

MESSAGE 118 **MARCH.1.2024**

«It is the whisper of the voice of God that speaks to you, Isabel. It goes beyond the ears, it is the voice of God in the soul. Right now I turn to you, My dear child of the Soul, I turn to you: pay attention and listen to Me. It is late and the night of the times approaches inexorably to this world of perdition. Listen to Me and pay attention: There is no time to waste, the moment of God calls your life. It is the voice of God that speaks to your life, in your heart. It is the fulfillment of My voice that you hear in this evening.

The world sleeps and does not keep watch¹, it does not listen² to My Messages of Love, it is alienated from the Truth³, it is crazy in a debauchery that leads to eternal⁴ perdition; You, now, listen. What will I do? I have to stop this madness, this debauchery that leads to eternal perdition and now you are, in My Soul and Heart, and I tell you: What will I do with you? I need you to stop the ruin of this world. You will go for Me⁵ and defend Me before kings and governors⁶, before courts and missionaries of My faith in this world. They do not listen to Me, they will listen to you if you are sent by Me with My signs and signals⁷. My voice on paper is not heard, because it lacks your life, your smile, your presence; a person like them, endowed with the gifts and charisma⁸ of Heaven. They need to see, touch, hear, for their hearts to be overwhelmed by the proximity of Heaven in them; Only then they will feel My Presence close, real, in their lives and hearts. Go, you will go. I will send you and you, My child of my soul, will go. You will go with

My Word⁹, with My Love for them and you will leave My voice recorded in their ears. Your answers will be Mine¹⁰, your voice will be Mine¹¹, your smile will be Mine, your hands will touch for Me and heal the sick¹², your lips will speak for Me. I will go in you and I will move in you, they will see Me in you and they will know that I am, that I am close to them.

The world needs Me as it does not have Me now and, by a design of Heaven, the world will have what it needs to favor its conversion before the enemy¹³ of souls makes his appearance in this world, hindering and preventing My work in you, My little girl of the Soul.

I need a world open to My Word, that listens to the voice of his Master¹⁴ in you, may he touch his Master in you¹⁵, may he see a resurgence of his faith, may the world be filled with My Holy Spirit¹⁶ before darkness invades this world¹⁷ and everything becomes impossible.

The world will close its ear to the voice of God when the enemy of the soul appears in this world and his perfidy corrupts the souls. But, until then, there is a time of gathering and harvest¹⁸ that will not be lost when the darkness invade this world, but rather, this germ sown in this time of mission will bear fruit¹⁹ in many souls in the time of the Tribulation²⁰ and will help others not to succumb to the power of darkness when darkness invades and closes this world of sin.

I speak to you, My dear child of the Soul, go and take them My Love, take them My Word and My voice, reach their hearts with the fire of My Love

and ignite their minds and hearts with the soft and burning whisper of the Words of the Teacher. It is your mission, I have prepared you in a time of desolation in your life so that you can strip yourself of everything that is not Mine in you. Now you are ready, you just need to equip yourself with the necessary luggage for what your God and Lord asks of you. I will give it to you and you will shine like a light lit by My Love. Go, little dove of My Love²¹, and speak to them about My Love.

It is late and the night of the times is hanging over this world of sin. They have no bread, they have no wine²², they have no life. The evil enemy is already doing his work in this world preparing the way for the arrival of the loser of souls²³, who loses souls day and night, the enemy of God²⁴, the son of perdition²⁵. The world awaits him expectantly and will have time²⁶, granted by Heaven, to test My children²⁷ and for this world to undergo the necessary²⁸ purification for its encounter with Me²⁹.

Until then, go, I send you on this night of love. You are by My side and you listen to My voice, tell the world that I love it and that I died for souls on My Cross³⁰. I walk the paths of this world again, in you; I approach them again, in you, to all those who will surround you.

IN MY NAME: GO DAUGHTER OF GOD, DAUGHTER OF THE MOST HIGH. GO, IN THE NAME OF THE SON OF GOD³¹ I SEND YOU FOR THE SALVATION OF SOULS. HELP YOUR LORD.

The time has come, it is already here. They will recognize in you the messenger of Christ, the messenger who had to come before the world is plunged into darkness that will blind it.

I send you and everyone will know that you are Mine, that you go in My Name and I will surround you with signs and signals from Heaven so that no one doubts you. It is time to recognize the Teacher in you, so that the world may convert³² and hear the Good News: That the Son of God is coming, he is near. They will hear in their hearts the whisper of My voice and they will feel touched by My voice in their hearts and souls. The Spirit of God will accompany³³ you and will be in you bringing the Fire³⁴ of His Love to a dry and lost world, which has lost its God.

I send you, little dove of My Love. I will surround you with signs, the sign of My Love in you, and everyone will see Me in you, and they will feel the presence of God in their lives and they will want to be touched by you³⁵ so that it will reach them in their lives the sweet and loving cautery of the Fire of My Love. They will want to be close to you to get closer to Me, you will bring My Love to a world that needs the flame of the Fire that ignites Life when everything is death, Eternal³⁶ death that surrounds and stalks My souls, but I will go in you and bring Life to a world doomed to death.

You will go and speak to them about Me, about My Love and you will carry My Word so that the obstinate and unrepentant sinner may convert from his sin and life³⁷.

Go, daughter, and prepare your luggage because it has already arrived in your life, dulled by the illness and loneliness into which the sin of the

world around you has plunged you. They have not believed in you³⁸, but they will believe and will seek you to get closer to Me.

The time of My prophet has already begun.

Get ready, daughter, your luggage is in My hands; Wait for it, I will come to you and I will enrich and equip you with the weapons of Heaven. The world will believe in you and no one will be able to stop your feet because, like an agile gazelle³⁹, you will climb the mountain of My Love, in the arms and wings of the one who is in love with you. The Son of God is coming to your life now and, as a warrior of your God, you will go. You will cross forts and jungles, like a brave warrior of your God. You will bring the Bread of Life⁴⁰, the Breath of Life, the Water⁴¹ that refreshes and enamors and does not end, to the lives of My children who are fainting at the doors of the Great Tribulation⁴² that is approaching their lives.

I am already here for you, daughter of My Love. I send you, carry the message of My Love and go, go fast like the wind that I will blow your life and I will make you reach all the lonely corners of the world where My children lie frozen from the cold and sin of this world. Go and bring them the Warmth of My Holy Spirit that, like Sweet Cautery, will kindle the dead⁴³ and empty lives with the Fire of His Love.

Your company will be the angels of Heaven. Your rest, My Holy Heart⁴⁴. Your breath, the Breath of My Spirit. Your ways, those of the world where I send you. Your peace, in My Rest. Your pay⁴⁵, the Eternal Abodes⁴⁶. Your rest, in Eternity.

Go, sweet messenger of My Love, that your eyes will see the payment of the harvest and the collected harvest. It is a Mandate from Heaven: Open the doors to My messenger, I send her, I am in her, she will go for Me.

No one will impede your steps, no one will be able to impede your mission⁴⁷ because it is a Mandate from Heaven.

It is the time of My Prophet. Amen, amen.»
