

**WRITTEN DISCERNMENT OF PRIEST ON MESSAGE 121.**

**Received on Sunday, June 2, 2024,**

**Solemnity of Corpus Christi**

My beloved brothers of the Work of the Supreme Shepherd, what ardent fire flows from the Heart of the Supreme Shepherd when reading the Message of this month of June, month of His Sacred Heart of Jesus; contemplate this Divine Heart that opens to us today and, like Saint Margaret, wrapped in flames of love and pain, tells us: "look at this Heart of Mine that, despite being consumed by burning love for men, receives nothing from them but sacrilege, contempt, indifference and ingratitude".

Our Supreme Shepherd opens His Divine Heart to us in loving supplication with pain and blood for so many souls that are lost, who do not want to listen to His voice as the Good Supreme Shepherd and, obstinately, remain deaf to His voice in sin, not wanting to enjoy the delights of His Love.

In this month of the Sacred and Divine Heart of Jesus, Supreme Shepherd, the beautiful Message that he gives us today with great tenderness in the bleeding pain that implores conversion, today more increasingly urgent, before it is too late, contains nothing against faith and customs, can be published; and I say with truth: it is an urgent Message to be spread, it is a loving supplication of a Supreme Shepherd God, who does not want the death of the sinner, but rather that he convert and live.

Our Redeemer, Supreme Shepherd, has opened His Sacred Heart.

**Messages of Mercy from the Holy Heart of Jesus. The Supreme Shepherd.**

The Most Holy Trinity, sees with joy this delivery of Love, of the loving grievance of the Divine Heart of Jesus Supreme Shepherd to all those redeemed with His precious Blood who, under the protection of the Immaculate Heart of Mary, have entered into the grace of redeeming charity, invites us to renew our baptism, in full consciousness and real devotion to Our Triune and One God with an authentic conversion.

This Earth will bloom like dawn listening to the Heartbeats of Our Good Supreme Shepherd, open with love, longing to begin the path of return to the faith of his children who in many ways were lost, forgetting the blessed grace they received through their baptism.

Today is the time to look with love and entrust ourselves to achieve the grace of conversion to the Woman embodied in the Apocalypse, iris of certain hope, who with her perennial songs and celestial flowers opened the way to Redemption.

Light will rise, the sun will shine with more brightly and the moon will shine again on dark nights, then the Supreme Redeemer Sheherd has opened His Sacred Heart to receive us. That is why I would like to invite you today to enter the Divine Heart of the Supreme Shepherd.

Finally, I propose to pray a prayer that the Holy Spirit placed in my heart to pray in this month of June in a special way:

***Plea to the Eucharistic heart of Jesus Supreme Shepherd to remain  
hidden in him, through Mary.***

**Messages of Mercy from the Holy Heart of Jesus. The Supreme Shepherd.**

*Divine Eucharistic Heart of Jesus Supreme Shepherd, fiery furnace of charity, receive me in the deepest part of Your Heart; introduce me to him by the hands of Mary my Blessed Mother glorious wound that the soldier opened on your chest with the spear.*

*Allow me to enter it, gently into Your open chest in silence, conversion, grace and adoration in permanent reparation to Your Eucharistic Heart in all the consecrated Hosts of the entire world.*

*I want to enter to repair and console Your Divine Eucharistic Heart, Glorious Supreme Shepherd, wounded by so many outrages and sacrileges, profanations, offenses and ingratitude of all the sinners of the world; especially of Your consecrated ones.*

*May Your Holy Spirit fill my being and keep me within Your Eucharistic Heart by the power of Your precious Blood that gushed and continues to emanate in each Eucharist as a river of Life from Your open chest and fill me with His gifts and charismas for the edification of the Church and for the sanctification of all consecrated persons.*

*Allow me to enter Your Heart of Supreme Shepherd, especially to sacrifice my life for the Pope, priests and religious for whom I beg you to receive them deeply within Your Divine Heart.*

*Allow me now to address my Blessed Mother Mary Immaculate, consecrated to her Immaculate heart, to thank her for introducing me to Your Divine Heart of the Supreme Shepherd: thank you, precious and beautiful Mother, for introducing me to the chest of Your son Whom, with pain, you saw open at the foot of the cross.*

**Messages of Mercy from the Holy Heart of Jesus. The Supreme Shepherd.**

*Never allow, precious sorrowful Mother, to let out of such a Glorious furnace of fire of Divine Love of my precious Supreme Shepherd who is the Heart of Your beloved Son, grant me the grace that the fire that burns him, burn all my miseries and sins for His Glory and salvation of many souls.*

*I want, Blessed Mother, with the love of your maternal heart, to always remain sheltered and protected from my enemies in the Divine Heart of Your adorable Son Jesus, may I always be protected from all the enemies that stalk me.*

*Thank you, my glorious Mother, for introducing me into the Heart of your Son, you are a glorious Virgin and I trust in your powerful intercession to never leave the Eucharistic Heart of your Glorious Son Supreme Shepherd. Amen.*
