

**MESSAGE 138      NOVEMBER.1.2025**

« From the very beginning, I loved you<sup>1</sup>, little flower of My garden. Begin your sacrifice of love.

Your Lord is waiting for you, surrender to Him, for His wounded<sup>2</sup> hands open before you to take yours and lead you with Him to where He was and died for your love. The cross is your throne, chosen by the Lord<sup>3</sup> in a betrothal of love. The Bridegroom takes you before His altar<sup>4</sup>; it is time, the time has come. You began your journey<sup>5</sup>, and He will bring His work to completion. Your Lord is waiting for you; surrender to Him, for He is your Lord. Amidst rejoicing and song, the betrothal will be celebrated; amidst tears of love, they will see you coming and accompany you; you will not go alone. And He awaits you, like a beautiful maiden you will approach Him, surrendered in love and homage, for He is your Lord and He weds you out of love<sup>6</sup>. There the Tribes of the Lord<sup>7</sup> will go, all the righteous<sup>8</sup> who lived and belonged to the Lord will be present at the wedding. A soul that surrenders to the Lord and is received by Him deserves such a feast and honor<sup>9</sup>.

From now on your time begins, everything is already lost for the world, but there are souls to rescue, dear daughter, your sacrifice of love will be compensated by the joy of the Love of your God and Lord who will be with you<sup>10</sup>. ‘Hallelujah, Glory to God’<sup>11</sup> it will be sung in Heaven and on Earth

because a soul surrenders to the Love of loves in justice and goodness, righteousness and mercy; and there they will see you on the Throne of God<sup>12</sup>, accompanied by the angels, in His Presence, prostrate before Him<sup>13</sup>, who is your Lord, in righteousness and goodness, justice and mercy; there you will be and you will pay homage to Him because He is your Lord. You are chosen by the Lord<sup>14</sup>, Isabel of God, and now your mission begins.

Soon, it will be seen; soon, people will speak of My Child of Love because the Lord will cover her with His Gifts<sup>15</sup>, His Gifts of Love. Amen, amen.

Time cannot wait any longer; my souls need the dew of Heaven. The tempter<sup>16</sup> of souls does not want to release his prey, but he will, and many souls will be freed from his powerful and malevolent influence, by the Mercy of God, by the Clemency of God, to a lost and aimless world; it no longer has a rudder and is rushing toward its precipice.

Now is the time of Justice and Mercy. My lost souls will return to the fold and, prey to the infernal demon, will be freed from him in a rescue of Love from the One who can do<sup>17</sup> all things and holds in His hand the winnowing fork<sup>18</sup>, Power and Glory, for a world unhinged by worldly, fleeting, and presumptuous power and glory. The Lord brings the retribution of Love and Peace, Humility and Goodness, Truth and Justice.

Now prepare yourselves, children of men, to live in a time like no other, where the viper will play with the child and not bite him<sup>19</sup>. The Lord of the Universe<sup>20</sup> has spoken, and His Judgment is certain and sure.

Everyone will see it, and many will experience it; the world will collapse in the time of God, where evil will no longer be able to continue as it has been doing, and My souls will have an unparalleled time of rescue. Everything will begin now, and the time lost to the world will become a hidden treasure of love that will come to light, and you will ask, "Where was it hidden?" In My loving arms, hidden in My Holy Heart.

For centuries I have awaited this moment of Love for the world where, before the great eschatological<sup>21</sup> trial that is approaching for the world, there will be a time, appointed by Heaven, without equal, where God's rescue of His souls will be all that is experienced in this world. In the midst of evil and perdition, they will not touch this world with their wickedness; the world will stop in its wickedness even though evil continues to exist within it with its ferocious race toward the end times foretold by My Holy Heart.

This is the time for My dearest Soul Child, this is your mission, your sacrifice of love, your daily test. In My loving arms, hidden in My Sacred Heart, I prepared and kept you, awaiting this moment of love for the world. Now you will emerge from My hands that have molded and loved you; your effort and dedication amidst suffering and pain will not be in vain. And now, the work of My hands will be seen in you; like a beautiful maiden, you will stand before Me, adorned with the Gifts of My Love.

Your triumph over evil is your cross, My beloved child of My Soul, on which you have borne without denying your God, with your hands bound and your lips sealed. Now you will speak, you will speak of My Love, the Love you have known in your years of prostration, from which the Lord will draw you out so that you may proclaim My Love to a lost world, deaf and blind, mute to love; but you will speak and many will listen to you because

<sup>21</sup> Mt 24, 1-28 ; Rev 7, 14 ; "The great eschatological test" (CatIglCat 671-677 and 1296)

I will open their hearts with your pain, the pain of My Wounds<sup>22</sup> in you, in your mortal body, for the Glory of a God despised and forgotten by a world<sup>23</sup> that no longer knows love, and lost and mad runs toward its perdition

Now is the time for love and forgiveness. Tell them, daughter of My Love, tell them and let them feel My presence in you. Let Me touch them with My Love within you. Be an instrument of the Lord to bring love and peace<sup>24</sup> to a world that has forgotten God. In you they will see Me and recognize Me because their hearts came from Me, and in you they will see Me. Those who lost Me will see Me again, and those who never knew Me will find Me.

It is a time of love and peace in our hearts, pacified by the hand of the Savior<sup>25</sup> who will once again touch His children in the squares and streets; He will do so in you, child of My Love. And if anyone is scandalized by My Words<sup>26</sup>, it is because they have never known My Love, and it is time, it is time for them to know their Savior.

Now I leave you, My dear child, with your mission; may Heaven open its arms to you, and shelter you in its love. Go forth, defender of your Lord and your God, go forth in the Name of the Lord. Amen, amen! Hallelujah, Glory to God, children of men, for here is your defender, the defender of God; one day you will know Him, that day is near. Amen, amen.

*Silence*

In green pastures I will lay your love<sup>27</sup> to rest when after this time you find your Lord».
