

**MESSAGE 115      DECEMBER.1.2023**

«The clouds distill the dew of My Justice<sup>1</sup> over a world mocked by pain and sin.

The enemies<sup>2</sup> will come upon you, Israel<sup>3</sup>, and will crush you with the fury of My Justice because one day I was at your door<sup>4</sup> and you did not open it to Me and rejected the Salvation that came to you<sup>5</sup>, you rejected Good and Love<sup>6</sup> and you confused yourself with gods, gods of mud and clay<sup>7</sup>, who will bring perdition<sup>8</sup> upon you. I came to a world that did not receive<sup>9</sup> me and forgot the ancient prophecies, rejected me and rejected the Salvation that I came to bring.

Today I speak to you through My dear girl Isabel, I speak to you and you do not listen<sup>10</sup> to Me, I urge you to follow My Commands<sup>11</sup> and you do not do it.

What will I do with blind and deaf people who do not want to see<sup>12</sup> or hear?

It is a difficult and hard time like no other because the devil, Satan, has a power that he never had over the consciences of My children. It is the time of trial(s) and what will you do, children?

I will tell you what I will do: I will send the calamity<sup>13</sup> and the silence of My Word, I will leave you, I will abandon you in your selfishness and your evil<sup>14</sup> and I will allow you to be consumed by the perfidy of Satan, the devil, who only wants your destruction. the devil, who only wants your destruction. I will not talk anymore to a people that does not want to listen, I will wait for the right time when pain and suffering consume you and you ardently long for My Word<sup>15</sup>. I will wait for this to happen and I will not get tired of speaking to ears that do not want to listen<sup>16</sup>, to dead consciences swept away by the evil of Satan and that My children have left their door open for evil to destroy the faith of My children.

Nothing will be doubted<sup>17</sup>, and it will be known because a true God, in love with His creature, stops speaking to a blind and deaf world full of evil and sin that prefers to follow its own paths<sup>18</sup>.

It is time to let a blind and crazy world reach the edge of its precipice, it is time to let it try and get swallowed up with its own evil<sup>19</sup>, it is time to leave it alone with its own laws and selfishness to see where it goes and when it will call out to God asking for help<sup>20</sup>, and truly desire the help of God<sup>21</sup>, I will come to your aid<sup>22</sup>, and not before<sup>23</sup>; because, children, it is useless. Your indifference and reluctance for the things of God is reaching unforeseen limits. Your consciences do not urge you to rise, because the devil has destroyed them<sup>24</sup>. You are settled as to what those to whom you

have given the authority that you have taken from God<sup>25</sup>, and that is how things are going for you: a world that is increasingly stubborn and distant from God that takes away your children and you, those of you who have always been close to the source of Grace. That is why I tell you: I will close the door of My Word and will see where you go alone.

Without My help<sup>26</sup> you can do nothing, but you continue to believe that you can go alone. You do not want to hold My hand. You want to go alone, and you will fall into the den of the wolf and it will devour you<sup>27</sup>, and then it will be too late to save you, because you are giving power over yourselves to your enemies, and they will not save you that day, but will devour you.

Come close to Me, children<sup>28</sup>. Implore the God of Heaven to help you and your children, and you will not lack it; but today you do not. You feel very proud of your cleverness and your particular worlds and you do not need God, You feel good about Him because you have believed in a false path<sup>29</sup> that leads to God, but does not go through the Cross<sup>30</sup> or the Commandments<sup>31</sup> and is far from the Holy Gospel<sup>32</sup>; but they have convinced you that nothing happens, that everything changes, and so does<sup>33</sup> the path to God.

They have deceived you<sup>34</sup>, dear children, but you do not believe Me<sup>35</sup>. You do not read My Messages with heartache, only with curiosity and in just in case most of the time, but you do not read them with your heart wide open so that the Light of My Grace<sup>36</sup> may enter. This way you are not going anywhere. You are wasting the Grace that comes from Heaven.

Listen to Me, children, listen to Me and obey My Words or it will be too late for you.

Get used to obeying the Commands of the Lord, to follow My ways: that are marked in the Holy Scripture, and to listen to Me with heartache for your wickedness and poverty to understand the designs of God in your life.

