

**WRITING OF ISABEL DE DIOS, RECEIVED IN HER HEART,
TO BE PUBLISHED.**

Today, Sunday, February 16, 2025

“In my time of prayer, in my life devoted to the Lord, I have found true peace of mind, which does not disappear when everything disappears and nothing remains but the destruction of the enemy of God and of our souls, who has stalked my life with cruelty and cruelty¹, and if it had not been for God would have destroyed me.

Now the Lord moves me to tell you that I am ready to surrender myself into the arms of Merciful Love for all Eternity from here, this moment of my life. I am in His arms now and waiting for the Work of the Lord in my life, for the world.

I am here Lord; let it be done to me according to Your Word²”.
