Third day, April 19, 2024:

If the Lord does not build the house,

The bricklayers tire in vain;

God gives it to his friends while they sleep" (Psalm 127, 1-2)

We ask you, Lord

Personal prayer.

MEDITATION AND CONSECRATION TO THE SACRED HEART OF JESUS, SUPREME PASTOR.

Written by the priest.

Very appreciable brothers of the Work of the Supreme Pastor, it is urgent to be souls of prayer, Our Glorious Jesus, Supreme Pastor, in His Divine Heart is the One who tells us in His Holy Word: "pray without interruption", today invites us in these days of prayer to form the habit of praying. Today, more than ever, we need Christians committed to praying to achieve the grace of having in the Church priests, consecrated persons and dedicated lay faithful, willing to give their lives for the salvation of souls, for their sheep, after the example of Jesus Supreme Shepherd. To Whom we must pray without fainting under the action of the Holy Spirit.

As Children of the Church, by participating in the Work of the Supreme Pastor, we must live in prayer permanently in His Divine Heart. HE begs us in many Messages, and tells us in many ways in His Messages: do not be cowards. I never gave you that example. My Church needs brave, dedicated and holy consecrated priests and lay people more than ever. Consecrated ones who speak to announce the Good News of salvation and denounce evil.

With tears in My eyes and with My Heart bleeding, seeing so many souls that are eternally lost, I tell you that Satan is gaining ground. Many times I have been profaned in My consecrated Hosts where various satanic groups offend Me and profane My Eucharistic Body in ways you cannot imagine. And you, consecrated priest sons and all the faithful, what do you do? Many are insensitive to My pain that they do not even pray and their prayers become colder or lukewarm every day.

Many of you have abandoned me and satisfy yourselves, forgetting your First Love.

In many Messages from the Supreme Pastor, we can hear how the Supreme Pastor tells us with these or other words: ***Children, I do not scold you, but I correct you and exhort you with love because if you do this with Me, now that the Great Tribulation slowly begins, What will they not do with Me later, at the time of the Great Test? And will there be any of you who will speak and shout the Truth at the cost of your life in that time of trial?***

Priests and faithful of My Work of The Supreme Pastor, consecrate yourselves to My Heart, I have given you the great Gift of living in this Work, but many of you live many times without an authentic conversion, cherishing sin, do not force me to repent of having created and have given them my Gift of being part of My Work of The Supreme Pastor.

I trust in your freedom, I hope for your conversion, but it will not be realized without a life of prayer, especially before the Divine Eucharist in Adoration and reparation for the sin of this world far from Divine Love and lacking in faith. However, out of love for you, I do not take away this Gift of being My witnesses in this Work of the Supreme Pastor, awaiting your conversion. If you do not convert, oh my children, you will suffer in purgatory, or worse still, in hell.

Jesus Supreme Pastor invites us to pray especially these days to achieve the grace of a true conversion, to renew our commitment in the Work to which he has called us for the holiness of the Church, for our conversion, for which I suggest consecrating ourselves every day to the Divine Heart of Jesus Supreme Pastor with the following prayer:

CONSECRATION TO THE SACRED HEART OF JESUS SUPREME PASTOR

(to be pray everyday)

Sweet Jesus Supreme Shepherd, Redeemer of the human race, look at us humbly prostrated before Your altar. Yours we are and Yours we want to be and, that we may unite more intimately with You, each of us consecrates ourselves to Your Sacred Heart.

It is true that many never knew You, that many abandoned You after having despised Your Commandments, have mercy on both of them, Most Benign Jesus Supreme Shepherd and draw them all to Your Most Holy Heart.

Welcome Pope Francis into Your Divine Heart, fill him with Your Holy Spirit, His gifts and charismas so that his decisions and words confirm all Your redeemed people in Faith.

Reign, Lord, not only over the faithful who never departed from You, but also over the prodigal sons who abandoned You, and make them promptly return to their father's house, so that they do not perish from hunger and misery.

Reign over those who are deceived by false doctrines or are divided by discord and return them to the harbor of goodness and the unity of faith, so that, soon, there will be only one sheepfold and one shepherd.

Grant Lord Supreme Pastor that you give life to Your Church so that it may live safely and in complete freedom.

Grant peace to the nations and make this single voice resonate from one pole of the Earth to the other: "**praise the Divine Heart of Jesus Supreme Shepherd, through Whom health came to us, to Him be Glory and Honor, for forever and ever, amen.**"

Padrenuestro, Ave María, Gloria.

Fifth day, Sunday of the Good Shepard April 21, 2024:

TE DEUM

**We praise You, O God,
We acknowledge You, Lord.
To You, Eternal Father,
All Creation worships you.
The angels all,
The heavens and all powers honor you.
The cherubs and seraphim
they sing to you incessantly:
Holy, Holy, Holy is the Lord,
God of universe.
The heavens and the Earth
They are filled with the Majesty of Your Glory.
It exalts you
the glorious choir of the Apostles,
the admirable multitude of the Prophets,
the white army of martyrs.
To you the holy Church,
spread throughout the Earth, proclaims to you:
Father of immense Majesty,
Only True Son, worthy of worship,**

Holy Spirit, Defender.

