

MESSAGE 114 NOVEMBER.1.2023

«Jesus says: It is the time. Put on your sandals, the sandals of a fisherman, start walking. It is the time; seek the peace¹ of My Command in your heart² and start walking because it is the time, and the time has come. It is an announcement from Heaven because we must begin. It is a new time and the old has passed³, stop thinking about what was lost, about the past; Now is the time, a new time, a time of rigor and, consequently, a new mentality⁴ must assist you to cope with the inclement weather, the time that is approaching to this world.

How should you walk? In faith, children, in faith; and do not forget the old because if it is from God it never passes away⁵. Forget the time you lived because it will not return and begin with a new mentality to confront a new situation, a difficult and compromising situation where only faith and fidelity to God must govern your lives⁶.

Time has already begun, you are already in it and there is no point in being afraid or not wanting to see it.

Time has begun and you are in it; Live it, children, with the weapons of faith and justice⁷ in your hearts, and give to Caesar what belongs to Caesar and to God what belongs to God⁸.

The time of justice⁹ looms over this world of sin and disgrace, fight like an implacable warrior from your interior to your exterior: that is the path to begin.

An announcement hangs over this deaf and blind world, but some of you are awake and see because your hearts are open to My Words and that is why I tell you: children, time has begun, the time of rigor and good times has ended; bonanza in My Church¹⁰ where the truth and good were in sight, now you must look for what was seen before because it will be hidden from your eyes; because the roaring¹¹ lion will demolish everything holy, everything of God¹² and therefore he will be hidden in order to survive the religious¹³ persecution that will spread throughout the world. An increasingly, lost world, that will no longer see the light, the light will be hidden from it.

It is time to warn the world of what is coming. It is time to pack your bags and march along the roads, seeking peace and to be able to live your faith away from the rigor and cruelty of a world that has gone crazy, and alienated from the truth, persecutes its God and Lord in His children¹⁴. They will call you crazy because they do not recognize their madness nor their condition as executioners. Evil has dominated their minds and hearts¹⁵, and they pursue the madness into which they have fallen. One thing is certain for them: God exists, but where? Where is He? And everything that exudes Grace from God will be extinguished¹⁶, because God exists, but how to put an end to him?

And they will want to put an end to My children¹⁷, because I, the Lord, am in them¹⁸ and they live My Grace.

It is a turbulent time that will give vent to their hatred of God and to all that is of God¹⁹. Satan is behind²⁰ a machinery already set in motion to unleash religious persecution, and thus end faith in this world²¹. But children, it is the time; not only signifies the horror that is coming to usher in the Coming of the Son of Man²²; It also means a time of trials, where the faithfulness of My children will be tested. The love of the hearts for the Son of God will be put to the test²³, and in that test He who died on the Cross²⁴ to give you Eternal Life²⁵ will be glorified.

I am here, children, tonight²⁶ to tell you children, it is time to start walking. Start now and you will not regret it. Change, children, change²⁷; It is no longer time to live as before, everything has changed and even more will do so. What looms over this world has only just begun, but there is a glimpse of what you will experience, seeing what you already lived and what is taking place²⁸.

A turbulent world destroyed at its foundation which is about to succumb. He has stopped taking benefiting of the Mercy of God, he no longer knows what the Mercy of God is, and he only wants to live according to his pleasure and his free will, and they call that the Mercy of God. It is His will in

everything they pursue, and they forget the Will²⁹ that governs the world and the existence of man.

Children, listen! To this night to what I have come to tell you: Anyone who takes a step back in faith will be judged rigorously when with that step they drag My people to the precipice of eternal damnation³⁰, and there will be no Mercy for those who alienate souls from the Son of man, seeking his perdition in a will that is not united to the Will of God, but to a change in My Church favored by a human power that only wants the destruction of God and all that is holy. In that world you will live, and therefore you must protect yourselves from the teachers of the law³¹, because they have forgotten the ancient Law of Moses and the holy prophets, and now the law of the world governs them, and they want to call it the law of God, and They will want to make you live in it.

No, children, do not take a step in accordance with what you know is not Mine, that is not in My Holy Gospel³² and does not come from the Commandments. What is not Mine I will not ask you to account for not having fulfilled it.

I will tell you what you must do, at every moment My Holy Spirit will assist you³³ if you live with faith and in truth you want to live before the Son of God.

They will search for you and kill some of you³⁴, and they will want to give an example to everyone of what will happen if you do not follow their instructions; but nothing will happen to you if you follow My instructions³⁵ the ones that I leave you in My Words.

It is not time to succumb to terror, but to walk in faith and not forget My teachings, the ones that I left you for love of a people that I carry in My entrails and in My Heart.

Do not be afraid of evil, for I am with you³⁶ and I will never³⁷ leave you, little sheep of My flock³⁸.

It is a difficult and hard time that is coming to humanity, and you will not find rest, but seek and you will find³⁹, because I am with you and I do not leave you.

Do not seek conformity with this world⁴⁰ because you will inevitably separate yourself from Me, from your God and Lord.

Sow with peace the harvest that will bear fruit⁴¹ with your adherence to the Truth and your sincere path before God.

Do not distance yourself from each other, those who I put at your side so that you may live the faith together, and protect each other from all evil.

Time is running out and it will be difficult to live in these times of sin and evil, but God assists you at all times and is with you.

Do not be afraid of those who can kill the body, fear those who can separate you from the Son of God for an eternity⁴².

I give you My Peace⁴³ and I carry you in My Holy Heart. I do not leave you, I am always by your side.

Take care of My child, My child of the Soul, she will take you to Me in some hard and difficult moments in your life. Pay attention to her and do not make her suffer with your skepticism, she leads you to My Holy Heart with

her fidelity to My Words. The world will know her because she is Mine, and I will use her love for Me to bring to this world the Light in the darkness in which she is immersed; She will tell you what you should do, and when it is all over, she will be by My side because she knows My Name⁴⁴ and My Love for her.

These are times of peace in the trial and of giving glory to God with your life and your fidelity⁴⁵ to the Son of man. Do as I say, and you will save your souls. Amen. Amen.

A lost and crazy world runs to the precipice of its perdition, and in that race, it wants to drag My souls. Stop your feet and pray, which is the beginning of the pain⁴⁶. Stand on your feet and beg the God of Heaven⁴⁷ for yourselves and your children, and you will achieve Mercy⁴⁸.

Do not succumb to new doctrines that lead you to perdition. A Word is written, and a Word will judge you, no one can erase or change it, it is Eternal and will be your judge that day, it will judge you in the light of your works⁴⁹ before the Son of Man.

Trust me children, it is time; the time of Justice and the great calamity⁵⁰. It is your time and in it you must live for the Glory of God and not for your condemnation.

It is the time of ignominy, of shame, of merciless hatred of all that is holy.

Stay away from new doctrines and from all those who preach and follow them⁵¹. Stay away so as not to succumb to evil and the sin of Satan. Stay away and be happy to follow the only Revealed Word that has no end and is
