, but it is love that sweetly lowers you and closes your eyes sweetly before the voice of the Beloved. The heart is filled with His Word and His Love, and everything is happiness without the thoughtful understanding. » (M 101)

The decision whether or not to believe everything that the Lord tells us in His Messages comes to a crossroad: whether we trust our understanding and the deceptive assurances He offers us, or trust the One who can truly save us: «You want to understand and do not trust the One who wants to save you, and you will trust the One who deceives you. »

These are warnings that it is impossible to make more accurate to the situation that arises at this decisive moment: «Beware of those who will come in My name and deceive you with all kinds of seductions, wanting you to feel good,

lighten the burden of life on the road that does not pass through the Cross. You can only defend yourselves against them if you practice the way of love, the way of the cross, the way of trust, the true way. »

The seduction of evil reaches its climax and makes many be seduced; the Lord is abandoned and betrayed by his children and the last resort to make us think again is to show us his love for the living at the last moment when we can avoid being condemned: «I died on the Cross for you, for your love and now I will not leave you on the verge of perdition doing nothing but suffer for you; But son, hold on to My love that day, weep your sins in My arms, embrace your Redeemer, turn your steps towards Me and come with Me. That can only be done by you, I can't do it for you. Your Savior loves you and will not let you fall, but you look at Me and love Me, embrace your Redeemer who will carry you in My arms, carry you on My shoulders, and lead you away from that precipice of eternal death, and I will give you a life such as you cannot even imagine. » (M 102) We understand that the Lord is speaking to us of the Warning in a way that leaves a very deep impression.

The farewell has the character of a testament with the words received fifteen days later by Isabel (included before

this presentation) and that seal these five Messages with a new shock to the consciences of what has already been said in the Gospel and we have not just realized it.

**«To those who must be defined on this private revelation “Messages of the Mercy of the Holy Heart of Jesus”. “The Supreme Shepherd”**

Everyone who does not seriously study My words is incurring a sin against the Holy Spirit, who sends this revelation into the world for the salvation of souls.

Everyone who seriously studies this revelation and sees God in it and does not spread it and make it known is committing a sin against the Holy Spirit, because he is covering up the Grace of God, which God sends for the salvation of souls.

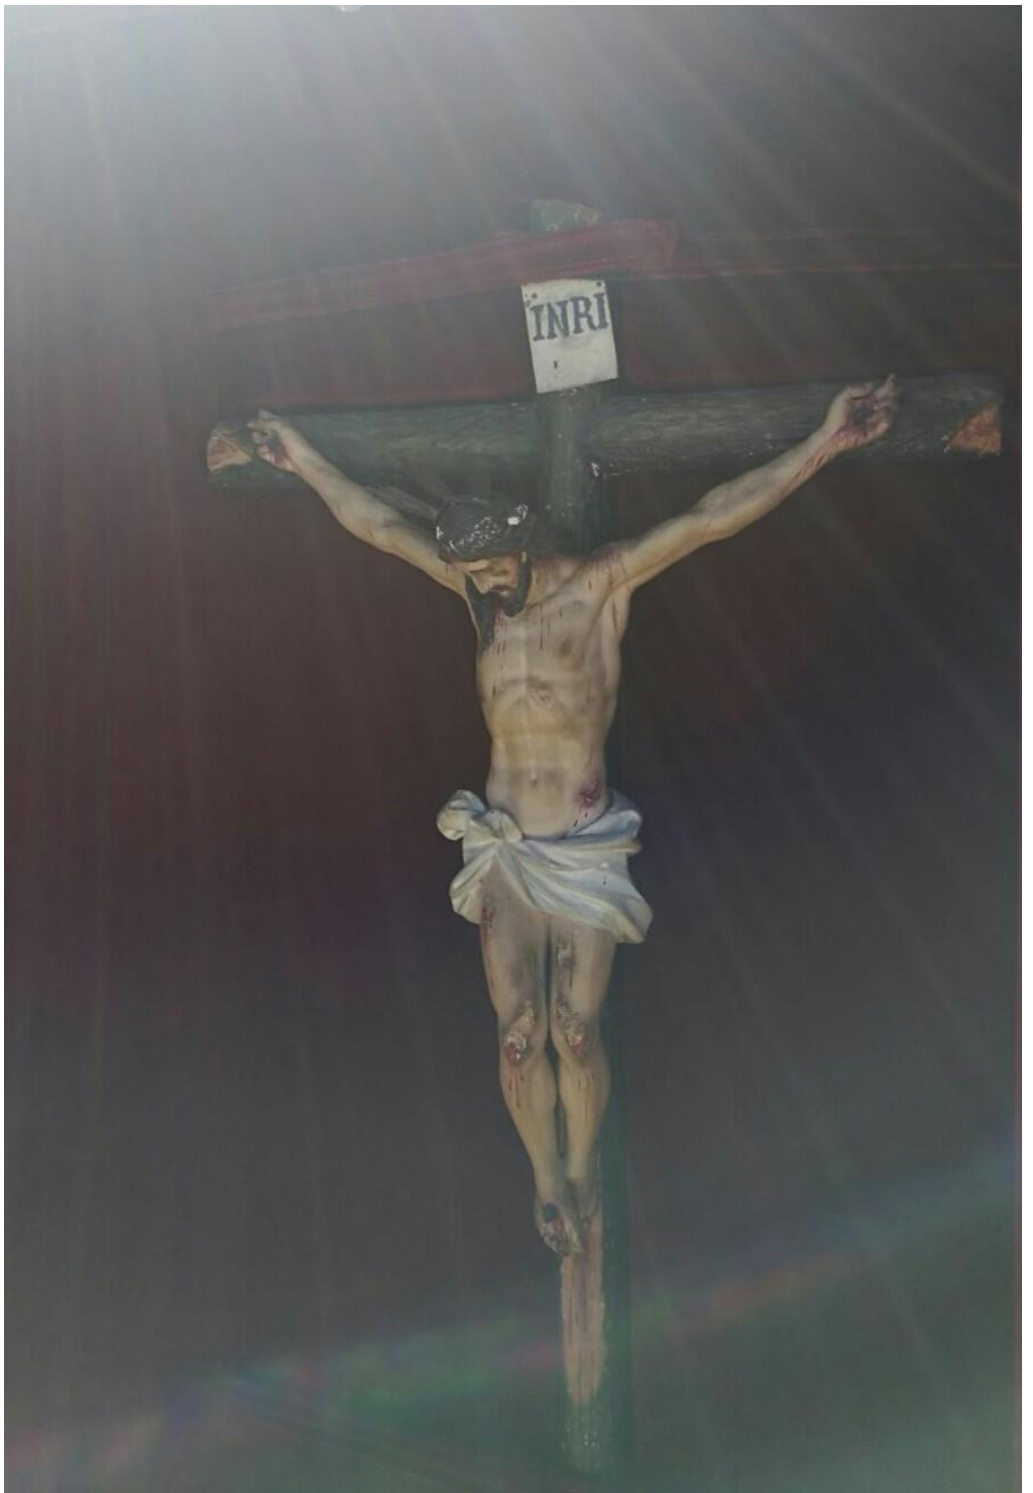

Everyone who despises My Word and My messenger incurs a serious crime before God and will be held accountable that day.

The world needs the response of the Church, which at all times must be attentive to the action of the Holy Spirit within the Church, because of her responsibility within the Church and her shepherding of souls. »

**MESSAGE 99 1. AUGUST. 2022**

"Get up and walk', today I turn to you, My dear girl of the Soul; Today I speak to you, to your heart. Listen to Me and pay attention: A dry and abandoned world by the shepherd's hand lies in darkness and pain. My Heart bleeds with pain for the pains of My people, for their suffering, for their darkness. The pastor does not hear My voice, he has closed his ear to My supplications for My people; He does not recognize Me, he does not hear My voice. He is lost and wandering. I can't find a way to reach his heart, to wake him up from his blindness. <sup>1234</sup>

My people are confused and fodder for error and confusion. His heart groans with grief at the pastor's abandonment. Jackals and foxes prowl My flock, and the Shepherd cries out, begs his sheep for attention and obedience to His words, but the flock disperses in confusion

and error and is fodder for evil and its minions. What shall I do, My little soul girl? Today I turn to you in the silence of your heart. Go and tell him, go and say that your Lord cries out for justice, cries out for obedience and ardor in the fulfillment of the Commandments. But they don't hear me, daughter. They are confused and want to be confused, because their consciences no longer want to follow the Shepherd, the one who redeemed them on the Cross. They no longer want, daughter, they just want to be released from their obligations, like the driver who would like to be freed from following the commands imposed on him by the road signs for his sake, and only wants to take his vehicle according to his liking and debauchery.<sup>5678</sup>

Daughter, it is time, time is running out, it is time to put a stop to so much confusion and pain in My people. Some, because they do not want to obey the Pastor, and others, because of their suffering, seeing how the Holy Church of

God disintegrates, and walks to the precipice of its path of error and confusion and lack of obedience.<sup>9</sup>

Consciousness is being killed, and little by little nothing will remain of it, and thus the minions of evil will be able to manipulate souls as they please. A strong and upright conscience is their greatest enemy, because it is the path of listening to the Shepherd who loves them and defends them from them, but once that path is eliminated, the people are deaf and wandering, easily deceived. It is like taking the sheep away from the Shepherd. To kill conscience is to take them away from the One who loves them and gave His life for them.<sup>10</sup>

It is a time of error and confusion within My Church. Go and tell everyone that the Lord warns: the hour has come, there will be no more contemplations, there is only one way: that of obedience to My Commandments, in them is written the Law of Love for My children and good; Outside of them is confusion and error. Do not allow yourselves to be killed

Time is running out and My voice will thunder in this world of sin. I will come and do Justice, and save from the clutches of the evil one who cries out in hiding to his God and Lord.<sup>121314</sup>

It is time, I will no longer stand a wayward and disobedient people, some pastors who have neglected My people and only seek their ideas and conformity with each other, and have stopped looking and listening to their God and Lord, who put them at the head of My people to guide them with love and righteousness.<sup>15</sup>

Time is running out, it is over, tell it to them daughter of My Soul, tell them, I can no longer bear the pain that My people inflict on Me day and night with their disobediences and transgressions to the Law of the Lord. They laugh at their God and feast together feeling satisfied with their

The Heart of God can no longer bear the pain, the pain caused by His children, those whom He once called My little ones, My children of the Soul, and loved to the extreme on the Cross.<sup>161718</sup>

Go, child, and tell them that the time is up, if they do not change their attitude and convert to their God in their soul and heart with obedience and righteousness, they will be abandoned on their deathbeds and filth, and when they cry out choking in their own vomit I will not hear their moans, until I hear from them a word of true repentance, because they want to be heard by God in their way of transgression to the Law of Love that God imposed on His children for their good and salvation. It is time to keep in mind My Words, which I address to you today and have been bringing to you, in a plan of love, month after month. It is time to study and review My Words, because in them is the continuity of what I tell you today with infinite love for My souls.

It is time to glimpse the horizon, to set your gaze on it and let your heart widen. Nothing will happen without My permission, the devil is tied to My Will and nothing will happen by His command without the permission of God, who allows so many suffering things for the good and salvation of My beloved children, for the salvation of souls who need the beating and suffering so many times to awaken and come out of sin.<sup>4567</sup>

God's plan hangs over you today, as never before has everything that I have brought to you during this time month after month has been so close.

The door to Satan opens and he will enter with his minions, with his guerrilla for evil; They are willing and eager for this moment to come. Be attentive, children,

because it is time to glimpse the horizon that I have marked so many times in My Messages of love.<sup>8</sup>

Time is hovering over My people, the eschatological test is in My chosen people and I endure you, dear children, in this time of tribulation as there has not been and there will not be; Reread My Words of love written in My Messages of love, and check the time indicated in the Holy Scriptures: it is time.<sup>9</sup>

Come and see the clearing of the new day, come and you will see the proof of My holy people, confused and fodder for error spread and spread by the minions of evil.

It's time, get ready because it's here.

It is the time awaited by My holy prophets, how many announced it, how many waited for it! For it has come, children, and they are attentive because they have a time of divine intervention in their journey of service to God.

Bells are heard, they ring and ring, but it is mourning that they announce and not celebration and glory.

**MESSAGE 101 1. OCTOBER. 2022**

"Go and tell him, I'm here.

On the frontiers of love I put an inhabited castle. Everyone who passed by that place wanted to enter it, but it was not possible. They had to meet some requirements, requirements of love. How easy it is to want to enter it, but how difficult it is to submit to the requirements of love in order to dwell in it! Some said: "They are too easy, they will not be true"; and others said, "They are so difficult, that it is not possible to fulfill them." Only a few, sweetly and docilely, accept to meet these requirements, and only they could enter.<sup>12</sup>

In love there is only docility, meekness and peace, trust in the one who gives you the word received from God. Some call it submission, but it is love that sweetly lowers you and closes your eyes sweetly before the voice of the Beloved. The heart is filled with His Word and His Love, and

---

<sup>1</sup> Mt 7.14s

<sup>2</sup> Mt 19:11; Rev 21.27

everything is happiness without the thoughtful understanding.<sup>345</sup>

Some will come who will speak to you of love, and I will not be in them. How will you find out? Others will come who will throw away everything sown in My Church, and you will believe them. They will disguise themselves as love and benevolence, and they will come into your heart with deceit; You will not discover them because you have dulled your heart of understandings. You want to understand and do not trust the One who wants to save you, and you will trust the one who deceives you.

