

**MESSAGE 131      APRIL.1.2025**

« Be patient, My dear child, everything begins, it will begin now. Arm yourself with courage<sup>1</sup> and wait with confidence<sup>2</sup> and peace. This is not the time to be nervous, but to wait promptly in obeying and acting. I will tell you at all times what you must do and how you must act; wait peacefully for My instructions of Love, which will soon reach you.

In a world that has become alienated and insane, lost its way, you must say what I tell you and order you<sup>3</sup>; they must hear My voice; it must reach their hearts of concrete; My Word must pierce the stone they harbor for a heart<sup>4</sup>; you, daughter, must speak to them in My Name.

At one time I loved you in your choice; I formed and prepared you for this moment, moment of God in your life; for this you came, for this you were born<sup>5</sup>; from all eternity I chose you<sup>6</sup> and fixed My eyes on you. Now I call you: Isabel, the time has come to give your yes to the Lord<sup>7</sup>, to a test in your life, a martyrlike surrender filled with the Love of your Savior, who will be with you at all times<sup>8</sup>. Your yes is in My Heart; I have accepted it, and I will carry it out in the design of My Love<sup>9</sup>.

The test begins in your life, a test of love for your Creator and your Savior. The Sanctifier of your soul will carry it out in you. You know, My little girl, how I formed you in suffering and pain, how I sensitively abandoned you to listen to your cry of love, how I have seen your tears flow so many times;

the pain is familiar in your life, but now it will be a different pain, it is not the pain in your life, but the pain to give life and Eternal Life to so many souls who need your sacrifice and immolation on the cross beside your God and Savior<sup>10</sup>.

Now I tell you: It is time to await the culminating moment in your life, a life of pain and suffering, although you never lacked joy, the joy of life, of living and loving. This is how I love you, like a girl who knows how to laugh and cry, and a woman who knows how to face pain and suffering, always looking to her Lord. The culminating moment of this time of preparation and prayer that you have carried out, without any sign of abandonment at in any occasion, pleases Me and My Heart is happy. Now I will tell you what you must do and prepare yourself in love and set out to please your Lord, who calls you from all eternity for this moment of love.

Time will pass and you will not notice the change in your life because the Lord has arranged your life, not in a change but in a surrender, and your surrender has been in My Heart for a long time and forever.

Now, prepare yourself. How? You will not know, but the time will come. The Lord, your God, will prepare you internally to receive My Grace of Love, and you will only know when it will be when there is very little time left. You must follow My instructions of Love and be faithful to your consecration, show joy and love, whatever is in your heart, and, filled with love, prepare to receive My Grace of Love, which My Holy Heart has so long waited to grant to My child of Love.

This is no time for hesitations in speaking and thinking. My child of Love must already be one with Me, and you must not doubt a time that is already near, close at hand, a now in your life, which has already been granted by Heaven and received in your heart. You already have My Grace of Love

<sup>10</sup> Col 1, 24

granted in your heart, it is already within you, it only remains for it to pass from being only in your heart to your body, given out of love for your Savior in your yes, which, once accepted, is in My Heart and is the joy of Heaven and of so many souls who need you to unite with your Savior in the Mystery of Redemption.

Now tell Me about yourself and what your concerns. My Heart knows it, and I see it in you every day: that I do not arrive, and delay<sup>11</sup>, because your heart yearns for the Love I place within it every day, and the wait becomes agonizing. I am coming, My dear child of Love. This month you will know, you know, that My coming into your life is imminent, but you will not know the day or the hour<sup>12</sup> until there is little time left for My arrival.

Tell your loved ones and pray together, you will have a priest at your side and Heaven longs for My little girl of Love to shed her blood alongside that of her Redeemer<sup>13</sup> for a world doomed to death and perdition, for so many souls who will benefit from your surrender of love and wait, without knowing it, for My little girl on the cross to be alongside her Savior, in the same torment as her Lord<sup>14</sup> but wrapped in His Love, I will not leave you alone for a moment, you will always feel My Presence at your side and My arms of Love supporting your poverty and your weakness<sup>15</sup>. My mother will help you and comfort you and will never leave you, she will not leave your side<sup>16</sup>.

In critical moments for My Church, you will be My defender, and I will ask not only your blood but also your voice for your Savior. You will go for Me and speak to them through Me, whoever listens to you, listens to Me<sup>17</sup>,

and through Me you will go where only I can take My child of Love, because you could never reach those places if My Love and My plan for you and for a world full of corrupted souls awaiting their final rescue. Or it will be too late, and I will lose them forever.

It is time to pack your suitcase, Isabel, pack your suitcase and direct your steps to a world that has not known My Love and has moved away from its Savior, think of how many souls await you and long to know My Love even if they do not know it but their hearts do, you watch over Me and carry My Message of Love, tell them that for them I die of Love and I do not want to let them, forever, move away from My Love. In you they will see My Signs of Love<sup>18</sup>, for which I died on the Cross, they led Me to death and to Life to all souls who for love take refuge in My Cross and embrace their Savior.

Now is the time to begin, begin now to walk toward a world that awaits you, and I will lead you. Pack your suitcase and say goodbye to a life that has made you know suffering and purification, the desert and loneliness. Your dawn will come, My dear child, and the dark night will disappear, giving way to the first rays of day, and your Sun <sup>19</sup>will rise in you, illuminating you with His rays of Love, and a new creature will emerge from the night to walk in the light of a new day. Amen, amen.

My dear Isabel, Isabel of God, you will be a gift from God to the world. Get going, for your journey begins now. Tell your acquaintances to pray for you<sup>20</sup>, may the prayer for My Child of Love reach Heaven and surround your journey as it begins, Isabel, for the world awaits you, and souls no longer have time to wait.

Endure the final battles, they will soon disappear and your life will be something new that comes down from Heaven and clothes you as a new

creature that will go out into the world to bring the gift of the Love of God to so many souls who, through you, will know Me and in your cross<sup>21</sup> nailed every day, you will see Me because your cross is a splinter of Mine and it is in Mine.

Open the treasure of your gift, for in you the gift will be to a dry and lonely world, lacking Love<sup>22</sup> and unaware of it, consumed by a lack of Love and unaware of it, and unwilling to do so, and does not know it; you, say it, speak of My Love, and in you may they see the wonder of My Love.

Are you willing, Isabel? You do reach My Heart, I bless you and carry you in My Love. May the wings of Love take you as far as your love<sup>23</sup> allows.
