MESSAGE 111 AUGUST.1.2023

Accept the humiliation that I offer you, accept it son, and you will not be disappointed¹. You will see the Son of man² before you, wounded³, bleeding from all His wounds, and in His hand your cross, which He offers it to you with all His Love for you: Accept it son, and you will not be left disappointed that day. Accept suffering in your life. Accept it son, and do not look at the world⁴, look at Me who stand before you and I offer you the salvation of your soul. You will not regret that day, but you will be glad that you fixed your eyes on Me.

Time does not favor your decision to follow Me; on the contrary, it offers you to leave this path. It is not a favorable time for My follow-up, but when was it? The world is always contrary to My teachings and My following⁵. It was and is, but now more than ever.

Stop looking at the world. Stop looking at those who live in it, and look at Me, son, I am before you and I offer you a new way, because I make everything new⁶, I recreate everything for you, for you, son, look at Me, I am before you.

At one time I called⁷ you, at one time I chose⁸ you, now I come for you, to tell you: follow me⁹, and what will you tell me? What will you answer to your Savior? Look, I am at the door and I am calling¹⁰, I am calling your heart. will you open me up or will you leave me here waiting and suffering your silence?

Now, son, now is the time or there will be no more. Will you let the moment of salvation pass by for your soul, for your life, without answering your Savior? Come on, son, get the courage¹¹ you have left and accept My hand that is extended to you.

At one time I called you. Today I come and call you by your name¹², your name sounds in your heart and it is My voice that pronounces it. Take in¹³ My Merciful Love and come with Me, come along in My ways and announce the Kingdom of God¹⁴. Accompany My instrument and protect it from all evil. It is the time, the time of My call, and what will you answer?

The harvest is abundant and the workers are few¹⁵, willing to do everything for My Love, but today I call you and commend you, priest of the Lord, and I tell you your name in your heart. If you have heard Me, respond

to My call and come along My ways to announce the Kingdom of God that is near¹⁶.

It is late and the time of collection is approaching¹⁷. Help your Lord to prepare the clusters for the harvest, the wheat for the harvest.

I need brave and hardworking workers, who do not look at the world or at those who deny My coming to this world in a time that is coming and is close. No, son, do not look at those who do not wait for Me and do not want to wait for Me. Look at Me I am here before you and I offer you My wounded hand, in it is your cross¹⁸: Accept it, take it from My hand and come by My ways¹⁹. Come with Me and accompany My instrument and announce the Kingdom of God that is near.

I need courageous workers, not cowards in their places of power. I need other Jesus of Nazareth who set out on the roads to announce the Good News, who cover themselves with the dust of the road, who accept to put their cheeks to the spittle²⁰ of the unbelievers²¹, who are accompanied by the poor and simple²², and who do not cover themselves with the power of this world, but under the mantle of My Mother. Where will I find them?.

Son, if today you listen to Me and in your heart you hear My voice calling you, accept My call and come, come with Me and accompany My instrument; together you will go and announce the Good News: The Lord is near²³. And allow the poor and simple that I have chosen in My Love to accompany you.

Today is the day of your call, son, that you read My Words in this Message of love that I send you by a Grace from Heaven. Listen, listen to My voice that calls you and tells you: I have chosen you, I have noticed you and I am calling you; come, come with Me and walk with Me in My ways. Dusty and dirty roads, very ungrateful and stained by road sweat, but clean. A clean path that is full of the Grace of God²⁴ and takes you out of your rooms, from your homes where you are well accommodated and do not want to leave. One day I called you and looked for you among everyone, but you turned your back on me. Today I call you again, do not despise me; do not despise My voice and come to My call, call of Love.

I choose you, priest of the Lord, and I tell you: come, come with Me through the ways of the Lord, of your Lord, and follow me. I am at your door and I call you. Will you leave me out in the open?

It is time, priest of the Lord. Come to My call and you will not regret that day.