For you do not understand the language of God, who speaks to you without speaking; who looks at you without looking, who guides you endlessly through life and love, but you do not see Him; He does not convince you with

<sup>3</sup> Sometimes the Message has liturgical resonances of the day it is received, in this case of the Memory of Saint Teresa of the Child Jesus. The many allusions to trust and the path that children travel are a clear allusion. And, in this case, an equivalent phrase from the doctor of trust: "The proper thing of love is to lower oneself".

flattering words, he leads you with love and with the Word which is life and love, but you do not believe him.

Where is your will and your *fiat*<sup>6</sup> to the One who loves you? Where is it?

They will come and deceive you, and you will be in their hands and you will be fodder for their wickedness, because you do not lead yourselves with the weapons of love. You seek yourselves, you seek to know and understand with human knowledge, not with divine knowledge; you seek to see and do not close your eyes to Love. You want to be big and not small. Do not trust, you do not walk blindly by the hand of the Lord and that will cost you a path of deception and perdition.<sup>78</sup>

They will come and deceive you; Yes, they will deceive you. They will speak in My name, but it will not be Me but them. Everything will be deception and lies.<sup>9</sup>

You do not want to know, you do not want to see, you do not want to understand, you do not want to decide with your poor and clumsy understanding. Children, I give you this first warning: beware of those who will come in My name and deceive you with all kinds of seductions, wanting you to feel good, lighten the burden of life on the path that does not pass through the Cross. You

Separate yourselves from bad company, for they will have a strength that will reach you with their poisoned darts.<sup>19</sup>

"My chariots of fire will come and overcome evil, but until then there will be pain and cry on earth, because man has rejected his God, who loves him without ceasing and knocks at the door of his heart again and again.<sup>12345</sup>

It is late, there is no more time, time is running out, but man still does not obey the voice of God, turning his back on his God and Lord. The world groans in pain and everything will end, but man continues to feast, turning his back on His Creator in a suicidal and crazy attitude. Man is full of pride and fatuity, he is alienated and mad; He doesn't want to realize who he is, where he comes from, where he's going; He lives unbridled, without attending to the truth of

Listen, My people, and heed My Words, words of love and salvation, in a night that ends and gives way to the new day.<sup>89</sup>

Be on your guard, sentinel of My Love, and warn, warn everyone of the imminence of My arrival! I have already arrived, I am coming to you, My people, for how will I let you drown in your own vomit, in your cowardice, in your forgetfulness of Me? I feel compassion and sorrow for you, I pity your misery and My bowels are pitied, you are a wayward, lost son, who runs to his perdition. And how will I stop your career? The precipice awaits you and My arms will be left without you. What will I do? I am the Prince of Love and I am at your door, but your door closes before Me again and again, and My heart trembles, for I see your doom,

Time is running out, there is no more time and heaven mourns the misfortune of My people, loved to the extreme by their Redeemer. And what will I do? You are crying out for Me to help you, My people, with your indolence and perdition, but how will I open your heart?

There is no time for more. I can't wait any longer, because I will lose you forever. You are forcing Me to help you in the most difficult and risky way, because there is no time and I do not want to lose you, son of My Soul, and what will I do?

The people loved and chosen by My Holy Heart are irretrievably separating themselves from their Savior. There is only one opportunity, in the last moment before your perdition forever: to stop your feet on the edge of the precipice with My Love and in an instant of love, to slow

There is no more time, time is running out and I love you, My people. I have died on the Cross for you, for your love and now I will not leave you on the brink of perdition doing nothing but suffering for you; But son, hold on to My love that day, weep your sins in My arms, embrace your Redeemer, turn your steps to Me and come with Me. That can only be done by you, I can't do it for you. Your Savior loves you and will not let you fall, but you look at Me and love Me, embrace your Redeemer who will carry you in My arms, carry you on My shoulders, and lead you away from that precipice of eternal death, and give you a life such as you cannot even imagine. I will love you and wipe away your tears and never separate from you; but, son, look to your Savior and love Him, embrace Him, for He will lead you away from that perdition.<sup>151617</sup>

Time is running out, and what shall I do? I wait for you and I will meet you, My people. I will find you in your doom, in your abominable misery, in your darkness, I will call you by name and look you in the eye and say, "Follow Me, come with Me, son of My soul!" and you will come or turn away from Me forever.

God awaits you, child, awaits that day when You and I will meet. Wait for it and get ready for that moment. How true is that day! As certain as day rises after night; Wait for it, son, because it will happen and what will you tell me? How will you be? How will you stand before Me?

