**“IF THE LORD DOES NOT BUILD THE HOUSE” PS 127 (126)
LETTER RECEIVED BY ISABEL OF GOD**

SATURDAY, APRIL 27, 2024, AFTER PRAYING THE
ROSARY WITH HER COMMUNITY

“We have come this far in a constant effort and loving faith and clarity, discernment and love for the Lord and His Holy Work for the salvation of souls.

So far we have come. The Lord will complete his Work. Our effort and love are the few loaves and fish¹ of the Gospel that in the hands of the Lord will feed many.

This is the first time I am addressing everyone, talking about this Work of God in this way, but it is the Lord in me Who writes this letter, and not a servant. I feel that the Holy Spirit encourages me to write.

It is time to tell the Lord the words of Psalm 127, 1-2:

Song of the climbs. Of Solomon. /If the Lord does not build the house, / The bricklayers tire in vain; / yes, the Lord does not guard the city, / The sentinels watch in vain. 2It's useless get up early, / that you watch until very late, / that you eat the bread of your sweats: / God gives it to his friends while they sleep!

"If the Lord does not build the house"

Messages of Mercy from the Holy Heart of Jesus. The Supreme Shepherd.

We wait with our hearts burning with love and waiting for the Words of the Lord. We await the promise of Love from him and we encourage all of you who follow this Work of God to wait with us in this ardent and joyful love, with the lamp lit, waiting for the Bridegroom.

Our eyes do not stop looking at the door that must open to a time expected and promised, to a time of God like we cannot imagine, and that will quench our thirst for God.

It is the time to wait with joy and the lamp shining, the heart joyful and attentive, and our eyes fixed on Heaven, waiting for His Mercy to be poured out.

'Be attentive' -the Lord tells us today-, 'be attentive and do not let your lamp go out'.

The Lord will come and like dew will soak His Work of His Mercy, for the good of a humanity that lies alone and without a shepherd, wandering in solitude; 'like sheep without a shepherd', says the Lord in the Gospel. Only Jesus is his Shepherd, the Only One who can lead him to green pastures.”

LETTER TO MY BROTHERS
ISABEL OF GOD

SATURDAY, APRIL 27, 2024

I am moved to write and I immediately obey this inner motion and this letter flows from my heart.

"To my brothers:

When my physical strength already fails me, and there is nothing in me but the desire and thirst for God, I want to thank you for being by my side and for having continued with me despite the inclement weather on an uncertain and full path. of obstacles.

Nothing has stopped you from continuing by my side. And despite evil's efforts to separate you from this Work of God, it has not been achieved by the Mercy of God and your love for the Supreme Shepherd.

I say goodbye to a time that has passed full of calamities lived in an overflowing Love of God.

The Love of God has never left us, and the Holy Spirit has blown strong, very strong in our boat. And despite the waves so many times contained by our Master, the boat has sailed and brought us to this port, where we expectantly and joyfully await the Master's visit.

Our Lord will be happy with you, because you have not abandoned Him in the trial, and when on the cross the temptation was to escape, you never did. The Lord told you not to abandon me and to be my family. Well, I thank you because you have done so, and you have fulfilled the Commandment of the Lord for you.

Thank you, dear brothers of the Community of Life in which I live my faith, always protected by the priests who assist me and strengthened by the
