

MESSAGE 123 AUGUST.1.2024

« You will suffer on the Cross with Me and beside Me. It is your Calvary¹ next to Mine, for Me and for all souls, child of My Love. It is your offering accepted by the Redeemer² of souls; it is Gethsemane³ and Calvary in your life; it is peace in your heart and for the world. Your time of salvation for souls begins. You helped your Redeemer and now, My dear child of My Love, I ask you for more, a little more for the love of your God and of all the souls who need your commitment and your love.

Today is late, tomorrow it will be impossible. That is why I tell you:

Come, come and help Me⁴.

Time has darkened. It is no longer time to delay. That is why I tell you: it is time to march together, hand in hand, with all the sins of the world⁵ attached to My Cross, it is time for salvation⁶ and forgiveness⁷, My dear child.

It is not time to delay any longer. Time is running out on a sinful world full of horror and evil⁸. It is no longer time to delay any longer. It is time to pack your bags and start walking; yes, walk, walk My little girl, your legs will walk again. You will start walking and you will not stop, because the road is long that you will travel hand in hand with your Redeemer, and you will not let go of Him. You will walk along roads and paths, and on your lips

the smile of love for a mission that your Redeemer gave you⁹, prey of your love.

It is not a time to pretend any longer what is already known in your heart: in your hands and your feet¹⁰ will be your pain, and in your side¹¹, I will open the fountain of love for a world thirsty for My Love¹². It is time to know the crazy and loving Love¹³ of a God who saved His creature from dying¹⁴ in horror and fear, and now made use of her to bring others the same Glory that was opened for her.

It is not time to die but to live in My Love¹⁵ and, if someone wants love, tell them that the Source of Love is on the Cross of the Lord, that they should go and open the flow of Love. They only have to ask for forgiveness and redemption¹⁶ from the One who died for them on the Cross¹⁷.

You will go and walk and give and bring My Love to a world that no longer knows of love and forgiveness¹⁸, that lives only on opinions and fears, internal wars and little hope in the coming of its Lord¹⁹. Go and tell them that I am coming and I will not delay, that I am already at the door and am knocking. Who will open the door to their Redeemer? Who will open it for him? If you open the door for Me, I will dine²⁰ with you and sleep with you, I will watch over your dreams and I will free you from fear²¹, from your fears, and I will give you My Love, and with it I will heal you from your wounds, those that you have in your heart.

It is late and the night of times looms over this world of sin. Help Me. Help Me, My dear child, to bring My Love and My sorrow for them into this world. Help Me, child of My Love, and in Heaven you will have your nest of love, but before that, already in this world, you will be consoled by My Love. Come, come with Me, and together with Me, I will wait for you on the Cross, a Cross that will be for you for your delight of love. Never regret loving your Savior so much, that He even asked you for your blood, and in an outpouring of Love with you and together with you I will share My wounds, My wounds of Love, so that you may know in your flesh what your Redeemer suffered for you and for all souls in the Redemption. With My pain you will save souls, because in you will be the Fountain of Love²², the Fountain that gives Life and refreshes and falls in love, and its Water vivifies and saves. In you I will open the Fountain of Love so that as your Savior²³ you may save souls with the water from My side, which I will put in you.

There is only one, he who loves is one with the Beloved²⁴; and only one pain and one Cross saves²⁵; and those whom My Love has united to My Passion with Me share this sublime mission that comes from Heaven and goes to Heaven, the fruit given and loved by those who suffer and endure the rigors of My Passion, united in Me, only one, with My Holy Heart.

It is time to tell the world that you are going for Me and in Me; that they accept your mission and help you, that their names are written, for their dedication²⁶ and generosity, in the Book of Love²⁷. Their names are there, and from there will spring forth the Fountain that will spread throughout the world when they follow in your footsteps and accompany you, in My Name

they go and protect you and guard you; because the treasure of Heaven remains in their hands.

Now go, go swiftly like the wind and tell the world that I am sending you²⁸, your God and your Lord; that they make a place for you in their hearts, because you go in My Name, and with them you will share the joy and happiness of love.

The winter of your life has passed, My dear child. It is dawning, it is beginning to lighten in your life. Go, daughter of Love; go and bring them My Love, and with your blood pay the debt²⁹ of love that they have contracted by their sins and crimes, as I paid for yours, child of My Love.

It is late, but to love, the Redeemer stops the clocks³⁰ and the countdown stops; the clock does not mark the hours, it waits, because at the command of the Lord there is no time³¹ nor waiting, but if men do not listen to you³², the clock will mark the final hour³³ and time will be consumed with the trembling of a world that has rejected them its last chance of salvation before the time of darkness³⁴ invades the world and everything ends in the delirium of anguish and perdition.

The world is warned, My dear child of My Love, it is warned, and prey of My Love I leave you in His hands, but before the watchful gaze of the Savior. Heaven will go with you³⁵. Do not be frightened and do not fear³⁶, for a defender of God must always be ready for the fight and the honor of suffering for his Lord.

Goodbye, little dove of My Love³⁷, I wait for you in My Holy Heart, there you will receive the pledge of My Love and it will remain with you. They will never disappear from you, even though only a few will see it, but they will be in you, and in Me you will lead them along roads and paths; Heaven walks with you and you take them by My hand. They are My signs for you, so that in you they will recognize the defender of your Lord.

Your lips, sealed, will open today and announce how much your Lord loves you, that He will take you to Calvary and for love: He will manifest Himself in you. A manifestation that will be a Message of Love for the world and a plank of salvation for all those who ascend to it and embrace My Love, take up their cross and come after Me³⁸, without caring about the pain or the exclusion of a world³⁹ that has already lost its path to salvation.

Today I bring you the Good News⁴⁰, My people. Celebrate My Words in your heart and walk alongside those I have placed at your side, and help your Lord by helping those who walk with Me and who I lead by My hand.

Now is the time of salvation, the harvest⁴¹ will soon come and what will I find? Prepare yourselves, My people, prepare to walk and not stop; together with My supporter and, with her and in Me, you will reach the horizon of Salvation. There I wait for you and you will come, you will come with Me. Prepare yourselves, My people, for the promised time is coming.»