I left everything for you, I gave everything for you, but you live alienated from the Love of God for you, the greatest pain of My Heart for you is your rejection of My Love again and again.<sup>18</sup>

There is no time, time is running out, son of My Soul, make a serious examination of your life and prepare to be before Me that day. Day of perdition for souls who no longer want the Savior's last attempt to stop their feet on the edge

of the precipice. Day of love and joy for all souls who surrender into the arms of the Savior to the new life of Grace and liberation.

Son, if you listen to My Words, if you read My Message of Love, the one I am sending you today, look at Me on the Cross and ask yourself: why so much Love? And I will say to you: For you, because I love you and I do not want to lose you forever.<sup>19</sup>

Keep this Message of your Savior in your heart and let it bear fruit, fruit of salvation and run, run and give the new News with it for all those who are going towards eternal perdition!, and tell them about My Love or, better!, let Me speak to them of My Love with the Words that are written here for you today.<sup>20</sup>

"My Father, let this chalice pass from Me, but not My Will, but Thine be done." Thus, I bid farewell to you, My dear little sheep; thus I leave you in the loving hands of My Holy Father, who is in heaven; Thus I leave you the example to follow in the hard and terrible moments of the purification of this world.<sup>12</sup>

I once told you that I would leave and never drink the wine again in this world. Thus, I tell you, My dear children of My Soul, that I will be with you again, that I will not leave forever, that I am leaving and I will be with you again at your side, but for a while I will not be there.<sup>34</sup>

I live at your side: in the tabernacle and in holy communion I come to you and I am in you, but My Word will lack you so that you may feel the hunger for Me, for My presence with you, which encourages you and urges you to

Do not be puzzled, but you must retrace your steps to that July 7, 2014, and on that day, remember with your loving reading each one of My Messages to this day. There you have everything that is to come and everything you must do.<sup>678</sup>

It's not a farewell, it's: I'm leaving and coming back, I'll be back. Until then, do not separate yourselves from My Holy Gospel, and remember at every Mass My bloody sacrifice for each one of you.<sup>910</sup>

It is a difficult and different time that will begin and you must be attentive to My Teachings. This is one of them: My children must want and wait for My Word, My Light to guide you, you must not get used to having Me close, for you must separate yourselves from Me. You will also do so

It is difficult for your Savior to leave you bewildered, but it is Love that drives your boat and will never cease to do so.<sup>14</sup>

It is a time of waiting, a time of rigor, of waiting for what is to come, and it will take you back to My Holy Heart,

You did not expect this change on the road, but the path narrows and even more so will.<sup>17</sup>

Do not fear and do not be afraid, for you will never lack My Holy Spirit, who blows your boat and will take you to safe harbor.<sup>20</sup>

Always trust in My Love, which you will never lack.

It is a new time, a time of difficulty and rigor but the Lord loves you and will never leave you.

I am here for you, O Israel, and you do not listen to Me, but you will hear Me because days will come when you will hunger My Word and My Light that guides you. You will hunger My shelter and My Food, and you will not have Me, but after that time of rigor you will have it and you will satisfy those who wait for Me and do not faint in the trial.

Difficulty is not synonymous with impossible, because you sail with the Master and He causes the wind to subside and be silenced, and the waves of the sea become

Never forget that I am with you, and do not be afraid, that I will help you to overcome difficult moments.

You will always have me by your side, never faint, for I am with you and I will never leave your side, but learn, children, the necessary lesson of the silence of your God and Lord; It is for your good, the time to come demands it for your good and salvation.

What will this new time be like in My Messages of Love in which I have brought you every month by a Grace poured out from heaven? It will be easy to live if you pay attention to everything, I have already told you in them, and, from now on, you wait with soldier rigor for your Captain to send you the new orders for your good.

Wait, children, wait for me to leave, but I return.

It is a time of love, silence will become love blossomed in your hearts, if you await the Master with joy and trust.

Be attentive to My girl of the Soul, she will send you everything that I must tell you at every moment, and until

that moment she will keep silent of everything that she will say ; only those who must collaborate with her in this Work of redemption will know it; thus, her spiritual director will know everything at every moment, and those who will help her put it in writing, and keep it in her heart as a precious treasure, and her lips will be sealed forever until your Savior opens them to be communicated to the world.

It is not a farewell, My dear children, my dear children, I am leaving but I am coming back. <sup>21</sup>

Stay in My Peace and I carry you in My Holy Heart.<sup>22</sup>

I, the Lord Jesus, am with you and do not depart from you.