You are the King of Glory, Christ.

You are the Only Son of the Father.

You, to free man,

you accepted the human condition

without disdaining the breast of the Virgin.

You, broken the chains of death,

you opened the Kingdom of Heaven to believers.

You sit at the right hand of God

in the Glory of the Father.

We believe that one day

you must come as Judge.

We beg you, then,

May you come to the aid of Your servants,

whom You redeemed with Your Precious Blood.

May in Eternal Glory

let us associate ourselves with Your saints.

Save Your people, Lord,

and bless Your inheritance.

Be their Shepherd

and praise him forever.

Day after day we bless you

and we praise Your Name forever,

for Eternity of eternities.

Deign yourself, Lord, on this day

keep us from sin.

Have mercy on us, Lord,

have mercy on us.

May Your Mercy, Lord,

come upon us,

as we expect from You.

In You, Lord, I trusted,

I won't be disappointed forever.

MAGNIFICAT

**My soul proclaims
the greatness of the Lord,
my spirit rejoices in God,
my Savior
for he has looked with favor
on his lowly servant.
From this day all generations
will call me blessed:
The Mighty has done
great things for me,
and Holy is His Name,
He has Mercy on those who fear him
in every generation.
He has shown the strength of his arm,
he has scattered the pride in their conceit.**

**He has cast down the mighty from their thrones,
and he has lifted up the lowly.
He has filled the hungry with good things,
and the rich he has sent away empty.**

**He has come to the help of his servant Israel
for he remembered his promise of mercy,
the promise I made to our fathers,
to Abraham and his children forever.**

WEEK OF PRAYER FOR THIS WORK OF GOD.

17 de abril de 2024 al 23 de abril de 2024

Sixth day, April 22, 2024:

BEGGININS OF THIS WORK OF GOD.

Received on April 20, 2023 by Isabel de Dios.

Published on April 22, 2024

This Work belongs to God and the Church because Jesus Christ is its head. Nobody knows you can appropriate it.

It is a Work of Grace for the salvation of souls, it is not only for ours.

The Contemplative Community is the desire of the Lord, but not only for us. It has a universal dimension. We cannot make it our own nor small.

The mission of this Work of God is the salvation of souls in a limit moment for Salvation. That's why it's so serious to interrupt, hinder this Work of God, because it is attacking Salvation itself, Redemption of the world.

Each step in this Work of God has a supernatural dimension.

God's designs are mandated for us (like the Valley of the fallen). The dimension of God's designs escapes our understanding and knowledge, and we must never trivialize or pigeonhole them in our opinions, for the mere fact of being subject to our personal experiences. We must see them as a design of God and therefore treat them duly to the Light of Grace. To make this Work small by reducing it to us and to those who read and know it, is to make God small, since it has a saving dimension that escapes our poor and miserable understanding.

The desire to save souls by helping Our Lord must be the main characteristic of our charisma.

The contemplative community is not a refuge to save us, but which must be a refuge to save souls.

Blind obedience to God must come first when building the Ark, to save the poor souls who live in it from evil.

Great obedience can be asked of us, but if we are not capable of obeying the little, we will not be able to obey when the problems arise. great challenges that are announced on this path.

Nothing is more valuable in this Work of God than the dedication unconditional and blind to the Will of God at all times. Just so We will faithfully serve God and carry out the entrusted mission through the Holy Heart of Jesus to us and to everyone who, through the work of the Holy Spirit add to this His holy Work.

The desire pleasing to God to love Our Mother the Church well, in ecclesial communion, should lead us to love her and defend her from Satan, being faithful to everything that the Lord inspires us to safeguard faith, and love for everything. which is from God.

We must love the union with the Church through its ministers, and pray for them, and especially for those whom God is calling to his Work, so that they may be faithful to his response to God.

Never forget the pain of the Holy Heart of the Lord for the loss of the souls. May this be our engine to build this Work of God every day.

Safeguarding faith and doctrine in times of error and confusion must be our desire in order to make amends to the Lord and give Glory to God.

Faith must be preserved by our dedication and fidelity to the Lord. Only in this way will you attract others to this Work of God. The deviations begin in disobedience to the Will of God.

“Therefore, children, cross the tortuous path of daily trial, and walk along the just and certain path of obedience to the Will of God, which you receive again and again with light and clarity in this Work of God. Amen, amen.”

We will have to suffer the scorn and torture inflicted on us by our brothers in faith for not understanding this Holy path, since many have succumbed to error and confusion. We must pray for them so that they do not cause more pain to the Holy Heart of Jesus.

It is the mission of this Holy Work of God to take special care of the priests who take refuge in it, seeking refuge in their struggles, to be able to live their faith away from the confusion and heresy reigning in so many places in the Church.

The Eucharist and the Blessed Sacrament, His Adoration and Love that we owe the Lord. Safeguard the Eucharist and the Adoration of the Blessed Sacrament, the main mission and backbone of this Work of God, to pray from the Lord for the salvation of souls.

The Eucharistic encounter with souls in danger will be encouraged; put them before the Sacramented Lord; lead them through faith to the sacrament of confession when they come to us.

It will be written on parchment and with golden letters:
