«STAND UP¹, START WALKING, DAUGHTER OF GOD², DAUGHTER OF THE MOST HIGH³, IT IS YOUR TIME AND IT HAS COME.

In a world dying of thirst⁴, carry the Divine Breath, carry the Gift of God; carry it, daughter, and do not delay in your mission.

You will begin to walk, I will show you the places and people where you should go and must visit⁵, you be docile to My Mandate of Love that My Holy Spirit will take you.

In a world of disbelief, bring faith, My dear child, child of My Soul, bring the faith⁶ and the Gift of God⁷, for they need you to believe.

In a world that has lost the Gift of God⁸, carry Him in Me and I will carry you in Him. You only need to obey My Commandments and be faithful to your promise of love⁹, as I will do everything in you. You must begin now: whoever receives you receives Me; whoever does not want to receive you does not receive Me¹⁰. We will go together and travel to places and countries together. The Mission entrusted to us by the Lord will be indestructible, for it is My Holy Spirit who inspires it¹¹.

It is late for the world, but there are still souls that can be rescued from the clutches of the evilone¹².
