

“IT IS TIME”

**RECEIVED BY ISABEL OF GOD
IN THE DAWN OF MARCH 11, 2025**

«I want you to proclaim that the New Time has begun; that in it, the Messages will continue to occur, and My child will go into the world to speak of My Love; that She will carry the Signs of My Love for her and for a world that is on the verge of the end of its journey; that the Signs will be seen imminently; that everything prophesied will begin.

I want it to be known that everything is imminent and the world to prepare to face a new and terrible time within My Church¹, but the Mercy of God will be poured out from Heaven in the last ransom before the Great Tribulation² invades the world.

It is time, my dear child of the Soul, it is time, and the world does not wait for me. You say it to him: I come and I will not be long³.»

Discerned. Priest of the Supreme Pastor.
