

Messages of Mercy from the Holy Heart of Jesus. The Supreme Shepherd.

**PRIEST'S DISCERNMENT WRITING FOR MESSAGE 124.**

**Message from the Supreme Pastor received by Isabel de Dios on September 1, 2024.**

Dear brothers of the Work of the Supreme Shepherd, once again He invites us to silence, to open our hearts and listen to His Words in the intimacy of prayer and reflection of our lives, which speaks to us loud and clear from Our Glorious Supreme Shepherd, an urgent call to look only at Him; to stop looking at ourselves and to stop having our hearts set on the goods of this world, on the fleeting, "only God is enough."

This Message, by the Grace of God, contains nothing against faith and morals. Rather, based on the Holy Scriptures, whose texts are cited and which support this Message, it is a strong call to conversion, to live or die. To live if we have God as the center of our life and to die of emptiness and destruction if we move away from God, if we do not have Him as the center of our life.

Therefore, once it has been revised, it can be published and I believe that if we experience it, it will do us a lot of good.

When we meditate on the Message, we see that we can no longer keep God in a corner in our lives. He must be our center, and when we see Him, even in the convulsing stars, it will be the greatest proof of God's centrality. The entire world will recognize that God is the Master of all Creation and that we must have Him as the center and love of our lives. If we want to enjoy His protection, tenderness, and presence, living in God as the center of our lives, then man will see that trials and even martyrdom will be our greatest glory, because the center of our lives is God.

What a beautiful Message! When we meditate on it, the immense love and tenderness of God is clearly revealed to us. He calls us to the silence of our hearts so that we can listen to Him, to savour the tenderness of His Divine Love, to hear only the voice of Jesus, the Supreme Shepherd, who gave His life for us on the Cross so that we might not live off the ephemeral things of this world, but rather so that we might not stop longing for eternal goods, so that we might have our hearts set on the goods of heaven, not on those of earth.

The meditation and experience of this Message leads us to be aware that the figure of the present world will pass forever, our illusions are over, only God is Eternal and calls us to enjoy Him for all Eternity in heaven.

In good hour, let us respond once again to the voice of the Supreme Shepherd who calls us with tenderness and love to an urgent conversion, to have Eternal Life and not live any longer for this world, only God is enough as Saint Teresa of Avila said.

As you meditate on this beautiful divine call from the Message of the Supreme Pastor, meditate on the texts of the Holy Scripture that give you the foundation of truth that it is heaven that speaks to us so that we may have life and life in abundance.

#### REFLECTION BY WAY OF CONCLUSION.

Let us draw a conclusion that leads us to the experience of the Message of the Supreme Pastor: after reading the Message it is clear to us that we are living in the world the reality that sin covers the earth with its horrible plague.

Many righteous people fall under His contact, and if they have not foreseen in time the poverty of their human nature, this will be broken and humanity will realize that the only possible refuge is the Divine Heart of Jesus, the Supreme Shepherd. Failure to do so will result in the loss of their souls, without remission. Unless there is particular help from the Supreme Shepherd, there will be no salvation. Just as the spring flows to the sea, so the soul of the righteous seeks its way and must dig its bed toward the waters of Heaven, which cannot be contaminated by sin.

Our Supreme Shepherd warns and admonishes, he speaks even if they do not listen to him.

He calls us to be alert, and to watch over the purity of our souls, because only the Pure Hearts will see God! Those who sincerely seek Him.

We must be available at any time, because this hour may be the last for humanity! Pray with your heart, this is an urgent call to do penance and conversion!

Our response is urgent: we must ask the Holy Spirit for the gift of constant prayer, to give the response of the gift of ourselves to divine Love, as the supreme Pastor asks of us. What will be our response? Penance? It is the struggle against the self! It is often a struggle against what is cruel in our life and which causes us so much

harm. Just as when we put effort into healing the serious wounds of our body, so we must put all our effort into living only for God and not for ourselves.

REMEMBER YOUR SUPREME SHEPHERD... HE CONTINUALLY  
REMEMBERS YOU.

Priest of the Supreme Pastor.

September 6, 2024.