It is the time; it is the time of My call. The ears will open, the heart will open upon hearing the resonance of My voice calling you by name. I choose you, I call you to be in My Work, in My Holy Work, priest of the Lord. Heed My call and come with Me. It is the moment in your life, do not waste it.

Send this Message to others like you who hold the priestly ministry and let it enter their heart with My call to their life.

Come and follow Me, come with Me and bring the good news to those who no longer look with hope, to those confused and prisoners of error.

Come with Me, priest of the Lord, and respond to My call, meet with Me, let us talk. I will tell you: I have chosen you and I have called you because I love you²⁵. I need your grazing because the flock disperses²⁶ and is eaten by

the wolf and the vermin on the road. I need you to shepherd the souls of My Holy Father who is in Heaven²⁷. Take them to My Holy Heart and warn them of the dangers of the path²⁸.

One day I will repay you, holy priest, priest of the Lord, but today, now, I command you, I call you: listen to Me, to listen to Me and ask for your yes to My Holy Work, to My poor lost²⁹ sheep, to a world that lies dying and its destiny is death³⁰, and it needs the help of the Lord³¹.

Come, come with Me and help me, there is no more time. Waiting is death for many souls. Today I need you, tomorrow will be late.

It is the moment. On Calvary³² your cross is next to Mine. You did not want to go up, but today I tell you: look at me, I am before you and in My wounded hands is your cross: Accept it, priest of the Lord.

Take this Message to the hearts of other priests and let them be called by My Holy Heart and come to My call, call of Love: Come, come with Me, priest of the Lord, I await you in My Holy Work, I am here for you. The world needs you, the harvest is great and the workers are few; there is a lot of fear and little Grace of God encouraging souls, the devil is in charge of hindering³³ the Grace of God and that it does not arrive.

Tonight³⁴ I command you to obey My call, the call of your Savior to your Heart: Come and follow Me, leave your nets³⁵, let them go, and follow Me and you will come My ways and you will share dinner with Me³⁶ and you will walk by My side and you will see what it is like, to the

announcement of the Good News, of the Kingdom of God in your life. Let the poor and excluded of this world follow you, they are My chosen ones; let those who do not have a name in the world and, sometimes, not even a place in this world, accompany you, but they are faithful to My Love and I love them; they need your shepherding, My Staff³⁷ in your hand, close to them.

It is late, and error and confusion³⁸ will fill this world with evil, but My Holy Work will be a Light in the darkness and the Staff that will shepherd My holy people.

Come, come with Me priest of the Lord and shepherd³⁹ My flock that walks alone in the thickest in the middle of the forest⁴⁰, lost and scared.

Come and shepherd⁴¹ My flock, My sheep, those who are Mine and listen to My voice.

Dress in My tunic, the tunic of the Shepherd and shepherd⁴² Israel who needs you and is lost on the way, My voice will reach her, Israel will recognize the Shepherd⁴³ who was born from her⁴⁴ to shepherd the world. All nations will prostrate themselves before Me⁴⁵ on that day.»

Message 111 was published on August 12, 2023 at the end of the ten days of the Lord's Mandate so that the priest the Lord speaks of in this Message would have it, by himself.

A few hours after this publication of Message 111, Isabel de Dios received these words from the Lord for the priest to whom Message 111 was sent, to have it alone for ten days, by Lord's Command:

"His light will no longer shine among men, he will remain alone and then you will see the Light. Because he despised My Word, to the Holy of holiest"

Also the instrument of God received, with certainty in her heart, about the place chosen by God to house His Holy Work. "My design must be known about the holy place that My Heart chose to house My Work⁴⁶ of Salvation." The instrument of God received with certainty in her heart that this design has been frustrated and has come to an end.

The call of the Lord to the priests must be present in Message 111:

"Take this Message to the hearts of other priests and let them be called by My Holy Heart and come to My call, call of Love: Come, come with Me priest of the Lord, I wait for you in My Holy Work, I am here for you. The world needs you, the harvest is great and the workers are few; there is a lot of fear and little Grace of God encouraging souls, the devil is in charge of hindering⁴⁷ the Grace of God and that it does not arrive."
