

MESSAGE 124 SEPTEMBER.1.2024

«Wait, the time has come, it has already come to your life. Wait for it because it is here already.

A time of desolation¹ and urgency to escape, to get out of a stagnant situation that will only get worse; that is why today I call you and invite you to follow Me, to come with Me and let yourself be seduced by My Love², little sheep of My fold³.

Listen to Me and pay attention, because what I am going to tell you needs silence and peace to be heard: How long have I waited for this moment to be able to speak with you in the silence of your heart. Come, my child, come, and sit with Me as, we will talk and let yourself be looked at by your God, for He has something to tell you. Come and pay attention: I called you by your name a long time ago and you did not want to come with Me⁴. You are very busy with the things of life⁵ and you dedicate yourself to them with great diligence and urgency, but you do not pay attention⁶ to Me, your God and Lord; you ignore Me, you have Me in a corner of your life. That is why I am telling you now: come, because time is running out and I do not want to lose you, son of My Soul; I do not want to lose you forever, I want to take you with Me⁷ to the Kingdom of Heaven⁸ for an Eternity of Love⁹. You do not know why I am telling you this, you do not know why I am conversing

with you today and I need you; you do not know it and you do not even imagine it, you do not even believe that it is I, your God and Lord.

Listen, son, pay attention. Today I am speaking to you to take you with Me one day, and that for all Eternity you may be with your God and Lord¹⁰. It will come, son, everything comes, and the final moment in your life will come, and then you will see Me and know Who I am¹¹, but today I want you to fight with Me in the ranks of your God and Lord¹².

The end of time¹³ is approaching to Earth, for a long time it has been circling around the sun and the moon¹⁴. Now these stars¹⁵ will abandon it and will no longer give it their light and heat, because everything will end and they themselves will be hostile with the Earth. How many times have you looked at the sky and seen them? The sun during the day gave you light and warmth¹⁶, and the moon with its nighttime brightness gave you light¹⁷, the light it received from the king star; but now the sun will no longer give you its glow¹⁸ and warmth, it will burn you¹⁹ and will move away from you when it gets dark, because when the Lord of Creation removes His powerful hand from the harmony that rules the world²⁰, everything will be chaos, and the terror²¹ of people will appear. He will no longer be self-sufficient and his pride will bite the dust, because he will see that he is nothing and no one and can do anything; that he was in the hands of the Creator and in the loving hands of the Lord who died for him on the Cross²², that the Holy Spirit, the

Sanctifier, prayed in him with ineffable²³ groans, and he disregarded it all, despised it all, did not want it all, and moved away from the beatitude, the beauty, the order and harmony of creation when he followed other gods²⁴ and turned his back on the Savior²⁵ of souls.

It is an example of how much will happen, and that is why today I tell you: be prepared and come with Me, stay by My side and do not separate yourself from Me, because days will come, oh Jerusalem²⁶, when you will not be able to say or think of My Name²⁷ without your brother wanting to take your life away. One day will come, oh Jerusalem, when My Holy Name will make you guilty of death. But today I want to save you from the infernal viper, I want to free you from that infernal day, I want to take you with Me and keep you away from evil, from an infernal time that is already approaching the Earth.

Are you ready to listen to me? Then pay attention, son, and listen to me more:

A river, the river of life, will dry up, before you, it will be done, and from it will come the rottenness that for centuries and centuries filled it with evil. On that day, my son, protect yourself from evil and lock yourself in your chambers and do not go out or look at what will happen before you. But on that day, if you are with Me, I will deliver you²⁸ and hide you, and you will be freed from it.

That is why I tell you today: start walking if you want to follow your Master²⁹, and walk where He will take you. He will take you to a place far from evil, where you will be able to see your children grow, and far from

evil you will subsist and even enjoy. On your face will illuminate the freedom³⁰ that you will enjoy. I offer you all this, my son, because I want to save you from evil. But if you do not listen to me, you will lose all of this and you will succumb to evil. It is at the door³¹, it is coming now.

It is a time to look at the sky³² and see that everything is coming soon. But, son, you are so distracted with the events of your life in this world, that you will stay here and succumb to evil. You do not take seriously³³ that everything will happen and that life will not continue as you have been accustomed of thinking, but that everything will change and you must change now because if not you will not see the change, you will believe that everything remains the same and that it will take centuries; but son, you will not see that the end is already here.

That is why I tell you, come and listen to me more: one day you will see it, and in the sky the star of Bethlehem³⁴ will shine, giving brilliance, and from its brilliance the Magi³⁵ found the Savior. Follow it, it will lead you and through seas, roads and paths you will follow it, and you will trust in it, because it will lead you to Me. It will lead you and you will walk by My hand, son, when you will follow its brilliance. But now I tell you: look, son, you will only see it if you prepare yourself now and leave your life of sin³⁶ and lethargy, and you stop following the sweet chimeras that life offers you, and you begin to walk beside Me and you trust in My hand, even if the path is uncertain and unknown to you.

One day you will see Me and before you will be the Truth, the only Truth³⁷, and what will you say to Me? Remember that I know you³⁸ and you will not lie to Me. You are accustomed to not facing your truth, the truth of your life, because you are afraid of failing. You are afraid of the impiety in which you have lived and you want to make excuses, but before Me everything will be seen. On that day the Earth will tremble³⁹ and all the sons of men will stand before Me. Oh, what a glorious day when everything will be seen and everything will appear with a special brightness before the Light of Truth!

That is why I tell you, come and listen to me more: today is the day to change and join the ranks that will win the victory⁴⁰ against evil. But first you must renounce everything⁴¹ that the world offers you, and bet on what will be the most glorious day for your life lived in truth: for spiritual life, but not yours but the one that I want to give you. Get rid of your desires and of what you imagine and want⁴², of what you long for, and put yourself at My service⁴³ without ideas or pretenses, let only trust and love⁴⁴ move you⁴⁵, trust in Him who died and rose again⁴⁶? for you, and opened⁴⁷ the doors of Heaven for you.

Today is the day, start walking. Time is running out. »