You are reaching the time of the fulfillment of My prophecies, but you continue without knowing the path, looking elsewhere and waiting for the fulfillment in your own way and in your own times, you do not have light because you do not open your heart and are not docile to My Word; you are in your things and that is where you want to continue and be. That is why I leave you to your things, with your blindness and deafness, and I abandon you to your ideas and opinions, and I will leave you there until the pain consumes you and: you implore Heaven for My help and Mercy.

You are reaching a moment from which there will be no turning back. The enemies will consume you and surround you and you will no longer be able to escape their clutches. Now is the time or you will not have it.

Listen to me children, listen to me, and do a serious examination of conscience of your life. Do not listen to the blind guides<sup>38</sup> who will lose you and will make you fall into the trap prepared for you.

It is time to walk and put aside your fears and selfishness. It is time to walk and hold My hand and not let go of it. Start today, tomorrow will be too late<sup>39</sup>.

An unbelieving world that walks alone in the darkness of evil, that does not want the help of God, and when it asks for it wants to receive it in its sin, not in its repentance<sup>40</sup>. This is the world that I see from Heaven<sup>41</sup> and for

which the angels cry. My Mother protects you under her mantle, but you no longer seek it.

It is a time of pain<sup>42</sup> and justice. Prepare yourselves children to live the time prepared for you, so that in it you may be tried and purified with pain and suffering. Nothing will end until the last sinner has been tried in his sin and wickedness, and Heaven awaits expectantly and prayerfully for his repentance<sup>43</sup>. If he does not come, everything will end, and he will have lost the opportunity for the Mercy of God in his life.

It's time to start because time is running out.

Everything will be immersed in the fire of My Justice<sup>44</sup>, in the crucible of purification, and My children will advance along the path of My Justice and My forgiveness to all sincere repentance of the heart.

Hearts will be tested<sup>45</sup>. The purified souls. The minds renewed, when God's time comes into your lives. The precise moment. The moment chosen for each soul.

Do not delay in listening to My voice. Open your heart to the Word that comes from My mouth, or you will regret your indolence and your impiety.

The coming time is moving away for those who do not wait for it, and they will not have help from Heaven because they do not wait for it, they do not need it, they believe they are satisfied and capable of themselves and do not need God in their lives<sup>46</sup>, but they will have the Warning in their lives, even if they reject it.

The moment of God in you has arrived, and on that path you will meet Him and what will you say to Him about your indolence and reluctance to fight<sup>47</sup> in a world that each time moves and further away from God?

I leave you to yourselves, to your things, to your opinions and criteria and who will save you? Yourselves? Does the drowned man save himself?

This world has rejected the Salvation of God and is running towards its precipice of perdition. Stop on your feet, children!

Somewhere I will wait for you and look into your eyes wanting to find in them the goodness that I cannot find now. For this I will send you the tragedy in your lives. I will leave you in the hands of your enemies<sup>48</sup>. Cancer is not removed by wishing, but by acting. I cannot leave you on your path because it distances you from Me each time more and more. I will have to do something. Do not force me to remove the disease when it is already very advanced, because the surgery will be crueler.

You understand the things of the world, but you do not understand the things of God. You understand the signs of this world, but not those that God sends you<sup>49</sup>. You follow and abide by the laws that the world imposes on you, but not Mine. What will I do with these people who continue their perdition and boast about it?.

Tomorrow will be late, today is ending, and evil progresses within you and advances until it becomes His. I will perform the surgery<sup>50</sup>, I will bind your wound and I will comfort you in your pain, but I will have saved you from yourselves and your sin. Amen, amen.

The sky turns red and the sun<sup>51</sup> extinguishes its light. The moon does not shine at night and the stars have extinguished their shine. Evil advances and

exterminates the world. It has arrived. It is here. It is the time of the antichrist<sup>52</sup>, of pain and perdition, but also glory for those who will not succumb to the test<sup>53</sup>.

Goodbye, children, I say goodbye and hug you in My Heart.

A coming time is not expected and will not be reached by those who do not wait and distrust the prophecies<sup>54</sup> of My Holy Book<sup>55</sup>. They are written for you, but you do not read them, and what is worse, you do not believe them. You do not know the day or the hour<sup>56</sup>, but you say that it is far away, that it will be thousands of years from now. But do you even know God's time? »

<sup>55</sup> The "Holy Book of God": this beautiful name is not found in all of Holy Scripture, neither the instrument that receives the Messages nor its director would have dared and it would be very difficult for them to have thought of referring to it using another different from the names in use.
